CONTINUED CONSIDERATION OF GOVERNMENT OPERATIONS COMMITTEE REPORT relative to a proposed lease in connection with three remnant parcels under the Santa Fe Avenue Overpass [Assessor Parcel Numbers (APNs) 5168-012-900, 901 and 909].

Recommendations for Council action, pursuant to Motion (de León – Blumenfield):

1. DIRECT the Bureau of Engineering (BOE), with the assistance of the Department of General Services and City Attorney, to negotiate a lease agreement with the owner of the property located at 2426 Washington Boulevard for the City-owned remnant parcels under the Santa Fe Avenue Overpass, APNs 5168-012-900, 901, and 909; with said lease to include all or a portion of these remnant parcels as determined by the BOE, and should include the following:

- a. Any access to the site required by the City.
- b. A provision to capture back rent for the previous use of these properties by the adjacent property owner without an agreement.

- 2. AMEND, upon execution of the lease detailed above in Recommendation No. 1, that the Council action of February 22, 2022 relative to the vacation of the alley southerly of Washington Boulevard from the alley easterly of Santa Fe Avenue to its easterly terminus (Council file No. 21-0345; VAC-E1401392), to delete Condition 6(b) of the October 22, 2021 BOE report, attached to the Council file.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

(Public Works Committee waived consideration of the above matter.)

(2) 24-1592

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to Amendment No. 2 to an Agreement No. 47560 between the Los Angeles Department of Water and Power (LADWP) and Itron, Inc., for the Distribution Automation Communication Network Solution and Services.

Recommendation for Council action:

CONCUR with the action of the Board of Water and Power

Commissioners of December 10, 2024, Resolution No. 025-120, which approves Amendment No. 2 to Agreement No. 47560 for Distribution Automation Communication Network Solution and Services with Itron, Inc.

Fiscal Impact Statement: The City Administrative Officer reports that approval of the proposed Amendment to Agreement No. 47560 with Itron, Inc. will have no impact on the General Fund. The Agreement will be extended for an additional 18 months, for a total term of six years and six months. The contract amount of \$95,623,338 remains unchanged and is budgeted within the LADWP Power Revenue Fund for this purpose. The recommendation complies with LADWP's approved Financial Policies.

MOTION

2471 Lincoln, LP (Sponsor), a California limited partnership, has requested that the City of Los Angeles (City) through the Los Angeles Housing Department (LAHD) issue Multifamily Housing Revenue Bonds in an amount not to exceed \$17,250,000 to finance the new construction of the 40-unit multifamily housing development known as The Journey (Project) located at 2471 South Lincoln Boulevard in Council District 11. The Project will provide 39 units of affordable housing and 1 manager unit.

In accordance with the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and as part of the bond issuance process, LAHD conducted the required public hearing on December 24, 2024. Notice of the public hearing was published on December 17, 2024. LAHD is required to provide proof to the California Debt Limit Allocation Committee (CDLAC) that a TEFRA hearing has been conducted as part of the application process. The Sponsor has pledged to comply with all City and LAHD bond policies related to the work described in this Motion, including but not limited to payment of prevailing wages for labor and project monitoring with LAHD.

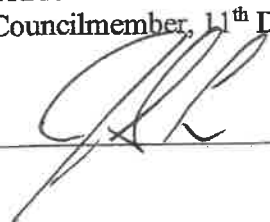

The City is a conduit issuer and is required by federal law to review and approve all projects within its jurisdiction and conduct a public hearing. The bond debt is payable solely from revenues or other funds provided by the Sponsor. The City does not incur liability for repayment of the bonds. To allow the bonds to be issued in accordance with CDLAC requirements, the Council should approve the minutes of the hearing and adopt the required Resolution (attached).

I THEREFORE MOVE that the City Council consider the attached results of the TEFRA public hearing held on December 24, 2024 for The Journey and adopt the attached TEFRA Resolution to approve the issuance of bonds in an amount not to exceed \$17,250,000 for the new construction of a 40-unit multifamily housing project located at 2471 South Lincoln Boulevard in Council District 11.

RESOLUTION

A RESOLUTION APPROVING FOR PURPOSES OF SECTION 147(f) OF THE INTERNAL REVENUE CODE OF 1986 THE ISSUANCE OR REISSUANCE OF BONDS OR NOTES BY THE CITY OF LOS ANGELES TO FINANCE OR REFINANCE THE ACQUISITION, REHABILITATION, CONSTRUCTION AND/OR EQUIPPING OF A MULTIFAMILY RESIDENTIAL RENTAL PROJECT LOCATED WITHIN THE CITY OF LOS ANGELES.

WHEREAS, the City of Los Angeles (the "City") is authorized, pursuant to Section 248, as amended, of the City Charter of the City and Article 6.3 of Chapter 1 of Division 11 of the Los Angeles Administrative Code, as amended (collectively, the "Law"), and in accordance with Chapter 7 of Part 5 of Division 31 (commencing with Section 52075) of the Health and Safety Code of the State of California (the "Act"), to issue or reissue its revenue bonds or notes for the purpose of providing financing for the acquisition, construction, rehabilitation and equipping of multifamily rental housing for persons and families of low or moderate income; and

WHEREAS, the City intends to issue or reissue for federal income tax purposes certain bonds or notes (the "Bonds") the proceeds of which will be used to finance or refinance the acquisition, construction, rehabilitation and equipping of a multifamily rental housing project described in paragraph 6 hereof (the "Project"); and

WHEREAS, the Project is located wholly within the City; and

WHEREAS, it is in the public interest and for the public benefit that the City authorize the financing or refinancing of the Project, and it is within the powers of the City to provide for such financing or refinancing and the issuance or reissuance of the Bonds; and

WHEREAS, the interest on the Bonds may qualify for a federal tax exemption under Section 142(a)(7) of the Internal Revenue Code of 1986 (the "Code"), only if the Bonds are approved in accordance with Section 147(f) of the Code; and

WHEREAS, pursuant to the Code, the Bonds are required to be approved, following a public hearing, by an elected representative of the issuer of the Bonds (or of the governmental unit on behalf of which the Bonds are issued) and an elected representative of the governmental unit having jurisdiction over the area in which the Project is located; and

WHEREAS, this City Council is the elected legislative body of the City and is the applicable elected representative required to approve the issuance of the Bonds within the meaning of Section 147(f) of the Code; and

WHEREAS, pursuant to Section 147(f) of the Code, the City caused a notice to appear on the website of the Los Angeles Housing Department (<https://housing2.lacity.org/highlights>) commencing on December 17, 2024, and continuing until not earlier than December 24, 2024, to the effect that a public hearing would be held on December 24, 2024, regarding the Project and the issuance or reissuance of the Bonds, pursuant to a plan of financing in an amount not to exceed \$17,250,000; and

WHEREAS, the Los Angeles Housing Department held said public hearing on such date, at which time an opportunity was provided to present arguments both for and against the issuance or reissuance of the Bonds; and

WHEREAS, the minutes of said hearing have been presented to this City Council;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Los Angeles, as follows:

1. The recitals hereinabove set forth are true and correct, and this City Council so finds. This Resolution is being adopted pursuant to the Law and the Act.

2. Pursuant to and solely for purposes of Section 147(f) of the Code, the City Council hereby approves the issuance or reissuance of the Bonds by the City in one or more series up to the maximum amount specified in paragraph 6 below and a like amount of refunding bonds, pursuant to a plan of financing, to finance or refinance the Project. It is intended that this Resolution constitute approval of the Bonds: (a) by the applicable elected representative of the issuer of the Bonds; and (b) by the applicable elected representative of the governmental unit having jurisdiction over the area in which the Project is located, in accordance with said Section 147(f).

3. Pursuant to the Law and in accordance with the Act, the City hereby authorizes the Los Angeles Housing Department to proceed with a mortgage revenue bond program designed to provide housing within the City of Los Angeles for low- and moderate-income persons through the issuance or reissuance of the Bonds for the Project, in one or more series and in an amount not to exceed that specified in paragraph 6 hereof.

4. Notwithstanding anything to the contrary hereof, the City shall be under no obligation to issue any portion of the Bonds described in paragraph 6 hereof to be issued or reissued by the City for the Project prior to review and approval by the City and the City Attorney of the documents, terms and conditions relating to such Bonds.

5. [Reserved].

6. The "Project" referred to hereof is as follows:

Project Name:	Address	#Units:	Project Sponsor	Maximum Amount:
The Journey	2471 South Lincoln Boulevard, Los Angeles, CA 90291	40 Units (including 1 manager unit)	2471 Lincoln, LP	\$17,250,000

7. This Resolution shall take effect immediately upon its passage and adoption.

PASSED AND ADOPTED this ___ day of _____, 2025, at Los Angeles, California.

I certify that the foregoing Resolution was adopted by the Council of the City of Los Angeles at its meeting on _____, 2025.

TEFRA PUBLIC HEARING MEETING MINUTES
TUESDAY – December 24, 2024
9:00 AM
LOS ANGELES HOUSING DEPARTMENT
BY TELECONFERENCE
Georgina Tamayo, CHAIR

This meeting was conducted to meet the required Tax Equity and Fiscal Responsibility Act of 1982 (“TEFRA”) Public Hearing for The Journey, Locke Lofts, and Weingart Tower 1B.

This meeting was called to order on Tuesday, December 24, 2024 at 9:00 a.m. via teleconference by the Los Angeles Housing Department.

A notice of this hearing was published in various locations on the Los Angeles Housing Department website on December 17, 2024 (the “Notice”). The purpose of this meeting was to hear public comments regarding the City of Los Angeles’ proposed reissuance of multifamily housing revenue bonds or notes for the above referenced project.

The Los Angeles Housing Department representatives present were Georgina Tamayo and Adam Miller. All representatives were present via teleconference as described in the Notice.

By 9:30 a.m. there were no other representatives from the public who made themselves available and no public comments were provided, so the meeting was adjourned.

I declare under penalty of perjury that this is a true and exact copy of the TEFRA public hearing meeting minutes regarding the above referenced projects held on December 24, 2024 at Los Angeles, California.

The City Hall Farmer's Market, sponsored by the Los Angeles River Artists and Business Association (LARABA), currently operates every Thursday from 10:00am to 2:00pm in the South Plaza of City Hall East. LARABA is seeking to change the day of operation to every Wednesday at the same location. An updated license agreement is required to make this change, and to address weekly pressure washing of the plaza.

I THEREFORE MOVE that the Department of General Services BE INSTRUCTED to negotiate a new license agreement with the Los Angeles River Artists and Business Association (LARABA) for the use of the South Plaza of City Hall for the City Hall Farmer's Market on Wednesdays between 10:00am and 2:00pm every week. This agreement should also stipulate that the costs of weekly pressure washing of the site are the responsibility of LARABA.

MOTION

Beginning in 2004, Council File 04-1646 evaluated and codified a policy of labor peace for any hotel on City-owned property.

As a part of that legislative process, the City Council further refined the direction by requesting the Los Angeles Department of Water & Power, Harbor Department, and Los Angeles World Airports to consider implementation of the labor peace requirement for hotels on lands controlled by those proprietary departments.

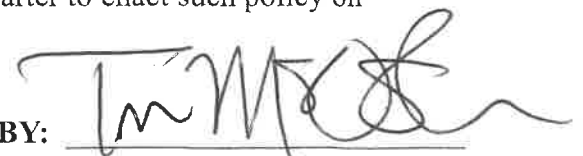

As incorporated into Los Angeles Municipal Code 7.200, the City deems it essential to protect its revenue-generating resources, especially its hotel developments. The City of Los Angeles has a financial and proprietary interest in hospitality operations that lease real property from the City. These operations base their lease, rental or license payments to the City in part on the revenue they generate. Therefore, it is essential that these operations conduct business efficiently and without interruption. The City has found that the efficient and uninterrupted operation of hospitality operations may be threatened by labor disputes. The City's investment in these operations must be shielded from any impact that labor disputes may have on the revenue of these hospitality operations. The City has further found that the City can only protect its investment by requiring its hotel operations lessees to sign contracts with the labor organizations that represent employees in the hospitality industry. These contracts should prohibit the labor organizations and its members from engaging in picketing, work stoppages, boycotts or other economic interference with the business of the hospitality operators, for the duration of their lease with the City.

Despite this important City policy and the 2005 request of our proprietary departments to adopt the same, it is not clear today how, or whether, the Port of Los Angeles has included the policies of labor peace in its actions on property under its responsibility.

I THEREFORE MOVE that the Port of Los Angeles and the City Attorney report on the implementation of the policy articulated in Ordinance No. 176580 for properties controlled by the Port of Los Angeles. This analysis should include the current status of implementation, if any, and specifically, whether the hotel labor peace has been codified into the Port of Los Angeles' Real Estate Policy, the Port of Los Angeles' Leasing Policy, or any other guiding documents adopted by the Port of Los Angeles.

I FURTHER MOVE that the City Council direct the Chief Legislative Analyst, with the assistance of the Port of Los Angeles, and in coordination with the City Administrative Officer and City Attorney, to report on an update or amendment to Article 4 to Chapter 3 of Division 7 of the Los Angeles Administrative Code that clarifies Ordinance 176580's requirements of labor peace agreements for hospitality operations in which and department of the City of Los Angeles has a proprietary interest, including the Port of Los Angeles. If necessary, this analysis should provide any path required to amend the Los Angeles City Charter to enact such policy on proprietary departments, including the Harbor Department.

The American Lung Association's State of the Air 2024 report ranked Los Angeles as the sixth most polluted metropolitan area in the United States when measured by annual particle pollution. Idling emissions from motor vehicles, especially those powered by gasoline or diesel, are a known source of these harmful pollutants. The impacts of particle pollution are well-documented and include increased rates of infant mortality, higher hospital admissions for heart disease, and more severe asthma attacks that require hospitalization. These risks are disproportionately borne by low-income communities and people of color. The community of Wilmington—located adjacent to the Port of Los Angeles—experiences a particularly high concentration of these harmful pollutants.

To address these public health risks and environmental inequities, the City of New York enacted the Citizen Idling Complaint Program in 2017. This program enables citizens who file complaints about idling commercial vehicles to collect 25% of subsequent fines. This innovative approach reduces air pollution, fosters public engagement, and helps combat the disproportionate impacts of pollution on vulnerable communities.

More innovative enforcement mechanisms, such as those in the City of New York, are needed to achieve cleaner air and healthier communities in Los Angeles. Implementing a Citizen Idling Complaint Program in Los Angeles could help address the City's persistent air quality challenges while empowering residents to take an active role in reducing pollution. Given the region's high levels of particle pollution and the significant health and environmental hazards faced by communities like Wilmington, such a program could make large positive impacts in the health outcomes of City residents.

I THEREFORE MOVE that the Council instruct the Department of Transportation, with the assistance of the Port of Los Angeles, Wilmington Neighborhood Council, and other important stakeholders, to report on the feasibility of enacting a program in Los Angeles, whether geographically focused or to be implemented citywide, similar to New York City's 2017 Citizens Air Complaint Program to address local air quality challenges.

In order to operate as a tobacco retailer in the City, businesses must obtain an annual Tobacco Retailer's Permit for each location where tobacco, tobacco products or tobacco paraphernalia are sold. In order to discourage the sale and distribution of tobacco products to minors, the City created the Tobacco Enforcement Program, which tracks problem vendors that violate laws, conducts compliance checks of tobacco retailers, and investigates and prosecutes tobacco retailers who do not operate with a permit. Tobacco retailers that violate the conditions of their Tobacco Retailer's Permit can be charged with a misdemeanor, and are subject to suspension of their tobacco permit, fines and/or jail.

According to several reports, some tobacco shops have been illegally selling products that are falsely mislabeled as "hemp" and contain trace amounts of THC, which is the psychoactive compound found in cannabis plants. Due to this false mislabeling, minors have been able to purchase these products, dangerously exposing them to hemp products containing THC. The intentional mislabeling of these products is a threat to public health and safety as the unlicensed cannabis products sold at tobacco shops are not being subject to the same quality control testing and standards as licensed cannabis dispensaries. Regulations surrounding cannabis products were created in order to ensure safe production practices and quality control testing for consumers. When cannabis products are not being properly tested, the public could become exposed to harmful substances such as lead and cadmium, both of which have harmful effects if ingested by consumers.

In response to these reports, emergency state regulations were adopted to protect the public from the adverse health effects of dangerous hemp products. These regulations outlawed any product with detectable levels of THC from being sold to the public, except for those sold at state-licensed cannabis dispensaries. In order for the City to be in compliance with the approved Emergency Regulations and to stop the illicit sale and consumption of mislabeled hemp products that contain THC, steps must be taken to notify and prevent tobacco shops from continuing to sell these products.

I THEREFORE MOVE that the City Council request the City Attorney to report on the necessary steps to issue a notice or cease and desist letters to all Tobacco Retailer Permit holders that warns them against selling mislabeled hemp products that contain trace amounts of THC, and informs tobacco retailers that they are in violation of the conditions of the Tobacco Retailer's Permit if they continue to sell these products.

The opioid crisis is the biggest humanitarian crisis of our time affecting communities across the Nation. In Los Angeles, it has become the most urgent public health concern with the City experiencing a rise in opioid-related deaths and hospitalizations. According to the Los Angeles County Department of Public Health, in 2023 more than 3,000 individuals lost their lives to drug overdose across the County.

Over the past decade, the misuse of prescription painkillers, heroin, and fentanyl has plagued communities. Fentanyl, a synthetic opioid 50 times more potent than heroin and 100 times more than morphine, has been a major contributor to this crisis. The drug's availability has led to a dramatic spike accounting for more than half of all alcohol and drug overdoses across the City, particularly in vulnerable areas like South Los Angeles where addiction is more prevalent. An updated analysis from the Los Angeles County Department of Public Health reported that the fentanyl-related deaths rose from 109 to 1,970 between 2016 and 2023. As opioid misuse continues to affect all demographics, the City faces an escalating burden on healthcare systems, law enforcement, and social services.

In response to the crisis, Los Angeles has implemented a variety of harm reduction strategies, including increasing access to naloxone—a medication that can reverse opioid overdoses, and expanding treatment options such as medication-assisted therapy. The widespread distribution and education on naloxone use is an essential step in combating this epidemic. By expanding access to naloxone, we can empower first responders, community members, and individuals to act swiftly and reduce fatalities, especially in poor neighborhoods where the death rate from fentanyl was at least twice as high.

Sufficient funds are available in the “Opioid Settlement” line item in the General City Purposes portion of the Budget which can be used for the distribution of naloxone survival kits to the vulnerable individuals and proactive measures to make communities safer from the opioid crisis.

I THEREFORE MOVE that the Council instructs the Chief Legislative Analyst to report on a pilot program for the distribution of naloxone in South Los Angeles and it be funded through the Opioid Settlement funding.

On April 21, 1982, a Covenant and Agreement was recorded with the Los Angeles County Registrar-Recorder (**Recorded Document No. 82-413151**) in connection with development restrictions for the property located at 10822 W. Wilshire Boulevard, Los Angeles, CA 90024. The Covenant and Agreement runs with the land, and **continues in effect unless it is released by authority of the Los Angeles City Council.**

Nearly 40 years later, on May 18, 2021, the Council approved (Council File No. 20-1624) the environmental clearance, a Sustainable Communities Environmental Assessment (SCEA), for the development of the *Belmont Village Senior Living Westwood II Project*, for the construction of a new 12-story Eldercare Facility at 10822 W. Wilshire Boulevard, the property site, in addition to the abutting property located at 10812 Ashton Avenue.

The Project retained the *Westwood Presbyterian Church* on the project site, with the demolition of an existing pre-school, Fellowship Hall, administrative office, surface parking lot and a single-family residence located at 10812 W. Ashton Avenue.

In addition, on February 22, 2022, the Council denied a Vesting Tentative Tract (VTT) appeal (Council File No. 20-1624-S1), and thereby approved the merger and re-subdivision of six lots into three lots. Lot 2 will accommodate the Eldercare Facility; Lot 1 will accommodate the Sanctuary; and Lot 3 will accommodate the Childcare Facility.

The land use entitlements approved included an Eldercare Facility Unified Permit; Conditional Use Permit; Design Review and Project Permit Compliance and the Vesting Tentative Tract Map. Thereafter, the project and the land use entitlements were challenged in court, and the **Court of Appeal upheld the City's approval of the Project and its entitlements** (*Westwood Neighbors for Sensible Growth v. City of Los Angeles*, Case No. B329768; *Dana Zinderman v. City of Los Angeles*, Case No. B329765).

The Covenant Agreement for the property located 10822 W. Wilshire Boulevard, Los Angeles, CA 90024, is no longer necessary or applicable.

I THEREFORE MOVE that the Council **RELEASE** *Westwood Presbyterian Church*, located at 10822 Wilshire Boulevard, Los Angeles, CA 90024, from the Covenant and Agreement recorded April 21, 1982 (**Recorded Document No. 82-413151**) with the Los Angeles County Registrar-Recorder, inasmuch as it is no longer necessary or applicable. The Covenant and Agreement runs with the land, and **continues in effect unless it is released by authority of the Los Angeles City Council.**

I FURTHER MOVE that the Council instruct the City Clerk, in consultation with the City Attorney, to transmit the Council's action to the Los Angeles County Registrar-Recorder for recordation.
