EXEMPTION, COMMUNICATION FROM THE CITY ATTORNEY and
ORDINANCE FIRST CONSIDERATION relative to the Fiscal Year (FY)
2025-26 Proposition K Assessment.

Recommendations for Council action, SUBJECT TO THE APPROVAL
OF THE MAYOR:

1. ACKNOWLEDGE that the City Council's action is exempt from the California Environmental Quality Act (CEQA) under Article II, Section 2.i. of the City's CEQA guidelines, because the underlying project has already been evaluated and processed in accordance with the City CEQA Guidelines, with respect to the project(s) in List 3 of Attachment 8 of the L.A. or Kids Steering Committee (LAFKSC) 2025-26 Proposition K Assessment Report dated April 11, 2025 (LAFKSC Report), attached to the Council file.
2. ACKNOWLEDGE that these are projects that may be considered for funding after CEQA compliance, and no further action is required at this time, with respect to the project(s) in List 5 of Attachment 8 of said LAFKSC Report.
3. PRESENT and ADOPT the accompanying ORDINANCE Confirming the Assessment, dated June 5, 2025, as prepared and transmitted by the City Attorney, confirming the assessments and approving the diagram for the District for FY 2025-26.
4. INSTRUCT the City Engineer to record a Notice of Assessment with the Los Angeles County Recorder.
5. APPROVE the 2025-26 Two-Year Plan for the L.A. for Kids Program and related schedules, as set forth in Attachments 1, 2, 3, 4 and 7 of said LAFKSC Report.
6. APPROVE the 2025-26 allocation of administrative funds up to the following amounts within Proposition K Fund No. 43M, for a total amount of \$561,953, as set forth in Attachment 7 of said LAFKSC Report:
 - a. Department of Public Works (PW) / Bureau of Engineering (BOE): \$214,290
 - b. PW / Board / Office of Accounting: \$165,623
 - c. Office of the City Administrative Officer (CAO): \$144,101

d. Office of the Chief Legislative Analyst (CLA): \$37,939

7. INSTRUCT the Information Technology Agency (ITA) to prepare the assessment file containing the assessment levy information confirmed by the City Council for 2025-26 for each parcel in the Assessment District, and make it available for the BOE to verify and transmit to the County of Los Angeles.

8. AUTHORIZE the City Engineer to negotiate and execute Proposition K grant agreements with grantees that are recommended for 2025-26 project allocations, as detailed in Attachment 1 of said LAFKSC Report, except for competitive projects awarded to City departments, subject to approval of the City Attorney.

9. AUTHORIZE the Controller to:

a. Set up accounts for the 2025-26 Proposition K assessment within the following Funds, pursuant to instructions to be provided by the CAO:

i. Proposition K Projects Fund No. 43K

ii. Proposition K Maintenance Fund No. 43L

iii. Proposition K Administration Fund No. 43M

b. Increase the 2025-26 appropriations for the ITA by \$50,000 from Proposition K Fund No. 43K/10, Account No. (TBD) – ITA, to Fund No. 100/32, Account No. 9350 – Communication Service Request.

c. Transfer cash from Proposition K Fund No. 43K/10, on an as-needed basis upon proper documentation from the ITA and approval by the BOE Program Managers and the CAO.

d. Transfer assessment revenues to the appropriate Program Funds in the approximate percentage distribution, and up to the amounts reflected below, for a Year 29 total amount of \$25,000,000:

- i. Proposition K Fund No. 43K/10 – Capital Projects;
Distribution: 78.65 percent; Year 29 Amount:
\$19,663,131
 - ii. Proposition K Fund No. 43L/10 – Maintenance;
Distribution: 19.10 percent; Year 29 Amount:
\$4,774,916
 - iii. Proposition K Fund No. 43M/10 – Administration;
Distribution: 2.25 percent; Year 29 Amount:
\$561,953
- 10. INSTRUCT the City Engineer, CAO, CLA, and Board of Public Works, Office of Accounting to submit journal voucher requests supported by documentation of work order charges for program administrative and project construction management staffing costs to the CAO.
 - 11. INSTRUCT the Department of General Services (GSD) and the Department of Recreation and Parks (RAP) to submit expenditure reports to the BOE and the CAO on a monthly basis.
 - 12. AUTHORIZE the City Engineer to make technical corrections to the City Engineer's Report, attached to the Council file, to reflect the intent of those transactions.
 - 13. AUTHORIZE the CAO to make funding adjustments and prepare technical adjustments as needed to fully commit annual assessment funds and carry out the intent of this Council action; and, authorize the Controller to implement those technical adjustments.
 - 14. AUTHORIZE the Controller, pursuant to instructions to be provided by the CAO, to revert residual funds within Proposition K Funds to the originating Proposition K project accounts for projects completed by the GSD and the RAP as part of ongoing project closeout activities.

Fiscal Impact Statement: The LAFKSC reports that adoption of an Ordinance and Resolution of Intention to Levy the Proposition K: L.A. for Kids Assessment for FY 2025-26 indicates the Council's intention to levy assessments totaling \$25 million to acquire and construct park and recreational and cultural facilities serving youth. The assessment can only be used for capital improvements, acquisition of land, Proposition K Program administration and maintenance of completed projects. The operating cost for Proposition K projects completed in future years will be funded by the annual operating budget adopted for City departments and with independent funding for projects operated by external entities. For FY 2025-26, \$5.33 million in General Fund reimbursements are anticipated for program administration (\$0.56 million) and maintenance (\$4.77 million), as identified in the findings, Section 3 of said LAFKSC Report.

The RAP reports that an annual fiscal impact of \$6.54 million once active Proposition K projects, currently in various stages of development, become operational over future years. This includes \$2.24 million for maintenance and \$4.30 million for operations, as detailed in Attachments 5 and 6 of said LAFKSC Report. The fiscal impact for completed projects will be partially offset by Proposition K maintenance funding. However, this annual offset will no longer be available once the Proposition K Program ends in 2026-27. In 2024-25, the RAP will receive an award of \$4.1 million for current year maintenance awards, as detailed in Attachment 9 of said LAFKSC Report.

Financial Policies Statement: The LAFKSC reports that the recommended actions comply with the City's Financial Policies as one-time revenues are being used for one-time projects.

Community Impact Statement: None submitted

(Pursuant to Council action of April 30, 2025)

Council took no action inasmuch as the public hearing for the Item was scheduled on June 11, 2025, as noted in Ordinance of Intention No. 188601.

Items for which Public Hearings Have Been Held

(12) **25-0600-S31**

BUDGET AND FINANCE COMMITTEE REPORT and AUTHORIZING RESOLUTION relative to the issuance and sale of the 2025 Tax and Revenue Anticipation Notes (TRAN) for Fiscal Year 2025-26 in an aggregate principal amount not to exceed \$1.7 billion, execution of related documents and actions, and temporary interfund borrowing to meet general fund cash flow needs.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. ADOPT the accompanying AUTHORIZING RESOLUTION, included as Attachment A of the City Administrative Officer (CAO) report dated May 29, 2025, attached to the Council file, authorizing the issuance and sale of the 2025 TRAN in an aggregate principal amount not to exceed \$1.7 billion, and the execution and delivery of various documents and actions in connection therewith.
2. AUTHORIZE and REQUEST the Controller and the Treasurer to make temporary transfers, as necessary to provide funds for meeting obligations of the City, from any of the funds in the List of Funds included as Attachment B of said CAO report, during Fiscal Year 2025-26, in accordance with provisions of Section 340(b) of the City Charter, provided that no such transfers shall be made after the last Monday in April; and, provided further that the total of such transfers shall not exceed \$375 million in aggregate.

Fiscal Impact Statement: The CAO reports that there is no additional fiscal impact expected as the 2025-26 Adopted Budget includes funding for the repayment of the TRAN and the interest on any special revenue fund borrowing. The estimated total TRAN debt service cost is \$1.57 billion, which the City will repay from collected General Fund revenues and taxes from Fiscal Year 2025-26. The estimated savings and interest costs may differ as actual interest rates are dependent on market conditions at the time of issuance.

Financial Policies Statement: The CAO reports that the recommendations in the report comply with the City's Financial Policies as the recommended actions use current revenues and balances to pay for current operations.

Debt Impact Statement: The CAO reports that there is no impact to the City's debt capacity as this transaction represents a short-term borrowing, which the City will repay within the same fiscal year. Therefore, the TRAN does not affect the limit of 15 percent of Total Direct Debt Service to General Revenues or the limit of six percent of Non-Voter Approved Debt Service to General Revenues.

BUDGET AND FINANCE COMMITTEE REPORT relative to the Fourth (Year-End) Financial Status Report (FSR) for Fiscal Year (FY) 2024-25.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. APPROVE the recommendations contained in the City Administrative Officer (CAO) report dated May 30, 2025, attached to Council file No. 24-0600-S121, relative to the Fourth (Year-End) FSR for FY 2024-25.
2. TRANSFER \$150,000 from Unappropriated Balance Fund No. 100/58, Account No. 580439 (2025 Windstorm and Wildfire After Action Report), to Council Fund No. 100/28, Account No. 003040 (Contractual Services), for the Chief Legislative Analyst to procure an outside entity to prepare a comprehensive, independent After Action Report regarding the January 2025 windstorm and wildfires, pursuant to Council file No. 25-0006-S1.
3. AMEND the second transaction for El Pueblo on page 1 of Attachment 5 of said CAO report to revise the source accounts for the General Services Department appropriation within the El Pueblo de Los Angeles Historical Monument Revenue Fund No.

737/33 to transfer \$180,000 from General Services Fund No. 100/40, Salaries General Account No. 001010, and \$70,000 from General Services Fund No. 100/40, Salaries As-Needed Account No. 001070, to properly align the appropriation reduction with available funding.

4. AMEND Recommendation No. 37 of said CAO report to add the following transaction as Recommendation No. 37.f.:

Reappropriate up to \$4,730,000 from the unencumbered balance available within Leasing Fund No. 100/63, General Fund Leasing Account No. 000024, in the same amount and into the same account as exist on June 30, 2025 for the completion of tenant improvements at 62330 Gramercy Avenue.

5. ADD the following instructions relative to the Department of Aging's Health Insurance Counseling and Advocacy and CalFresh programs inasmuch as these actions must take place before the close of the fiscal year to address current year expenditures:

- a. Transfer \$50,425 from the Department of Aging's Health Insurance Counseling and Advocacy Program (HICAP) Fund No. 47Y/02, Account No. 02A932, Aging Adm. - Future Yr. to the HICAP Fund 47Y/02, Account No. 02A102, Aging, to cover the grant period from April 1, 2024 through March 31, 2025, and subsequently appropriate \$50,425 therefrom to the Department of Aging Fund No. 100/02, Account No. 001010, Salaries General.

- b. Transfer \$26,892 from the Department of Aging's Supplemental Nutrition Assistance Program (SNAP) Education Fund No. 57E/02, Account No. 02W982, CalFresh Expense Adm., to the SNAP Education Fund No. 57E/02, Account No. 02A102, Aging, to cover the grant period ending September 30, 2025, and subsequently appropriate \$26,892 therefrom to the Department of Aging Fund No. 100/02, Account No. 001010, Salaries General.

6. CHANGE the amount transferred under Section c. of page 27 of said CAO report as follows:

Transfer \$52,500 from the General City Purposes Fund No. 100/56, Account No. 000A28, Council Projects, to the Police Department Fund No. 100/70, Account No. 001092, Overtime Sworn for additional enforcement of parties and noise complaints in the Hollywood Hills area in 2025-26.

Fiscal Impact Statement: The CAO reports that in said report a total of \$68.31 million in projected over-expenditures has been identified. The CAO recommends transfers, appropriations, and other budgetary adjustments totaling \$604.94 million in Sections 1, 2, 6, and 7 of said report.

Financial Policies Statement: The CAO reports that recommendations in said report comply with the City's Financial Policies as the recommended transactions use current revenues and balances to pay for current operations.

BUDGET AND FINANCE COMMITTEE REPORT relative to authorization for 2024-25 year-end Reserve Fund borrowing.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE the Controller to process Reserve Fund borrowing for each departmental budget authority (appropriation) up to \$50,000 or one percent of said budget authority, whichever amount is greater, to cover any circumstances where departmental expenditures exceed appropriations at year-end closing.

2. REQUEST the Controller and INSTRUCT the City Administrative Officer (CAO) to work with departments to cancel encumbrances where expenditures and encumbrances exceed either appropriations or available receipts.
3. REQUEST the Controller to include in the Preliminary Financial Report to the Mayor and Council a list of year-end Reserve Fund advances resulting from this authority.

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to a Supplemental Memorandum of Agreement between the Bureau of Sanitation (BOS) and the California Association of Sanitation Agencies for Phase 2B of the Wastewater Flow and Load Study.

Recommendation for Council action:

AUTHORIZE the Board of Public Works, on behalf of the BOS, to execute the Supplemental Memorandum of Agreement between the City and the California Association of Sanitation Agencies for completion of Phase 2B of a Wastewater Flow and Load Study, by increasing the term by six months from the date of full execution, and increasing the total compensation by \$158,232, from \$1,706,827 to \$1,865,059, subject to approval by the City Attorney and compliance with the City's contracting requirements.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that there is no projected impact to the General Fund from approval of the above recommendation. The total additional amount of \$158,232 in funding required for the Supplemental Agreement to

complete Phase 2B of the Wastewater Flow and Load Study and will be provided by the BOS from the Sewer Construction and Maintenance Fund.

Financial Policies Statement: The CAO reports that the above recommendation complies with the City's Financial Policies in that special funds are used to fund applicable expenditures, financial obligations are limited to appropriated and available funds, and that expenditures of special funds are limited to the mandates of the funding source.

HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to requesting the Los Angeles Housing Department (LAHD) to report on performance measures the new Bureau of Homelessness Oversight (Bureau) will use to assess impact related to the City's investments in citywide outreach, interim housing, permanent supportive housing and time-limited subsidies; and related matters.

Recommendations for Council action, as initiated by Motion (Raman - McOsker):

1. INSTRUCT the LAHD to report to Council within 30 days on:
 - a. The performance measures that the new Bureau will use to assess impact related to the City's investments in citywide outreach, interim housing, permanent supportive housing, and time-limited subsidies.
 - b. The data sources and verification mechanisms that the Bureau will use for each performance measure.
 - c. The Bureau's plan to regularly report data on these performance measures to the Homeless Strategy Committee, the Council and to the public.
 - d. The data systems to which the Bureau will need access in order to verify data and conduct performance oversight.
 - e. A plan outlining how data on these performance measures will be used to improve housing outcomes and system throughput for people experiencing homelessness, including identifying barriers, informing resource allocation and supporting continuous performance improvement.
2. REQUEST the City Attorney to prepare and present an ordinance that exempts the creation of new positions and functions of the Bureau from Executive Directive Three (ED 3), Villaraigosa Series; and, INSTRUCT the City Administrative Officer (CAO) and the LAHD to instead submit reports to the Mayor and Council simultaneously for matters pertaining to the Bureau, as an exemption to ED 3.

MOTION

Since Friday, June 6, 2025, Federal Immigration and Customs Enforcement (ICE) has carried out raids in and around the City of Los Angeles that have led to Angelenos being detained in Federal facilities. As a Sanctuary City", it is incumbent upon this municipality to not only prevent City resources from aiding immigration enforcement, but to prioritize protecting and defending those who have been subjected to operations like we have seen over the past four days.

Beginning in 2017, the City has been a financial contributor, along with the County of Los Angeles, the California Community Foundation, and the Weingart Foundation, to "RepresentLA", formerly known as the "Justice Fund". Historically, the City has contributed \$2,000,000 toward the program, which provides legal representation via non-profit organizations for undocumented individuals and families facing removal proceedings. For Fiscal Year 2025-26, however, the City allocated only \$1,000,000.

This type of legal representation, as well as any other resources available to help undocumented Angelenos, is one of the most immediate and dire needs our City currently faces. With no indication that these ICE operations will cease, we must prioritize our precious city dollars toward programs with a tangible impact on those Angelenos who are most vulnerable.

I THEREFORE MOVE that the City Council determine, as provided in section 54954.2(b)(2) of the Government Code, and pursuant to **Rule 23** of the Rules of the City Council, that there is a need to take immediate action on this matter AND that the need for immediate action came to the attention of the City subsequent to the posting of the agenda on Friday, June 6, 2025 for today's Council meeting.

I FURTHER MOVE that the City Administrative Officer (CAO) report within 3 days on options to increase the City's contribution to RepresentLA by at least \$1,000,000. The report should include recommendations for funding transfers that can take place before the beginning of the new fiscal year for a portion of, or the full amount requested.

Council District 14 has seen a large number of demonstrations and actions in Downtown Los Angeles, some of which have led to significant impact on its neighborhoods, including on its residents and small businesses. Various needs have arisen, from facade repairs to fortification measures, as well as graffiti removal from both private and public property.

I THEREFORE MOVE that the City Council determine, as provided in section 54954.2(b)(2) of the Government Code, and pursuant to **Rule 23** of the Rules of the City Council, that there is a need to take immediate action on this matter AND that the need for immediate action came to the attention of the City subsequent to the posting of the agenda on Friday, June 6, 2025 for today's Council meeting.

I FURTHER MOVE that the City Administrative Officer (CAO), the Economic and Workforce Development Department (EWDD), and the Community Investment for Families Department (CIFD) report within 3 days on City our outside funds eligible to be utilized for assistance programs for communities impacted by civil disturbance, and specifically those communities' local small businesses. The report should include guidance on the various mechanisms by which funding can be distributed, including but not limited to grants, reimbursements, and direct cash assistance, and the use of the Source Center system.

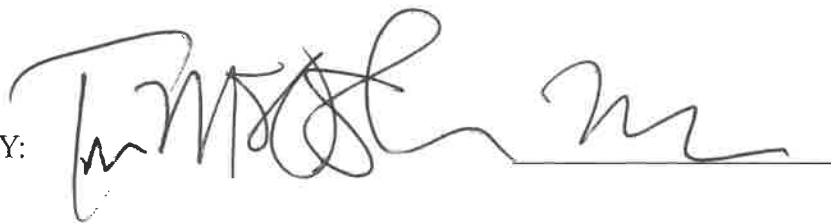

I FURTHER MOVE that the CAO and the Office of Community Beautification (OCB) report within 3 days with recommendations to increase funding for graffiti removal and prioritize areas impacted by civil disturbance for service. This report should include an analysis of the applicability of all funds intended for public safety.

As a result of a water service line leak on January 9, 2024, near 1816 Sunset Plaza Drive within the area of Council District 4, the slope adjacent to the street experienced erosion. The repair of the slope is critical to the integrity of the roadway in this hillside area.

The Los Angeles Department of Public Works-Bureau of Engineering (BOE) is providing assistance to Los Angeles Department of Water and Power (LADWP) to repair the street and stabilize the slope. BOE will provide project management, design, construction management, and related services to oversee and perform the repairs. BOE will utilize their prequalified on-call construction contracts to perform the repair.

Action is needed to approve a transfer of funds totaling \$1,087,000 from LADWP to BOE to reimburse City staff for project management, design, construction management, and construction costs associated with the repair. BOE will solicit competitive bids from its prequalified on-call construction contractors list to perform the repair.

I THEREFORE MOVE that Council District 4 approve the contribution/payment/transfer of \$1,087,000 from LADWP Fund No. 705, Department No. 98, Blanket Authority No. 3172-5 into a new appropriation unit within the Engineering Special Services Fund, Fund No. 682, Department No. 50 (682/50) entitled *Sunset Plaza Drive (1816) Bulkhead - LADWP*, for services associated with damage assessment, engineering design, project management, and construction costs to repair the damage to the slope along Sunset Plaza Drive and repair the roadway. Any remaining funds in the Sunset Plaza Drive (1816) Bulkhead – LADWP account shall be returned to LADWP.

I FURTHER MOVE that BOE be authorized to make any corrections, clarifications, or revisions to the above fund transfer instructions, including any new instructions in order to effectuate the intent of this Motion, and any corrections and changes to fund or account numbers; said corrections/clarification/changes may be made orally, electronically, or by any other means.

MOTION**TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED****#54**

On November 14, 2023, Council adopted a City Administrative Officer (CAO) report, dated October 12, 2024, instructing the Los Angeles Police Department, Commission Investigation Division (CID), to implement a vehicle recycling program (VRP) (C.F. 22-1324). CID issued a request for proposals (RFP) to identify an auto dismantler to dispose of unsafe and unclaimed vehicles, including recreational vehicles (RVs), but the RFP proved unable to secure a qualified vendor. As a result, CID executed a sole-source contract with SA Recycling (C-144631) to implement vehicle recycling under the VRP.

On February 18, 2024, Council adopted a CAO report, dated January 31, 2024, which approved funding for the VRP in the amount of \$750,000 (C.F. 22-1324). A CID report, dated May 23, 2024 (C.F. 22-1324), informed that 486 total vehicles had been authorized for dismantling and recycling under the VRP, and that Council Offices had allocated an additional \$400,000 to support VRP activities within their respective Districts. A subsequent CAO report, dated August 1, 2024, informed of over 600 total vehicles dismantled under the VRP (C.F. 22-1313). Council later adopted Motion (Rodriguez-Blumenfield) to provide an additional \$2 million funding allocation to support VRP activities in Fiscal Year 2024-25 (C.F. 24-0863). To date, CAO reports that a total of 1,658 vehicles, including 1004 RVs, have been recycled under the VRP.

CID reports that the 2025-26 Adopted Budget provides \$3 million in funding for the VRP Citywide. However, funds relative to Fiscal Year 2024-25 are exhausted, and new funding will not be available for use by the program until July 1, 2025. It is thus necessary to provide gap funding to support ongoing VRP activities in Council District 3 through the end of the fiscal year.

I THEREFORE MOVE that the Council transfer / appropriate \$50,000 from General City Purposes Fund No. 100-56, Account No. 0617 (Additional Homeless Services - Council District 3) to Police Department Fund No. 100-70, Account No. 003040 (Contractual Services) for recycling and dismantling of vehicles that are eligible for salvage in Council District 3 .

I FURTHER MOVE that the Council authorize the Police Department to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.

RESOLUTION

WHEREAS, on August 13, 2024, the Council adopted an Interim Control Ordinance (ICO), **Ordinance No. 188333 (Council File No. 23-0917)**, which became effective on August 16, 2024, and temporarily prohibits the issuance of demolition permits on rent stabilized multi-family housing (RSO) and covenanted affordable housing units in the Boyle Heights Community Plan area, in order to protect the public health, safety, and welfare of residents and stakeholders within the Boyle Heights community; and

WHEREAS, on September 25, 2024, the Council extended the ICO Ordinance No. 188333, imposing temporary interim regulations prohibiting the demolition of rent stabilized and covenanted affordable housing units for an extension period of 10 months and 15 days, inasmuch as a report was filed by the Planning Department pursuant to Government Code Section 65858(d) and Council has adopted the report as its own describing the measures that have been taking thus far toward the adoption of permanent land use regulatory controls; and

WHEREAS, the adoption of Ordinance No. 188333, was necessary to protect the public health, safety, and welfare of the residential neighborhoods within the Boyle Heights Community Plan Area; where the average household income is significantly lower than the citywide-average; and because the majority of residents within the Boyle Heights Community Plan area are renters experiencing surging rents; and with the ongoing loss or removal of rent stabilized units (RSO); this ICO is intended to temporarily safeguard existing households while an update to the community plan is underway, which has been recommended for approval by the Mayor and by the City Planning Commission; and

WHEREAS, the Boyle Heights Community Plan was initially adopted on September 25, 2024 and the City Attorney and Department of City Planning are in the process of drafting the implementing ordinances for finalization before becoming operative, **an additional extension period of one year of Ordinance No. 188333 is necessary to conduct this work;** and

WHEREAS, the City Council finds there is a current and immediate threat to the public safety, health, and welfare and that the approval of additional subdivisions, use permits, variances, building permits, or any other applicable entitlement for use which is required in order to comply with a zoning ordinance would result in that threat to public health, safety, or welfare; and

WHEREAS, on June 5, 2025 a report was filed by the Planning Department pursuant to Government Code Section 65858(d) and that Council has adopted the report as its own describing the measures that have been taken thus far towards the adoption of permanent land use regulatory controls, **and Interim Control Ordinance No. 188333 will expire on August 14, 2024, unless the additional one year extension is adopted,** pursuant to Government Code Section 65858(a); and

JUN 10 2025

NOW, THEREFORE, BE IT RESOLVED, that by adoption of this Resolution, **the Council hereby extends the provisions of Ordinance No. 188333** imposing temporary interim regulations prohibiting the issuance of demolition permits on rent stabilized multi-family housing and covenanted affordable housing units in the Boyle Heights Community Plan area; **for an extension period of one year**, inasmuch as the appropriate City agencies and officials are exercising due diligence and actively working towards the adoption of the appropriate permanent land use regulatory controls.

The Los Angeles Fire and Police Veterans Association (LAFPVA) is an employee association and a 501(c)3 non-profit organization formed by Fire and Police Department personnel who have served or are currently serving in the armed forces. The mission of the LAFPVA is to support military veterans in the Fire and Police Departments through education about benefits they have earned through their service to the country, and to facilitate access to those benefits for eligible employees. In addition, the LAFPVA provides individuals leaving the military that are interested in employment in the Fire or Police Departments information on educational, testing and training opportunities available to them, and provides veterans in the workforce with assistance on educational opportunities and career development.

The LAFPVA is requesting the ability to seek voluntary payroll deductions from members of their organization in order to support its mission. Los Angeles Administrative Code Section 4.203 authorizes recognized employee organizations to receive contributions from employees through voluntary payroll deductions. Given the mission of the LAFPVA, it would be appropriate to allow this organization to solicit and collect payroll contributions from its members in order to fund their important work.

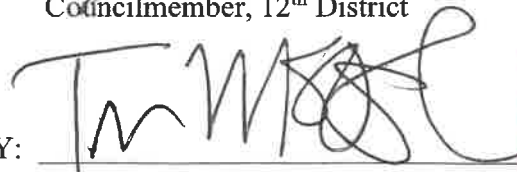

I THEREFORE MOVE that the Controller be authorized to work with the Los Angeles Fire and Police Veterans Association (LAFPVA) to establish a voluntary payroll deduction program enabling members of the organization to authorize payroll deductions to support their organization.

I FURTHER MOVE that the City Attorney be requested to prepare and present an ordinance amending Los Angeles Administrative Code Section 4.203 to authorize voluntary payroll deductions for the LAFPVA.

Last week, Los Angeles became the focus of intense federal immigration enforcement following a series of large-scale ICE raids. Beginning on June 6, Immigration and Customs Enforcement (ICE) agents conducted coordinated operations targeting multiple locations in neighborhoods including the Fashion District, Westlake, and South Los Angeles. The raids focused on workplaces such as Home Depot and clothing wholesalers, resulting in the detention of dozens of workers. The operations were marked by the use of stun grenades and flash-bang devices, escalating tensions on the ground.

The immediate impact of the ICE raids triggered widespread protests across various parts of the city, and while the majority of protests have been peaceful, there have also been reports of vandalism, arson, and looting. Demonstrators gathered in significant numbers, expressing outrage at what they described as aggressive and inhumane immigration tactics. The protests quickly escalated, with clashes between law enforcement and demonstrators.

Though it is still early to assess the full scope of the situation and it remains dynamic, it is critical that the Los Angeles Police Department conduct a thorough after-action review of the incidents.

I THEREFORE MOVE that the Chief of Police TRANSMIT the formal after-action report detailing the events leading up to, and the Police Department's response during the protests that occurred in response to federal immigration enforcement raids. This after-action report should include an analysis of all use-of-force incidents.

RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state, or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, many California Community College students face the threat of deportation, jeopardizing their educational future; and

WHEREAS, AB 695 (Fong) would provide flexible online education, offering a practical way for students to continue their studies from their country of origin; and

WHEREAS, supporting uninterrupted education reflects the state's commitment to accessibility and equity; and

WHEREAS, this bill would exempt a community college student from paying nonresident tuition if they were deported due to immigration enforcement and were not paying nonresident tuition before their removal; and

WHEREAS, providing online education to former undocumented California students in their country of origin offers multiple benefits for the state, supporting educational access while promoting broader social and economic gains; and

WHEREAS, some students may eventually return to the United States with legal status, contributing valuable skills and education to California's workforce; and

WHEREAS, facilitating the success of these students can contribute to global development, mitigate economic disparities, and alleviate migration pressures; and

WHEREAS, AB 695 (Fong) would establish the California Community College Access and Continuity for Deported Students Act, creating a process that enables deported California Community College students to continue their education online after leaving the United States;

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2025-2026 State Legislative Program SUPPORT for AB 695 (Fong) which would create the California Community College Access and Continuity for Deported Students Act, to support students facing immigration enforcement actions and allow them to continue their education online through California Community Colleges.

MOTION

At the moment of this motion's introduction, multiple Federal agencies are stationed in Los Angeles, including Homeland Security forces, Immigration and Customs Enforcement forces, and 2,000 troops from California's National Guard. Reports have surfaced of Marines staging nearby in case of deployment.

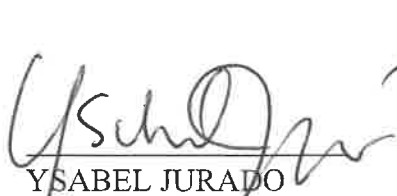

As this Federal political theater plays out, the safety of City facilities must be given special consideration for the sake of both City employees and the public. That safety includes physical precautions, emergency protocols, and City staff being aware of all of their rights and responsibilities while on City property.

I THEREFORE MOVE that the General Services Department (GSD) report within 3 days in Executive Session on the security infrastructure in place in City facilities - including City Hall, Council Field Offices, Department offices, parking lots and garages, and public service counters - to ensure the safety of City personnel and to prevent unlawful entry by Federal entities.

I FURTHER MOVE that the Los Angeles Police Department (LAPD) report within 3 days in Executive Session on the security protocol for City facilities, including that provided by LAPD as well as contract security, as relates to preventing unlawful entry by Federal entities. The report should include policy measures that need to be developed to ensure that security protocol does not harm civilians.

I FURTHER MOVE that the City Council request the City Attorney to report within 3 days in Executive Session on the legal parameters around denial of entry to City facilities to Federal entities, including the specific rights of City employees to refuse entry and guidance for implementation.

RESOLUTION

RULES, ELECTIONS, INTERGOVERNMENTAL RELATIONS

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, according to the State Legislative Analyst's Office, roughly 60 percent of California's community college students have faced housing insecurity, and almost 25 percent have experienced homelessness; and

WHEREAS, community college districts do not have the same authority to override local zoning that currently benefits the University of California (UC) and California State University (CSU) systems; and

WHEREAS, currently pending before the State Senate is AB 648 (Zbur), as amended on May 5, 2025, which would exempt the construction of faculty and staff housing projects, student housing projects, and university housing development projects, as defined, from local zoning regulations of any city and/or county when constructed on property owned or leased by a community college district if specific requirements are met; and

WHEREAS, in order to exempt a project pursuant to this bill, AB 648 (Zbur), as amended on May 5, 2025, requires the parcel on which the project will be constructed to be contained wholly or partially within a one-half mile of either a main campus, as defined, or a satellite campus that existed before July 1, 2025; and

WHEREAS, the City should support AB 648 (Zbur) as it will help address housing insecurity and homelessness among community college students and staff, and ensure that community colleges continue to provide a critical pathway for marginalized students seeking access to higher education and economic mobility, while also addressing the State's broader housing crisis by increasing the supply of affordable housing in local communities; and

WHEREAS, AB 648 (Zbur) is supported by numerous community colleges and community college districts, including the Los Angeles Community College District and Los Angeles City College (LACC);

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2025-2026 State Legislative Program **SUPPORT for AB 648 (Zbur)**, as amended on May 5, 2025, which would exempt the construction of faculty and staff housing projects, student housing projects, and university housing development projects, as defined, from local zoning regulations of any city and/or county when constructed on property owned or leased by a community college district if the parcel on which the project will be constructed meets either of the following requirements: (1) The parcel is contained either wholly or partially within a one-half mile radius of a main campus; (2) The parcel is contained either wholly or partially within a one-half mile radius of a satellite campus that existed before July 1, 2025.

Donald Shoup, a professor of urban planning at UCLA for 50 years, died on February 6, 2025. Shoup authored the landmark 2005 book The High Cost of Free Parking. His academic research and writing focused on the issue of parking and how arbitrarily-created, government-imposed minimum parking requirements both drive up the cost of development and result in cities that are oriented toward cars rather than people.

This results in unsafe streets and increased traffic deaths and injuries; buildings surrounded by parking lots instead of compact, walkable commercial districts; and more expensive housing.

Shoup's work has led many local governments to change their parking policies. It would be a fitting legacy for Los Angeles—the place where Donald Shoup spent his career—explore the feasibility of eliminating parking minimums for changes of use and for new development.

To be clear, Shoup did not contend that new development should not provide parking. Rather, he demonstrated that governments are ill-equipped to determine how many parking spaces a business actually needs; that parking requirements embedded in most zoning codes were either derived from studies at a handful of suburban or rural locations where virtually every visitor has no choice but to drive, thus overstating parking demand in areas where people have other travel options, or simply copied from another jurisdiction. For example, the City of Los Angeles requires five times as much parking for a gym than it does for a yoga studio; and twice as much parking for an art gallery than for a barber shop. Our parking requirements are not rational.

Shoup concluded that the people who develop properties and the institutions that finance development—who are literally deeply invested in the economic success of the properties, *i.e.*, their ability to rent apartments or commercial space—are best positioned to determine how much parking a project should provide.

More than 3,000 cities have adopted at least some of Shoup's suggested parking reforms, including Los Angeles. In response to the COVID pandemic, the City adopted the Emergency Ordinance, which promotes adaptive reuse of existing buildings by allowing changes of use without triggering additional parking requirements. This has worked well for both businesses and their customers, and has not had adverse impacts on neighborhoods.. Through legislation such as AB 2097, the State of California has eliminated parking requirements near major transit stops. However, many cities have gone beyond Los Angeles and eliminated parking requirements citywide, including San Francisco, San Jose, and Sacramento.

While it is true that most people in Los Angeles own cars and drive, it is not true that everyone does so. According to the American Community Survey, there are approximately 770,000 households in Los Angeles with zero or only one vehicle, more than half of all households. There are approximately 480,000 single-person households in the City of Los Angeles (31.5% of the total), who are unlikely to need more than one vehicle. Self-driving vehicles already provide transportation from Downtown to the ocean, and will continue to proliferate, reducing the need for personal vehicles. However, our standard parking requirements are based on the flawed assumption that nearly every household has at least two cars; and that everyone drives for nearly all of their trips. Just as we allow people to select how many

JUN 10 2025

bedrooms and bathrooms they want in the apartments they rent, we could allow them to select how many parking spaces they need.

Moreover, Los Angeles suffers from a severe housing affordability crisis. One of Shoup's most important contributions to the public discourse on parking requirements was to highlight just how much parking spaces can cost. Underground parking can cost more than \$50,000 per space to construct, and thus can add more than \$100,000 to the cost of a housing unit. We must find ways to reduce the cost of constructing new housing, and eliminating parking requirements is one way to do so. It bears repeating that those who construct new housing have every incentive to rent (or sell) that housing, and will provide the amounts of parking necessary for them to do so.

Brick-and-mortar retail stores and restaurants struggle to keep their doors open, due to economy-wide shifts toward on-line shopping and delivery services as well as local ordinances and policies. Amazon is not required to provide parking for its delivery vehicles that flood many of our neighborhoods, and neither are pop-up restaurants that operate under our sidewalk vending rules. We should level the playing field to support local businesses and neighborhood commercial districts.

Although State laws such as AB 2097 preclude the City from imposing parking requirements in areas near major transit stops, a citywide approach offers advantages. The routes and frequency of transit service can shift over time, which can be due to fiscal challenges at Metro or other transit providers rather than a change in demand. Instead of requiring a determination from Planning or Building & Safety about whether AB 2097 or some other exemption applies at some point in the process, a developer can—from the start—design a project based on its actual parking needs. In short, a citywide rule ensures consistency and predictability.

I THEREFORE MOVE that the Department of City Planning, in consultation with the Department of Building & Safety, be INSTRUCTED to report with recommendations regarding the feasibility and cost-benefit analysis of citywide elimination of off-street parking requirements for new development and changes of use.

One of the longest-running community safety programs the City of Los Angeles has invested in is the Office of Gang Reduction and Youth Development (“GRYD”), founded in 2007 by then-Mayor Antonio Villaraigosa, focusing on care, prevention, and intervention. For the past 18 years, GRYD has proven violence interruption and de-escalation to be powerful, effective ways to create safety and prevent situations from becoming out of control.

Since GRYD’s inception, the City has taken further steps toward a care-driven approach, as opposed to traditional enforcement. We now have multiple unarmed crisis response programs, and we have utilized resources such as graffiti abatement to prevent gang escalation, as well as measures like speed tables and protected bike lanes to prevent traffic violence.

Increasingly, the City has embraced the idea of public safety as more than law enforcement and traditional emergency response. In this time when the Federal government is deploying its law enforcement and military resources to attack our immigrant communities and sow fear, distrust, and chaos, we must embrace even more deeply a holistic view of public and community safety.

I THEREFORE MOVE that the Chief Legislative Analyst (CLA) report within 3 days with an accounting of all de-escalation and violence interruption resources at the City of Los Angeles’s disposal, including existing trainings and service provision contracts. The report should also provide recommendations on how best to redeploy those resources to meet the needs of Angelenos during the recent deployment of Federal agencies.
