None.

5. COMMUNICATIONS

President Liban noted there was a letter submitted by CD 1 as a public comment sent via e-mail for Item 9.

6. GENERAL MANAGER'S REPORT

Tomas Carranza, Assistant General Manager reported on behalf of Laura Rubio-Cornejo, General Manager. Mr Carranza addressed the Board sharing the following:

- *The city is hosting widespread World Cup events, including community watch parties under the "Kick It In the Park" program and three specific open streets events, such as CicLAvia SouthLA, to engage residents throughout Los Angeles.*
- *LADOT has completed essential infrastructure maintenance, including replacing signs, upgrading crosswalks, and installing new accessible pedestrian signals, to ensure safe and efficient transit for visitors near fan zones and community venues.*
- *To minimize community impact, the city has deployed 626 traffic officers, implemented dedicated road closures, and established geofencing for rideshare and taxi services, with overall coordination managed by the city's Emergency Operations Center.*
- *Public transit options are being optimized with expanded DASH and Commuter Express routes, alongside new wayfinding signage and additional restroom access at key Metro stations, to assist fans attending festivities*

The Board Requested a Report Back due in the Aug meeting , after the World Cup on the following:

- *What LADOT did regarding extra training for DASH drivers during the World Cup and what is the plan for extra training (including but not limited to, handing tourist and customer service) for the 2028 Olympic Games?*
- *How did LADOT handle the Word Cup - what were the challenges, success and take-aways?*

NEIGHBORHOOD COUNCIL
