**THE PEOPLE OF THE CITY OF LOS ANGELES  
DO ORDAIN AS FOLLOWS:**

Section 1. Section 2.21 of Article 4 of Chapter 1 of Division 2 of the Los Angeles Administrative Code is amended in its entirety to read as follows:

**Sec. 2.21. Redistricting Commission – Deadlines for Presentations of Plans to City Council.**

(a) The City Council Redistricting Commission, established by Charter Section 204(b) and appointed for each decennial redistricting, shall present its proposal to the City Council for redistricting the City Council on or before August 31, 2021, and each subsequent tenth anniversary of that date.

(b) The Los Angeles Unified School District Board of Education Redistricting Commission, established by Charter Section 802 and appointed for each decennial redistricting, shall present its proposal to the City Council for redistricting the Board of Education on or before August 31, 2021, and each subsequent tenth anniversary of that date.

(c) Notwithstanding the deadlines above, the City Council may, by resolution, establish an earlier deadline by which the Commissions must present their proposals to the City Council, in order to comply with State or County administrative requirements for implementing new district lines for the next election.

(d) If the City Council decides to consider redistricting the Council or the Board of Education districts, or both, sooner than the next decennial Census, it shall appoint a Redistricting Commission or Commissions for that purpose and shall adopt an ordinance establishing a date by which the relevant Redistricting Commission will be required to submit its redistricting proposal.

An ex parte communication does not include any communication that takes place on the record during an official public meeting.

(b) The requirements of this section do not apply to a communication between a Commission member and a member of the City Attorney's Office providing legal counsel.

(c) A Commissioner shall disclose any ex parte communication at the next Commission meeting following the communication.
