- d. Tree Equity Initiative
- e. Automated Traffic Surveillance and Control System

- g. Vision Zero Program

2. DIRECT the LADOT to:

- b. Identify additional focus areas to expand planning and community engagement efforts beyond the initial four focus areas, as adopted in the LADOT's Strategic Plan 2021-23.

Fiscal Impact Statement: The LADOT reports that there is no expected fiscal impact from this report, but future implementation is anticipated to cost approximately \$350,000 per mile of Neighborhood Enhanced Network(NEN) corridor implementation for potential striping changes, signal modifications or additions, and other hardscape investments. This cost can vary depending on conditions and context. Additional staff resources are needed in the future to collaborate with communities to plan and design NEN Project investments and build out the Mobility Plan 35 designated networks beyond the four initial focus areas.

The General City Purposes Fund (GCP) portion of the proposed 2022-2023 City Budget provides funds for Heritage Month Celebrations and Special Events.

Indigenous Peoples' Day is an annual event which should receive "Heritage Month" funding.

This effort is of special benefit for the residents of the City and deserves financial assistance from the City.

Sufficient funds are available in the Council's portion of Heritage Month Celebration & Special Events line item in the GCP portion of the 2022-23 City Budget for this purpose.

I THEREFORE MOVE that \$25,000 in the Council's portion of the Heritage Month Celebration & Special Events line item in the General City Purposes Fund No. 100-56 be utilized to fund any aspect of the Indigenous Peoples' Day event.

I FURTHER MOVE that the City Clerk be directed to prepare and process the necessary documents and/or payments, directly with the vendor/service provider, and/or any other agency or organization, as appropriate, in the above amount, for the above purpose, subject to the approval of the City Attorney as to form, if needed; and that the City Clerk be authorized to execute any such documents on behalf of the City.

On November 24, 2021, the Council approved Motion (Buscaino – Blumenfield), which authorized the City Clerk to utilize \$40,000 from the Business Improvement District (BID) Trust Fund to seek a contractor for services related to forming the Avalon Boulevard BID (C.F. 21-1275). The proposed BID would provide security and sanitation services to support small businesses in the area. On April 7, 2022, the City Clerk issued a Request for Proposals (RFP). However, no responses to the RFP were received prior to the May 19, 2022 deadline.

Council District 15, in consultation with the City Clerk and the business community, propose to re-issue the RFP for this effort. Based on updated cost estimates for the services to be provided, the City Clerk has advised that the contract should be increased by \$50,000, for a total contract amount of \$90,000.

The Council District AB 1290 Fund provides funding for redevelopment and community services in various Council Districts. Sufficient funds are available in the CD 15 portion of the Council District AB 1290 Fund for this purpose.

I THEREFORE MOVE that the Council authorize/direct the City Clerk to:

1. Utilize \$40,000 from the Business Improvement District (BID) Trust Fund No. 659 and \$50,000 in the AB1290 Fund No. 53P, Account No. 281215 (CD 15 Redevelopment Projects – Services), for a total contract amount of \$90,000, to be used for professional consultant services to establish the Avalon Boulevard Business Improvement District.
2. Issue a Request for Proposals (RFP), with responses due within 30 days, for the aforementioned services and to negotiate and execute a contract with the selected contractor.
3. Prepare and process the necessary document(s) with any entity, or organization, as appropriate, in the above amount, for the above purposes, subject to the approval of the City Attorney, if needed; and with the understanding that the Councilmember of the District is hereby authorized to execute any such documents on behalf of the City.
4. Execute a sole source contract should there be no responses to the RFP, subject to City Attorney review and approval as to form and legality.
5. Make any technical corrections or clarifications to the above funding instructions in order to effectuate the intent of this Motion.

Los Angeles Municipal Code (LAMC) Section 63.44 B.14(a) states that all parks shall have the operating hours of 5:00 a.m. to 10:30 p.m. with the exception of the parks listed in LAMC Section Code 63.44 B. 14(c). Parks in this Section close at various times and include parks that open at Sunrise and close at Sunset (Sunrise to Sunset Operating Hours). The operating hours for Silver Lake Meadows Park located at 2543 Armstrong Avenue in Council District 13 should be changed to have Sunrise to Sunset Operating Hours. Such change would not impact access to the walking path that surrounds the reservoir.

I THEREFORE MOVE that the City Council instruct the Department of Recreation and Parks to set the operating hours for Silver Lake Meadows Park, located at 2543 Armstrong Avenue Los Angeles, CA 90039, in Council District 13 to open at Sunrise and close at Sunset.

I FURTHER MOVE that the Department of Recreation and Parks be instructed to prominently post the hours at the park listed above.

I FURTHER MOVE that the City Attorney be requested to prepare and present an Ordinance to add the park listed above to the list of parks closed at various times as specified in Los Angeles Municipal Code Section 63.44.

I FURTHER MOVE that the Board of Recreation and Parks Commissioners be requested to concur with the above recommendations and to instruct the Park Rangers to enforce the new operating hours at the park listed above seven days a week.

MOTION

The City's Asset Evaluation Framework (Framework) (C.F. 12-1549-S3), is intended to help advance the City's economic development and housing efforts by establishing a uniform procedure to evaluate and designate City-owned properties for economic development, housing opportunities and/or other City purposes. Another goal of the Framework is to identify higher and better uses for such properties in order to maximize the value of City-owned assets and to address priority concerns such as job creation and affordable housing.

In furthering the above efforts, there is a City-owned property located at 13460 Van Nuys Boulevard in Council District 7 which may be suitable for development as a mixed-use affordable housing site with a community kitchen and/or community serving ground floor use. At this time, the City Administrative Officer (CAO) as the administrator of the Framework should conduct an analysis of the property for this mixed-use concept and present options for its redevelopment including the analysis of neighboring property that may help further City development efforts. Council action is needed to instruct the CAO to conduct this work.

I THEREFORE MOVE that Council instruct the City Administrative Officer (CAO), with the assistance of the Chief Legislative Analyst (CLA), Los Angeles Housing Department (LAHD), Department of City Planning, General Services Department, and any other relevant departments to initiate a review of the City-owned property located at 13460 Van Nuys Boulevard through use of the City's Asset Evaluation Framework to determine the suitability of developing a mixed-use affordable housing project inclusive of a community kitchen and/or other community serving commercial use, analyzing the inclusion of neighboring property, in conformance with the procedures set forth in the City's Asset Evaluation Framework and Affordable Housing Opportunity Site Review Process.

I FURTHER MOVE that Council authorize the General Manager of LAHD, or designee, with the assistance of the CAO and CLA to solicit proposals through a Request for Proposals, for the property once the CAO has determined it is appropriate for a mixed-use affordable housing and community kitchen and/or commercial space project, pursuant to the City's Asset Evaluation Framework policy.
