GOVERNMENT OPERATIONS COMMITTEE REPORT relative to a proposed Personal Services Contract with Human-I-T to provide on call, as-needed digital inclusion services.

Recommendation for Council action:

APPROVE and AUTHORIZE the General Manager, Information Technology Agency, or designee, to execute a Personal Services Contract with Human-I-T to provide on call, as-needed digital inclusion services, with compensation of \$5 million and a term of three years effective from the date of attestation, with two additional one-year options to extend, subject to the approval of the City Attorney as to form.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that no funding has been budgeted for this Contract. Funding for expenditures under the proposed Contract must be identified prior to execution of a Job Order. The Contract will be used on an as-needed basis, and the Contractor is not guaranteed any compensation under this Contract.

Financial Policies Statement: The CAO reports that the recommendation contained in the December 9, 2024 CAO report, attached to the Council File, is in compliance with the City's Financial Policies as Contract expenditures are limited to the appropriation of funds made by the City for this purpose.

Community Impact Statement: None submitted.

CONTINUED CONSIDERATION OF TRANSPORTATION COMMITTEE REPORT and AMENDING MOTION 22A (HERNANDEZ – PADILLA) relative to a Citywide equity framework for transportation project prioritization and resource allocation.

A. TRANSPORTATION COMMITTEE REPORT

Recommendations for Council action:

1. INSTRUCT the Board of Public Works' Bureaus to report to Council on the equity framework currently used for selection and implementation of services and their plan to incorporate the Department of City Planning (DCP) Community Health and Equity (CHE) Index into project prioritization and resource allocation.
2. DIRECT each of the Bureaus of the Department of Public Works, the DCP, and any other relevant agencies, to report on the programs they manage that achieve transportation outcomes, how those programs currently incorporate equity into their work plans, and how the CHE Index can be adopted into those programs, if they are not already, so that the City of Los Angeles is using one definition of areal equity measurement for achieving transportation goals.
3. DIRECT the Los Angeles Department of Transportation (LADOT) to report to Council with an overview of additional criteria it uses to prioritize projects to achieve specific programmatic goals and understand travel patterns for communities of concern, including but not limited to how the (LADOT) incorporates transit ridership, boardings and alightings by line; crash data; prevailing speeds; density of jobs and proximity to job centers on specific corridors; and regional transportation gaps into its program and project planning. The report should include any data sets that would further allow the LADOT to consider and address the travel patterns of communities of concern in Los Angeles, as well as help close transportation gaps to regionally-

important destinations and along regionally-important corridors. The report should propose how the LADOT could combine these data into an overlay that could be paired with the CHE Index and Priority Transportation Equity Areas to add holistic regional travel patterns as a consistent metric across work programs, and any resources needed to create that overlay and maintain it moving forward.

B. AMENDING MOTION 22A (HERNANDEZ – PADILLA)

Recommendation for Council action:

AMEND the matter related to the Transportation Committee report relative to a Citywide equity framework for transportation project prioritization and resource allocation, Item No. 22 [Council file No. (CF) 23-0935] on the January 14, 2025 Council Agenda, to ADOPT the following additional language reflected in bold and delete the strikethrough language in Recommendation No. 1: INSTRUCT the Board of Public Works' Bureaus to report to Council on the equity framework currently used for selection and implementation of services, **consult with the City Administrative Officer (CAO), the Los Angeles Department of Transportation (LADOT), and the Department of City Planning (DCP) on the equity indices used for projects,** ~~their plan to incorporate the Department of City Planning (DCP) Community Health and Equity (CHE) Index and provide recommendations on the adoption of an equity index that can be used in~~ **into** project prioritization and resource allocation.

Fiscal Impact Statement: The LADOT reports that there is no impact to the General Fund.

MOTION

REGULAR COUNCIL AGENDA TO BE POSTED

#51

The Ventura Cahuenga Boulevard Corridor Specific Plan (Ord. 174,052), first adopted in 1991, established a Project Impact Assessment (PIA) Fee to fund Specific Plan transportation improvements and services, as well as pedestrian improvements. Section 12 of the Specific Plan sets forth guidance as to how Specific Plan PIA Fee funds may be used, with reference to a list of improvements and services. Section 12.A. of the Specific Plan allows the City Council to authorize additional improvements and services, upon recommendation by both the Director of Planning and the General Manager of the Department of Transportation (LADOT), subject to findings set forth in Section 12.B and subject to review by the Specific Plan Project Review Board.

On May 4, 2023, the Specific Plan Review Board voted to support the use of \$683,473 in PIA funds for two new landscaped medians on Van Nuys Boulevard from Moorpark Street to Hortense Street (C.F. 23-0599). On December 5, 2024, the Specific Plan Review Board voted to support the use of an additional \$617,373 for the project due to updated cost estimates for a total funding amount of \$1,300,846. The Planning Department and the LADOT support the use of PIA funds for this purpose.

Council action is required to transfer the funds to the Office of Community Beautification (OCB), which will allocate the funds to the Los Angeles Neighborhood Initiative under an existing contract to implement the project.

I THEREFORE MOVE that the Council AUTHORIZE:

1. The Department of Transportation (LADOT) to transfer and appropriate \$1,300,846 from the Ventura/Cahuenga Corridor Plan Fund No. 523-94, Available Cash Balance, to the Board of Public Works, Office of Community Beautification, Fund No. 100-74, Account No. 003040 (Contractual Services), to implement two new landscape medians on Van Nuys Boulevard between Moorpark and Hortense Streets.
2. The Board of Public Works, Office of Community Beautification to utilize existing contract authority with the Los Angeles Neighborhood Land Initiative to implement the project.
3. The LADOT to make any technical corrections or clarifications to the above fund transfer instructions in order to effectuate the intent of this Motion, including any corrections and changes to fund or account numbers.

MOTION

TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED

#54

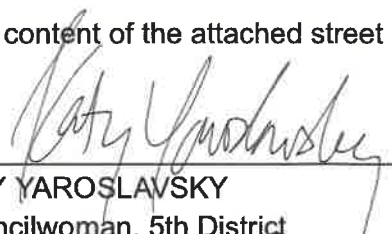

La Cienega Boulevard between Beverly Boulevard and Santa Monica Boulevard has long been recognized as a premiere destination for shoppers seeking the best in interior design. Its exceptional pedestrian environment dovetails nicely with establishments specializing in art, antiques, apparel, furniture, and fine dining to create an unforgettable shopping experience.

The La Cienega Design Quarter (LCDQ), an established nonprofit business association, is coordinating a street banner campaign. The business association uses street banners as an outreach tool to encourage stakeholders to become involved in the LCDQ's programs and activities.

I THEREFORE MOVE that the City Council, in accordance with Los Angeles Municipal Code (LAMC) Section 62.132, approve the Non-Event Street Banner Program being coordinated by the La Cienega Design Quarter (LCDQ), as a City of Los Angeles Non-Event Street Banner Program for the period of March 2025 - March 2026.

I FURTHER MOVE that the City Council approve the content of the attached street banner design.

The Bureau of Engineering is implementing a public sewer improvement plan in the alley south of and parallel to Sherman Way and west of Fulton Avenue in Council District 2. A portion of this alley is City property under the jurisdiction of the General Services Department. In order for the Bureau of Engineering to proceed with the installation of a public sewer line at this location, a portion of the City-owned property needs to be transferred to the Bureau's jurisdiction and the Bureau must dedicate this property to the public right-of-way.

I THEREFORE MOVE that the Department of General Services, with the assistance of the City Attorney, be instructed to initiate the non-financial transfer of jurisdiction of the City-owned property described as a portion of the alley south of and parallel to Sherman Way and west of Fulton Avenue to the Department of Public Works, Bureau of Engineering.

I FURTHER MOVE that the Bureau of Engineering, with the assistance of the City Attorney, be instructed to prepare and present an ordinance and all necessary documents for the dedication of a public street and installation of a public sewer at the above-described property.

The Los Angeles Fire Department (LAFD) requires fund transfers to address shortfalls in various sworn and civilian salary accounts. The overspending is attributed to sworn deployments to the Palisades fire and other fire and wind storm related events in recent weeks. Due to continuing support for brush fire response and recovery, some salary accounts are poised to be depleted well in advance of the Midyear Financial Status Report. This includes:

- Sworn Overtime (001092) - funds emergency overtime for first response and recovery operations.
- Overtime General (001090) - supports fleet maintenance to deploy more apparatus to the field; payroll staff processing sworn retro payments; Revenue Management staff monitoring incident expenses for cost recovery; information technology staff ensuring that dispatch and field communications operate at uninterrupted levels; Advanced Providers supporting field needs; and Fire Prevention plan checkers beginning the process of recovery.
- Salaries As-Needed (001070) – supports Administrative Interns assisting with Department operations, including payroll and human resources support, in view of position reductions and vacancies.

Adjustments between accounts are immediately needed to avoid depleting accounts. It is anticipated that the fiscal year will continue to experience significant weather related fires and storms.

I THEREFORE MOVE that, subject to the approval of the Mayor, the Controller transfer an amount of \$3,300,000 from the Salaries Sworn Account 001012 to the Sworn Overtime Account 001092; and, \$1,100,000 from the Salaries General Account 001010 to the Overtime General Account 001090 (\$1,000,000) and Salaries As-Needed Account 001070 (\$100,000), for total transfers of \$4.4 million to cover projected funding needs in these accounts.

I FURTHER MOVE that the Council authorize and instruct the CAO and Controller to take any necessary actions and make any technical corrections to the above instructions in order to effectuate the intent of this motion.

MOTION

Measure United to House LA was approved by the voters of the City in November 2022, adding section 21.9.2(b) to the Los Angeles Municipal Code, generating hundreds of millions of dollars to be invested in programs that support the development of affordable housing, income support for the most vulnerable, eviction protection and rental assistance for thousands of Angelenos.

The recent 2025 Los Angeles Wildfires have caused billions of dollars worth of destruction to homes and businesses, displacing families, workers, tenants, and neighborhood residents across Los Angeles. The economic impacts of the Los Angeles Wildfires has had a cascading effect across all sectors of the labor market and has destabilized the housing security of the most vulnerable workforce in Los Angeles.

There is an urgent need to distribute emergency rental assistance to prevent evictions and displacement of tenants impacted by the Los Angeles Wildfires in response to the January 7, 2025 Declaration of Local Emergency on Windstorms and Fire Weather, and to address the ongoing Declaration of Local Emergency on Housing and Homelessness in Los Angeles.

I THEREFORE MOVE that the Council instruct the Los Angeles Housing Department, with the assistance of the City Administrative Officer, disencumber \$15,000,000 and reallocate funds from the House LA Fund - Administration and appropriate these funds to the Emergency Rental Assistance Program to assist Angelenos impacted by the 2025 Los Angeles Wildfire.

I FURTHER MOVE that the Council instruct the Los Angeles Housing Department, with the assistance of the City Administrative Officer and Chief Legislative Analyst to report back with additional expenditure categories to allocate to the Emergency Rental Assistance Program, and recommendations to sole-source, amend existing contract(s) and/or issue Request for Proposal to administer the program.

I FURTHER MOVE that the Council request the City Attorney to report on Section 22.618.5 of the Los Angeles Charter and relevant sections to enable the Council to reallocate funds from each expenditure category in Section 22.618.3(d) to be reappropriated for emergency rental assistance to assist Angelenos impacted by the Los Angeles Wildfires due to ongoing Declaration of Local Emergencies.

LA Sanitation and Environment (LASAN) provides services to ensure the health and safety of our residents, communities, and the environment. Critical services include collection and recycling of solid resources materials for residential customers and City departments, the conveyance, collection and treatment of wastewater to meet regulatory requirements, and the management of the City's watershed to protect the beneficial uses of the receiving waters and comply with flood control mandates.

Based on an analysis of current expenditures, LASAN has determined that the Overtime General Account and the Contractual Services Account do not contain adequate appropriations to meet payroll and operational needs for the remainder of FY 2024-25. While a transfer of funds to meet this need is anticipated in the CAO's 2024-25 Third Financial Status Report, the timing of that report will not meet LASAN's immediate payroll and contractual services needs. Staff shortages and additional workload have necessitated greater use of overtime and contractual services.

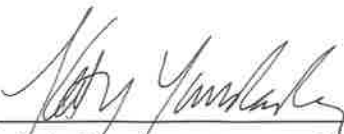

I THEREFORE MOVE that the City Council, subject to the approval of the Mayor:

1. AUTHORIZE the Controller to transfer funds within Fund 100/82 and Fund 760/50 Bureau of Sanitation as follows:

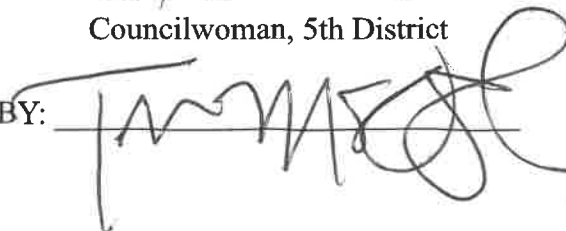

<u>Fund/Dept/Account No.</u>	<u>Account Name</u>	<u>Amount</u>
From: 100/82/001010 (SWRRF)	Salaries General	\$2,500,000
To: 100/82/001090 (SWRRF)	Overtime General	\$2,500,000
From: 760/50/Cash Balance	Cash Balance	\$3,500,000
To: 100/82/001090 (SCMO)	Overtime General	\$3,500,000
From: 100/82/001010 (GF)	Salaries General	\$1,000,000
To: 100/82/003040 (GF)	Contractual Services	\$1,000,000

2. AUTHORIZE the Bureau of Sanitation, subject to approval of the City Administrative Officer, to prepare Controller instructions for any technical adjustments to comply with the intent of the Council actions, and authorize the Controller to implement the instructions.

TIME LIMIT FILE – JANUARY 31, 2025

(LAST DAY FOR COUNCIL ACTION – JANUARY 31, 2025)

Summary:

At a regular meeting held on January 28, 2025, the PLUM Committee considered a report from the LACPC and an appeal for the properties located at 1185, 1187, 1193, 1195, 1197, 1201, 1205, 1207, 1211, 1215, 1221, 1225, 1229, 1233, 1239, 1243, 1245, 1247 West Sunset Boulevard, and 917 North Everett Street. DCP staff provided an overview of the matter. Councilmember Raman spoke on the matter. After an opportunity for public comment, and presentations from the Applicant and Appellant Representatives, the Committee recommended to deny the appeal and sustain the LACPC's determination in approving a Density Bonus, an On-Menu Incentive, a Main Conditional Use Permit, and a Site Plan Review. This matter is now submitted to the Council for consideration.

Respectfully Submitted,
