Fiscal Impact Statement: The LAFKSC reports that adoption of an Ordinance and Resolution of Intention to Levy the Proposition K: L.A. for Kids Assessment for FY 2025-26 indicates the Council's intention to levy assessments totaling \$25 million to acquire and construct park and recreational and cultural facilities serving youth. The assessment can only be used for capital improvements, acquisition of land, Proposition K Program administration and maintenance of completed projects. The operating cost for Proposition K projects completed in future years will be funded by the annual operating budget adopted for City departments and with independent funding for projects operated by external entities. For FY 2025-26, \$5.33 million in General Fund reimbursements are anticipated for program administration (\$0.56 million) and maintenance (\$4.77 million), as identified in the findings, Section 3 of said LAFKSC Report.

The RAP reports that an annual fiscal impact of \$6.54 million once active Proposition K projects, currently in various stages of development, become operational over future years. This includes \$2.24 million for maintenance and \$4.30 million for operations, as detailed in Attachments 5 and 6 of said LAFKSC Report. The fiscal impact for completed projects will be partially offset by Proposition K maintenance funding. However, this annual offset will no longer be available once the Proposition K Program ends in 2026-27. In 2024-25, the RAP will receive an award of \$4.1 million for current year maintenance awards, as detailed in Attachment 9 of said LAFKSC Report.

Financial Policies Statement: The LAFKSC reports that the recommended actions comply with the City's Financial Policies as one-time revenues are being used for one-time projects.

Approval of the proposed fees will increase revenue in the Cannabis Regulation Special Revenue Trust Fund by approximately \$7.8M million FY 2025-26. If the fees for special services are not set at full cost recovery, General Fund monies will need to be appropriated to subsidize the DCR's cost of providing special services.

Financial Policies Statement:

The CAO reports that the May 28, 2025 CAO report, attached to the Council File, is in compliance with the City's Financial Policies.

TRANSPORTATION COMMITTEE REPORT relative to a proposed a Sixth Amendment to Contract No. C-124676 between the Los Angeles Department of Transportation (LADOT) and Modaxo Traffic Management USA, Inc. (formerly Conduent State and Local Solutions, Inc.), for parking citation processing and collection services.

Recommendations for Council action, as amended:

1. APPROVE the proposed Sixth Amendment to Contract No. C-124676 with Modaxo Traffic Management USA, Inc. (formerly known as Conduent State and Local Solutions) to continue parking citation processing and collection services with a 2.8 percent compensation increase for three months, retroactive from December 26, 2024 to August 15, 2025, with the option to extend month-to-month for up to six months until a new contract is executed, subject to the approval of the City Attorney as to form.
2. INSTRUCT the Los Angeles Department of Transportation (LADOT) to report on existing protocols that safeguard the privacy of individuals who receive citations, including any data retention policies and regulations that prevent the long-term storage of data and personal information. The report should also indicate how LADOT will implement these privacy measures across any new technology or future contracts with vendors.

Fiscal Impact Statement:

The CAO reports that the cost to provide parking citation and permit processing services under the existing contract is approximately \$1,200,000 per month. The proposed 2.8 percent increase in citation processing costs would result in an estimated \$23,000 of additional costs per month. \$12.7 million from the General Fund is budgeted in LADOT's Contractual Services Account in the 2024-25 Adopted Budget. There may be a General Fund impact should actual costs exceed budgeted funds. Should this amendment not be approved, the City will not collect parking citation revenue until an alternative method of collection is identified.

Financial Policies Statement:

The CAO also reports that the recommendation in this report complies with the City Financial Policies in that budgeted funds are available for this purpose.

MOTION

On June 10, 2025, Mayor Karen Bass declared a state of local emergency related to the protests fueled by the increasingly widespread and indiscriminate raids by the United State Immigration and Customs Enforcement (ICE) and the federal government's deployment and stationing of the California National Guard and United States Marines to the City of Los Angeles. In order to keep our residents safe, it is imperative that members of the Los Angeles City Council receive updates from state and local officials, including the LAPD, about the conditions on our City's streets. However, the Brown Act's noticing and public hearing requirements make it impossible for Councilmembers to receive the required briefings in a timely manner.

Pursuant to Government Code Section 54956.5(b)(1):

Subject to paragraph (2), in the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a legislative body may hold an emergency meeting without complying with either the 24-hour notice requirement of the 24-hour posting requirement of Section 54956 or both of the notice and posting requirements.

I THEREFORE MOVE that the Council determine, as provided in Section 54954.2(b)(2) of the Government Code, and pursuant to **Rule 23** of the Rules of the City Council, that pursuant to state law there is a need to take immediate action on this matter AND that the need for action came to the attention of the City subsequent to the posting of the agenda for today's Council meeting.

I FURTHER MOVE that the Council hereby declare its intent to invoke the provisions of Government Code Section 54956.5(b)(1) in order to enable the Council to have emergency meetings without complying with the Brown Act; and to instruct the City Clerk to provide the necessary posting and notification requirements specified in this Section.
