E.R.B. NO. 525

IN THE MATTER OF

City of Los Angeles
Public Employer

PETITION NO.

C860

and

International Brotherhood of Electrical Workers Local 18
Petitioner

DECISION AND ORDER AMENDING CERTIFICATION

On August 15, 2014, International Brotherhood of Electrical Workers Local 18 filed a petition requesting accretion of the classification of X-Ray and Laboratory Technician (Class Code 2358) to the DWP Technical Unit and the amendment of its certification as the exclusive representative of that unit. On October 27, 2014, notice of the filing of the petition was posted at locations where notices to employees are customarily posted. No other employee organization petitioned to represent the class and at the November 24, 2014 meeting of the Employee Relations Board ("Board"), the Personnel Department expressed no opposition to the petition.

It appears to the satisfaction of the Board that the action agreed upon by the parties is appropriate and the Board accordingly finds that the class of X-Ray and Laboratory Technician (Class Code 2358) should be accreted to the DWP Technical Unit.

NOW, THEREFORE, pursuant to the powers vested in the Los Angeles City Employee Relations Board by the Employee Relations Ordinance of 1971, as amended, it is hereby ORDERED that the certification of International Brotherhood of Electrical Workers Local 18 as the exclusive representative of the DWP Technical Unit, dated July 28, 2003 be, and the same hereby is, amended in accordance with this decision.

BY ORDER OF THE BOARD
