**\*Journal Correction**

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. CONCUR with the BOAC's adoption of the staff determination that:
  - a. The action requested herein is within the scope of the LAX LAMP Environmental Impact Report (EIR) and does not include any changes that would require further review

under the California Environmental Quality Act (CEQA) pursuant to Public Resources Code Section 21166 and CEQA Guidelines Section 15162, and that activities previously analyzed in the LAX LAMP EIR are also exempt from CEQA pursuant to Article II, Section 2(i) of the Los Angeles City CEQA Guidelines that exempts any activity (approval of bids, execution of contracts, allocation of funds, etc.) for which the underlying project has previously been evaluated for environmental significance and processed according to the requirements of CEQA.

and appropriated and allocated to WBS Element No. 1.24.13A-7000 (LAMP – ROW Acquisitions and Relocations) with reimbursement by Passenger Facility Charges as applicable. Costs associated with LAMP-related land acquisitions are contained in LAWA's Capital Improvement Plan (CIP); therefore, approval of the proposed acquisition will not result in an increase in the programmed CIP budget. COMMITTEE REPORT relative to adopting changes to the Rules of  
the Los Angeles City Council, Nos. 7 and 63.

Recommendation for Council action, pursuant to Motion (Harris-Dawson, et al. – Price, et al.):

ADOPT, pursuant to Council Rule No. 77, the following changes to the Rules of the Los Angeles City Council:

- a. Add the following to the end of Council Rule No. 7:

Prohibition on Use of N-word and C-word Epithets

A public speaker may not use the N-word or C-word, or any variation of either of these words, in a Council or Committee meeting. To avoid ambiguity, the N-word is spelled "n" followed by "i" followed by "g" followed by "g" followed by "e" followed by "r." The C-word is spelled "c" followed by "u" followed by "n" followed by "t." Examples of variations of these epithets include, but are not limited to, the words' plural forms and words created by adding "-ish," "-y," "-ly" or "-ing" to create related adjectives, adverbs, verbs, or gerundives. Public speakers are prohibited from using the N-word and C-word and their variations even though the speakers would use the words to express a non-offensive, non-vulgar viewpoint. The first time a public speaker in a Council or Committee meeting uses the N-word or C-word, or its variation, the staffing City Attorney or presiding officer shall issue a warning to the public speaker that the word and its variations are proscribed and may not be used again in any Council or Committee meeting. If the speaker who received the warning uses the word or its variation again in that or any future Council or Committee meeting, the presiding officer shall re-issue the order, note that the officer's need to stop the meeting to re-issue the order has actually disrupted the meeting, and cut off the speaker's time to speak for the remainder of that meeting. The disruptive speaker is additionally subject to possible removal and exclusion as other provided in this Rule.

- b. Add the following to the end of Council Rule No. 63:

Prohibition on Use of N-word and C-word Epithets

Public speakers in Committee are subject to the same rules regarding the N-word and C-word as provided in Council Rule No. 7.
