CITY OF LOS ANGELES
BEFORE THE EMPLOYEE RELATIONS BOARD

E.R.B. NO. 501

IN THE MATTER OF

City of Los Angeles
Public Employer

and

United Firefighters of
Los Angeles City
Petitioner

PETITION NO.

C825

DECISION AND ORDER AMENDING CERTIFICATION

On July 1, 2008, United Firefighters of Los Angeles City (UFLAC) filed a petition requesting the accretion of the classification of Fire Helicopter Pilot (Class Code 3563) to the Firefighters and Fire Captain Unit and the amendment of its certification as the exclusive representative of that unit. On July 28, 2008, notice of the filing of the petition was posted at locations where such notices are customarily posted. On August 14, 2008, the Los Angeles City Personnel Department reported to the Employee Relations Board that it believes that the class of Fire Helicopter Pilot appropriately belongs in the Firefighters and Fire Captain Unit.

On August 25, 2008, the Employee Relations Board entertained argument on the petition. No opposition to the proposed amendment of the unit was presented.

It appears to the satisfaction of the Board that the action agreed upon by the parties is appropriate. The Board therefore finds that the class of Fire Helicopter Pilot (Class Code 3563) should be accreted to the Firefighters and Fire Captain Unit.

NOW, THEREFORE, pursuant to the powers vested in the Los Angeles City Employee Relations Board by the Employee Relations Ordinance of 1971, as amended, it is hereby ORDERED that the certification of United Firefighters of Los Angeles City as the exclusive representative of the Firefighters and Fire Captain Unit, dated November 13, 1972, be, and the same hereby is, amended in accordance with this decision, in all departments of the City of Los Angeles except the Department of Water & Power.

BY ORDER OF THE BOARD.
