TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED #51

MOTION

In November 2021, the State of California Natural Resources Agency notified the City that State funds were approved for five community-based organizations within the City, with the City being designated as the pass-through administrator for this funding. The Chinese American Museum, located in Council District 14, is one of the organizations receiving State funding, which it will use to develop a new Unity Garden exhibit.

On March 2, 2022, in anticipation of the grant award, the Council authorized the creation of a new special fund and authorized the Bureau of Engineering to accept and disburse the grant funding from this newly-created fund (C.F. 22-0141). However, rather than establish a new fund, the Bureau of Engineering has requested that it be authorized to deposit the funding within the Engineering Special Services Fund to expedite disbursement of funds to the Chinese American Museum.

I THEREFORE MOVE that the Council Action of March 2, 2022, relative to grant funding from the State of California Natural Resources Agency to support community-based organizations (C.F. 22-0141), BE AMENDED to adopt the following in lieu of Recommendation 4b in order to authorize the Bureau of Engineering to deposit funding within the Engineering Special Services Fund and to expedite disbursement of funds to the Chinese American Museum:

- 4b. Accept and deposit \$2,000,000 in grant funds into the Engineering Special Services Fund No. 682-50 and appropriate a like amount therein to a new account entitled "Chinese American Museum Renovation" for disbursement in accordance with the Memorandum of Understanding between the City and the Chinese American Museum (C-200269); and,

MOTION

In November 2021, the State of California Natural Resources Agency notified the City that State funds were approved for five community-based organizations within the City, with the City being designated as the pass-through administrator for this funding. The Alliance for Community Empowerment (ACE), one of the organizations receiving funding, is based in Council District 3 and will use the grant dollars to install accessibility improvements at their existing building, including retrofitting and installing an elevator and implementing other ADA improvements.

On March 2, 2022, in anticipation of the grant award, the Council authorized the creation of a new special fund and authorized the Bureau of Engineering to accept and disburse the grant funding from this newly-created fund (C.F. 22-0141). However, rather than establish a new fund, the Bureau of Engineering has requested that it be authorized to deposit the funding within the Engineering Special Services Fund to expedite disbursement of funds to ACE.

I THEREFORE MOVE that the Council Action of March 2, 2022, relative to grant funding from the State of California Natural Resources Agency to support community-based organizations (C.F. 22-0141), BE AMENDED to adopt the following in lieu of Recommendation 3b in order to authorize the Bureau of Engineering to deposit funding within the Engineering Special Services Fund and to expedite disbursement of funds to the Alliance for Community Empowerment:

- 3b. Accept and deposit \$500,000 in grant funds into the Engineering Special Services Fund No. 682-50 and appropriate a like amount therein to a new account entitled "ACE Building Renovation" for disbursement in accordance with the Memorandum of Understanding between the City and the Alliance for Community Empowerment (C-146378); and,

MOTION

I MOVE that \$250,000 from the AB1290 Fund No. 53P, Account No. 281213 (CD 13 Redevelopment Projects – Services) be transferred / appropriated to the below listed Accounts and in the amounts specified in the Sanitation Fund No. 100-82 for additional homeless services in Council District 13:

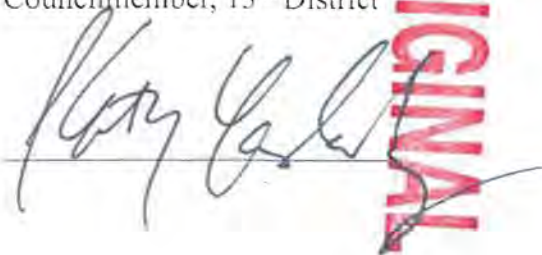

<u>Account No.</u>	<u>Name</u>	<u>Amount</u>
001090	Salaries – Overtime	\$ 101,066
003040	Contractual Services	123,845
003090	Field Equipment Expense	2,928
006020	Operating Supplies & Expense	22,161
		=====
	TOTAL	\$ 250,000

I FURTHER MOVE that the Bureau of Sanitation be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.

MOTION

The 2028 Olympic and Paralympic Games (2028 Games) will provide, among other benefits, a once-in-a-lifetime opportunity for local businesses to provide services for these mega-events. Contracts earned for these services are a chance for local, small, and underrepresented businesses to become involved with the Games industry and achieve development of economic goals.

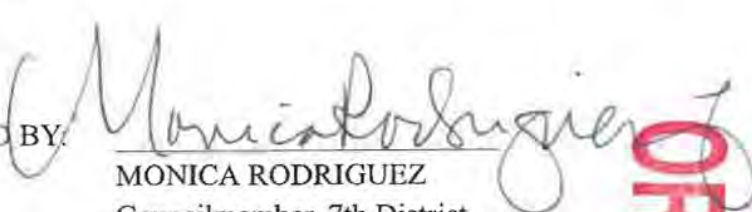

The Games Agreement, a foundation document of the 2028 Games, states that the 2028 Games will "provide a unique platform to empower meaningful shared economic opportunity across the Los Angeles community." LA28, in coordination with the City, and in collaboration with the Community Business and Procurement Working Group, will endeavor to ensure that local, small, and underrepresented businesses are meaningfully included in LA28's sourcing and bidding processes. This commitment will culminate with the forthcoming release of the LA28 Community Business and Procurement Program (Program), an obligation of the Games Agreement, which will set the goals associated with local procurement.

Prior to the release of the Program, LA28 has begun establishing service commitments that will reward providers with lucrative contracts. It is imperative that the City be made aware of which contracts LA28 has awarded to providers that are not under the local procurement obligations of the forthcoming Program.

I THEREFORE MOVE that the Council request LA28 to report within 30 days with a list of contracts that have been awarded prior to the release of the LA28 Community Business and Procurement Program; and

I FURTHER MOVE that the Council request LA28 to report back on a quarterly basis with statistics relative to local procurement and contracting, including total numbers of local and non-local contracts, percentage rates of the total local and non-local contracts, and percentage rates of local and non-local contract amounts.

MOTION

B3
ECONOMIC DEVELOPMENT & JOBS

On October 19, 2018, Council took action to accept an initial \$100,000 public benefits payment from Lightstone DTLA, LLC (Lightstone), pursuant to the conditions of a Planning Case (Case No. ENV-2016-2594-EIR) and Development Agreement by and between the City of Los Angeles (City) and Lightstone dated August 13, 2018 (Contract No. C-131790), implemented through Ordinance No. 185667 (C.F. 18-0269-S3). Lightstone is the developer of a project located at 1240-1260 South Figueroa Street and 601 West Pico Boulevard, and is required to provide specified funding as a Public Benefits Payment. These conditions, detailed in Section 3.1.3, 3.1.3(e), and 3.1.3(g) of said Development Agreement, are reproduced in their entirety below:

Section 3.1.3 Public Benefits. This Agreement provides assurances that the public benefits identified below will be achieved and developed in accordance with the Applicable Rules and Project Approvals and with the terms of this Agreement and subject to the City's Reserved Powers. The Project will provide the following public benefits to the City:

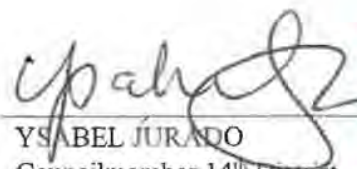

Section 3.1.3(g) Public Benefits Trust Fund - CD 14. On the annual anniversary of the effective date of the Development Agreement, the developer shall make an annual payment to the Council District 14 Public Benefits Trust Fund No. 57L-14 in the amount of One Hundred Thousand Dollars (\$100,000) to support Council District 14's efforts to address blight removal, facade improvements, street cleaning, graffiti removal, etc. within the boundaries of Council District 14, for a total sum of One Million Dollars (\$1,000,000) over a ten-year period. Should this Agreement be terminated by the City prior to the expiration of the Term, the Developer shall pay any remaining payments as lump sum, such that the Developer's total payment will equal One Million Dollars (\$1,000,000) upon such early termination.

Lightstone has provided the eight of ten annual payments due to the City as described above. In accordance with Chapter 150, Section 5.550, of the Los Angeles Municipal Code, action is needed to accept the sum of \$100,000 paid to the Council District 14 Public Benefits Trust Fund and cause it to be deposited into the appropriate fund. Upon the City's acceptance of the Council District 14 funds, the remaining balance due by Lightstone is \$200,000.

I THEREFORE MOVE that the Council accept the sum of \$100,000 paid by Downtown Live, LLC, and Marriott International, Inc., for Lightstone DTLA, LLC, the developer of a project located at 1240-1260 South Figueroa Street and 601 West Pico Boulevard (Planning Case No. ENV-2016-2594-EIR) and Development Agreement dated August 13, 2018 (Contract No. C-131790) approved by Ordinance No. 185667, and cause this sum to be deposited into the Council District 14 Public Benefits Trust Fund No. 57L-14, for the purpose of addressing blight removal, facade improvements, street cleaning, graffiti removal, etc., within Council District 14.

I FURTHER MOVE that the City Clerk be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion.

MOTION

The City of Los Angeles, through its City Attorney's Office, received the Resiliency in Communities After Stress and Trauma (ReCAST) grant from the U.S. Department of Health and Human Services, Substance Abuse and Mental Health Services Administration (SAMHSA). ReCAST aims to provide community-based violence prevention and mental health services in the South Los Angeles area in response to the 2020 civil unrest and its aftermath. The City Council accepted this five-year grant award on September 13, 2023 (CF No. 22-1316).

ReCAST serves high-risk youth and their families in South LA through a program known as the REACH Team. Working in conjunction with local community-based service providers and LAPD, the REACH Team focuses on community-based participatory approaches, equitable access to trauma-informed community behavioral health resources, and strengthening behavioral health services through culturally responsive approaches.

Since October 1, 2024 to date, LAPD has referred over 294 families with 355 children. At least 166 children or young adults have accepted some form of crisis counseling, individual or group counseling or have joined a ReCAST grief counseling group following a homicide. Families have also benefitted from a multitude of other resources from our community partners including groceries, clothes, emergency housing and more. Youth have joined organized sports programs, tutoring programs, trade school placements, financial literacy programs, art therapy, life-skill classes, self-esteem programs for teen girls and more through ReCAST.

To facilitate the continued operation and effectiveness of ReCAST, it is necessary to authorize the transfer of funds to cover essential program-related expenses.

I THEREFORE MOVE that the Council:

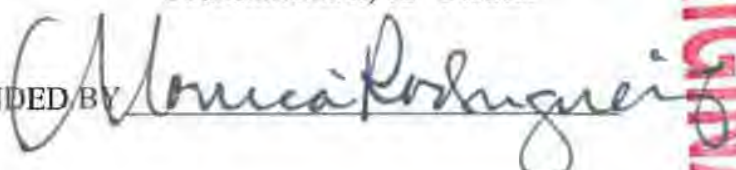

1. AUTHORIZE the Controller to transfer \$124,213.01 from Fund 368, Department 12, Account 12A350 - Resiliency in Communities After Stress and Trauma Program (ReCAST) Year 3 to Fund 100, Department 70, Account 001092 – Sworn Overtime.

RESOLUTION

WHEREAS, in 2009, the United States Environmental Protection Agency ("EPA") made a landmark legal and scientific determination that greenhouse gases like carbon dioxide and methane ("GHGs") endanger public health and welfare (the "Endangerment Finding");

WHEREAS, the Endangerment Finding was based on strong scientific evidence showing the direct link between GHG emissions and climate change impacts;

WHEREAS, the United States Supreme Court has affirmed that GHGs are air pollutants and that EPA has the authority to regulate them if they endanger public health and welfare;

WHEREAS, the EPA's 2009 Endangerment Finding paved the way for the regulation of GHG emissions in vehicles;

WHEREAS, on July 29, 2025, EPA proposed to rescind the 2009 Endangerment Finding, and based on the rescission of that finding, also proposed to remove GHG regulations for light-, medium-, and heavy-duty on-highway vehicles;

WHEREAS, the City of Los Angeles has a strong interest in ensuring that federal and state agencies continue to regulate GHG emissions, including from vehicles, in order to protect the health and welfare of its residents;

I THEREFORE MOVE, the Los Angeles City Council hereby declares its opposition to the EPA's proposal to rescind the Endangerment Finding, and its proposal to remove GHG regulations for light-, medium-, and heavy-duty on-highway vehicles, and further requests that the City Administrative Officer express the City's position to EPA so that it may be considered as part of EPA's rulemaking process.

RESOLUTION

BB
RULES, ELECTIONS, INTERGOVERNMENTAL RELATIONS

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, approximately 11 million undocumented immigrants work essential jobs and pay taxes in the U.S., but most do not have a pathway to earn permanent legal status in the U.S.; and

WHEREAS, Section 249 of the Immigration and Nationality Act, also known as the Registry statute, provides the Secretary of Homeland Security the discretion to register certain individuals who have been present in the U.S. as eligible to apply for permanent residency status; and

WHEREAS, Congress has updated the Registry statute's eligibility cutoff date four times since it was established in 1929 to allow individuals who entered the country improperly, overstayed a visa, or violated the terms of a temporary entry to the U.S. the ability to adjust to lawful permanent resident status; and

WHEREAS, the Registry statute was last updated in 1986 when President Reagan enacted the Immigration Reform and Control Act, which set the eligibility cutoff date to January 1, 1972 and allowed almost three million undocumented immigrants to apply for legal status in the U.S.; and

WHEREAS, currently pending in the U.S. Senate is S.2468, the *Renewing Immigration Provisions of the Immigration Act of 1929* (Padilla), which would remove the Registry cutoff date and expand eligibility to immigrants who do not have criminal records and have lived continuously in the U.S. for at least seven years to file petitions for permanent residency status; and

WHEREAS, S.2468 would preempt the need for further congressional action to update eligibility; and

WHEREAS, S.2468 would provide a pathway to permanent residency status for more than eight million people, including Dreamers, Temporary Protected Status holders, children of long-term visa holders, and highly skilled workers (H-1B visa holders); and

WHEREAS, S.2468 would update the U.S.'s outdated immigration system and provide millions of long-term U.S. residents a pathway to permanent residency in the U.S.;

NOW, THEREFORE, BE IT RESOLVED, that by adoption of this Resolution, the City of Los Angeles hereby includes in its 2025-26 Federal Legislative Program, SUPPORT for S.2468 to amend the Immigration Act of 1929 to remove the Registry eligibility cutoff date and make certain long-term U.S. resident immigrants eligible for permanent residency status in the U.S.

RESOLUTION

33
TRANSPORTATION

WHEREAS, California Vehicle Code Section 22507 authorizes cities to restrict the parking of vehicles, including but not limited to, vehicles that are six feet or more in height, on identified City streets during certain hours; and

WHEREAS, the Los Angeles Municipal Code Section 80.69.4 allows the Council to authorize by resolution, the streets upon which the parking of oversized vehicles shall be restricted between 2:00 a.m. and 6:00 a.m.; and

WHEREAS, there is an increased problem with oversized vehicles parking along several segments in Council District 11 where large vehicles are often parked overnight and constrict travel lanes, thereby creating dangerous situations;

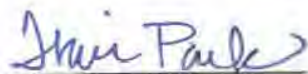

NOW, THEREFORE BE IT RESOLVED, that the City Council, pursuant to the Municipal Code Section 80.69.4, and the California Vehicle Code Section 22507, hereby prohibits the parking of vehicles that are in excess of 22 feet in length or over 7 feet in height, during the hours of 2:00 a.m. and 6:00 a.m., along both sides of the following street segments:

- Stoner Avenue from Brookhaven Avenue to Sardis Avenue
- Imlay Avenue from Culver Drive to Utopia Avenue
- Lucerne Avenue from Sepulveda Boulevard to Beloit Avenue

BE IT FURTHER RESOLVED that upon the adoption of the Resolution, the Department of Transportation be directed to post signs giving notice of a "tow away, no parking" restriction for oversized vehicles, with the specific hours detailed, at the above locations; and

BE IT FURTHER RESOLVED that the Department of Transportation be authorized to make technical corrections or clarifications to the above instructions in order to effectuate the intent of this Resolution.
