WHEREAS, the issuance of the Obligations must be approved by the governmental unit on behalf of which the Obligations are issued and a governmental unit having jurisdiction over the territorial limits in which the Facilities located pursuant to the public approval requirement of Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code"); and

WHEREAS, the Facilities are located within the territorial limits of the City of Los Angeles (the "City") and the City Council of the City (the "City Council") is the elected legislative body of the City; and

The City Controller has acted to withhold salary payments to Councilman Mark Ridley-Thomas in the wake of his suspension by the City Council pending the resolution of litigation brought against him by federal authorities.

Questions have been raised as to the legality of withholding such payments, however in the meantime, this constitutes an extreme personal financial burden for Mr. Ridley-Thomas, especially if ultimately the litigation is resolved with exoneration. We need quick action by the City Attorney to opine as to the legality of the Controller's action to withhold salary payments.

I THEREFORE MOVE that the City Attorney be requested to report within ten (10) days on the legality of the Controller's action to withhold salary payments to Councilman Mark Ridley- Thomas in the wake of his suspension by the City Council pending the resolution of litigation brought against him by federal authorities.

Soil erosion has impacted a portion of Balboa Boulevard (near the address of 12000 N Balboa Boulevard), just south of the intersection with Knollwood Drive. In this area, an erosion gully has developed on the slope that borders the east side of Balboa Boulevard. A new bulkhead retaining structure, with a total length of approximately 88 feet, and partial reconstruction of the sidewalk and hillside are needed to restore lateral support to the roadway and sidewalk to improve safety to pedestrians.

I THEREFORE MOVE that the Council AUTHORIZE:

1. The Bureau of Engineering to initiate a new capital improvement project to be known as the Balboa Boulevard (12000 N) Bulkhead Project; and,
2. The City Administrative Officer (CAO) to identify and transfer \$811,000 of funding into a new account entitled, "Balboa Boulevard (12000 N) Bulkhead" for construction of the Project.

I FURTHER MOVE that the CAO be authorized to make any technical corrections or clarifications to the above fund transfer instructions in order to effectuate the intent of this Motion, including any corrections and changes to fund or account numbers.

MOTION

The City of Los Angeles (City) owns [thousands] of properties within the City limits. The City's Asset Evaluation Framework (C.F. 12-1549-S3) establishes a uniform procedure to evaluate these properties for new uses that may better serve a community's needs, such as affordable housing, economic development opportunities, recreational or cultural space.

The Sawtelle neighborhood in West Los Angeles faces a shortage of outdoor recreation and cultural space for the community. While larger City-owned sites are being considered for housing development, smaller sites may provide an opportunity to add these badly-needed amenities to the neighborhood.

To further this objective, the lot located at 11312 Idaho Avenue (APN 426-100-9900), owned by the City and currently operated as a small parking lot, should be evaluated for use as a potential recreation or cultural space. Located in close proximity to several other Department of Transportation parking lots, it may be that this property can better serve the community if put to an alternative use.

I THEREFORE MOVE that Council direct the City Administrative Officer, with the assistance of the Chief Legislative Analyst, General Services Department, Department of Transportation, Department of Cultural Affairs, and any other relevant departments and stakeholders, to initiate a review of the City of Los Angeles-owned parking lot located at 11312 Idaho Avenue (APN 426-100-9900), with a priority focus to determine the suitability for development with outdoor recreational or cultural amenities and open space, in conformance with the procedure set forth for the City's Asset Evaluation Framework, and report back to the City Council within 60 days.

I FURTHER MOVE that if the City Administrative Officer, through the course of its evaluation, discovers a nearby City-owned property that may be more efficiently used for these purposes, evaluate these additional sites and report back to the City Council within 60 days.

RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state, or federal government body or agency must have first been adopted in the form of a Resolution by the City Council with the concurrence of the Mayor; and

WHEREAS, for many decades the United States Supreme Court has stated consistently and unequivocally that nothing in the United States Constitution prohibits states and local governments from imposing reasonable regulations on firearms, including prohibitions on possession by certain individuals and on carrying firearms in sensitive places; and

WHEREAS, recent rulings by the Court have abandoned well-established understanding of the Second Amendment and will now force local jurisdictions, including Los Angeles, to issue permits to carry concealed weapons (CCWs) much more broadly than has ever previously been the case; and

WHEREAS, these recent rulings gravely endanger the public's safety in Los Angeles and other cities by compelling the issuance of CCWs to potentially thousands of applicants who previously would have been denied the ability to carry concealed weapons in public; and

WHEREAS, legislation currently pending in the California State Legislature, SB 918 (Portantino) seeks to comport California law with the recent Supreme Court rulings while still preserving reasonable public safety protections; and

WHEREAS, among other things, SB 918 would specify certain sensitive locations where firearms cannot be carried, notwithstanding the issuance of a CCW permit; and

WHEREAS, Los Angeles and other local jurisdictions may have particular needs to restrict CCW permit holders from carrying firearms in sensitive locations or engaging in other dangerous activities relevant to that locality that are not currently specified in the statewide prohibitions of SB 918; and

WHEREAS, SB 918 would also permit local governments to require psychological testing of an applicant as a condition for issuance of a CCW permit, and such psychological testing is a vitally important tool to determine whether an individual is a danger to themselves or others before a CCW permit is issued; and

WHEREAS, SB 918 prohibits the licensing authority from charging an applicant more than two hundred dollars (\$200) for psychological testing, but in Los Angeles such testing would cost the Los Angeles Police Department far more than that, thus creating an unfunded state mandate and putting the taxpayers of Los Angeles in the position of subsidizing the issuance of CCW permits; and

WHEREAS, under current law, Section 26205 of the California Penal Code requires a licensing authority to give written notice indicating whether an application is approved or denied within 90 days of the initial application for a new license or a license renewal, and a period of 90 days will be wholly inadequate to meet the anticipated demand for new licenses while also ensuring public safety;

NOW, THEREFORE, BE IT RESOLVED, with the concurrence of the Mayor, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2021-2022 State Legislative Program SUPPORT for SB 918 (Portantino) IF AMENDED (i) to permit full cost recovery for processing of license

applications and psychological testing, (ii) to state explicitly that local governments may adopt additional restrictions on the allowable activities of a CCW permit holder beyond those specified in the bill, and (iii) to amend Section 26205 of the Penal Code to require a local licensing authority to give written notice indicating whether an application is approved or denied within "a reasonable amount of time" rather than setting an arbitrary time limit.
