

LOS ANGELES CITY COUNCIL REDISTRICTING COMMISSION 2021

Standing Committees & Ad Hoc Committees

Outreach Committee

The Commission's committee on outreach will seek community input and testimony from stakeholders on how new districts should be designed and constituted. The Committee will attempt to attract a diverse group of stakeholders from each Council District for input, and target outreach to communities whose input is lacking. The Committee will engage with Neighborhood Councils, community organizations and local leaders, and use existing and new media platforms, to reach stakeholders. The Committee will also be committed to keeping stakeholders informed of developments and scheduled public hearings, and create a digital database to accept public testimony.
