CATEGORICAL EXEMPTION and PUBLIC WORKS COMMITTEE REPORT relative to the vacation of a portion of the easterly side of Vermont Avenue, from Prospect Avenue to Hollywood Boulevard, VAC-E1401364 (Vacation).

Recommendations for Council action:

1. FIND that the Vacation is exempt from the California Environmental Quality Act of 1970, pursuant to Article III, Class 5(3) of the City's Environmental Guidelines.
2. FIND that the street vacation proceedings pursuant to the Public Streets, Highways and Service Easements Vacation Law be instituted for the vacation of the public right-of way indicated below and shown on the map of the November 23, 2022 City Engineer

report, attached to the Council file:

Portion of the easterly side of Vermont Avenue from Prospect Avenue to Hollywood Boulevard.

3. FIND that there is a public benefit to the Vacation. Upon vacation of the street, the City is relieved of its ongoing obligation to maintain the street. In addition, the City is relieved of any potential liability that might result from continued ownership of the involved street easements.
4. FIND that the Vacation is in substantial conformance with the purposes, intent and provisions of the General Plan, in conformance with Section 556 of the City Charter.
5. FIND that the Vacation is not necessary for non-motorized transportation facilities, in conformance with Section 892 of the California Streets and Highways Code.
6. FIND that the Vacation is not necessary for present or prospective public use, in conformance with Section 8324 of the California Streets and Highways Code.
7. ADOPT said City Engineer's report with the conditions contained therein.

Fiscal Impact Statement: The City Engineer reports that the petitioner has paid a fee of \$14,980 for the investigation of this request pursuant to Section 7.42 of the Los Angeles Administrative Code (LAAC). Any deficit fee to recover the cost pursuant to Section 7.44 of the LAAC will be required of the petitioner. Maintenance of the public easement by City forces will be eliminated.

Community Impact Statement: None submitted

CATEGORICAL EXEMPTION and RELATED CALIFORNIA

ENVIRONMENTAL QUALITY ACT (CEQA) FINDINGS; PLANNING AND LAND USE MANAGEMENT (PLUM) COMMITTEE REPORT, and ORDINANCE FIRST CONSIDERATION relative to a Zone Change for the property located at 6400 – 6534 North Platt Avenue.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. DETERMINE, based on the whole of the administrative record, the Project is exempt from CEQA pursuant to CEQA Guidelines, Sections 15301, Class 1, and 15305, Class 5; and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines, Section 15300.2 applies.
2. ADOPT the FINDINGS modified by the PLUM Committee on February 7, 2023, attached to the Council file, as the Findings of Council.
3. PRESENT and ADOPT the accompanying ORDINANCE, dated February 24, 2023, including the (Q) Qualified Conditions of Approval modified by the PLUM Committee on February 7, 2023, effectuating a Zone Change from (T)(Q)C1-1VL, (Q)C1-1VL, C1-1VL, (Q)C4-1VL, C4-1VL, and P-1VL to C4-1VL; across an entire 11.7 acre existing shopping center development, the existing 163,073 square foot, approximately 32 feet in height shopping center includes 36 tenant spaces providing retail and service uses, 26,152 square feet of landscaping, and 630 parking spaces; no new construction is proposed; for the properties located at 6400-6534 North Platt Avenue, subject to Conditions of Approval modified by the PLUM Committee on February 7, 2023, attached to the Council file.
4. ADVISE the applicant, pursuant to Los Angeles Municipal Code Section 12.32 G:

*...property shall not remain in a Q Qualified classification for more than six years unless during that time: (1) there is substantial physical development of the property to allow for one or more of the uses for which the Q Qualified classification was adopted; or (2)*

*if no physical development is necessary, then the property is used for one or more of the purposes for which the Q Qualified classification was adopted... When these time limitations expire, the Q Qualified classification and the authority contained therein shall become null and void, the rezoning proceedings shall be terminated, and the property thereafter may only be utilized for those purposes permitted prior to the commencement of such rezoning proceedings.*

5. ADVISE the applicant that, pursuant to State Public Resources Code Section 21081.6, the City shall monitor or require evidence that mitigation conditions are implemented and maintained throughout the life of the project and the City may require any necessary fees to cover the cost of such monitoring.
  
6. ADVISE the applicant that, pursuant to State Fish and Game Code Section 711.4, a Fish and Game Fee and/or Certificate of Fee Exemption is now required to be submitted to the County Clerk prior to or concurrent with the Environmental Notice of Determination filing.

Applicant: Mick Meldrum, ICI Development Company

Representative: Rosenheim and Associates

TO CITY CLERK FOR PLACEMENT ON NEXT  
REGULAR COUNCIL AGENDA TO BE POSTED #51

MOTION

The General City Purposes Fund (GCP) portion of the adopted 2022-2023 City Budget provides funds for Heritage Month Celebrations and Special Events.

Asian Pacific American Heritage Month is an annual event which should receive "Heritage Month" funding. This effort is of special benefit for the residents of the City and deserves financial assistance from the City.

Sufficient funds are available in the Council's portion of Heritage Month Celebration & Special Events line item in the GCP portion of the 2022-2023 City Budget for this purpose.

**I THEREFORE MOVE**, the following recommendations for adoption:

1. That \$50,000 in the Council's portion of the Heritage Month Celebration & Special Events line item in the General City Purposes Fund No. 100-56 be utilized to fund any aspect of the Asian Pacific American Heritage Month event.

2. That the City Clerk be directed to prepare and process the necessary documents and/or payments, directly with the vendor/service provider, and/or any other agency or organization, as appropriate, in the above amount, for the above purpose, subject to the approval of the City Attorney as to form, if needed; and that the City Clerk be authorized to execute any such documents on behalf of the City.

3. That the City Clerk be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections/clarifications/changes may be made orally, electronically or by any other means.

CIVIL RIGHTS, EQUITY, AGING &  
DISABILITY

The City of Los Angeles is home to more than 1.35 million immigrants, comprising over 34 percent of the city's population. A majority of school children in the Los Angeles metro area, including both U.S. citizens and non-citizens, have at least one immigrant parent. Immigrants are a vital part of the city's labor force and an integral part of Los Angeles' diverse communities. Yet a significant number of these community members live in fear of being apprehended, detained, and deported by federal immigration authorities.

The City has affirmed its commitment to supporting its immigrant communities several times over the past years, including via Mayor Garcetti's Executive Directive 20 to limit the City's entanglement with federal immigration authorities, a City Council resolution declaring Los Angeles a "City of Sanctuary" (C.F. 17-1040), the City's investment in the Los Angeles Justice Fund to provide legal assistance to residents facing deportation, and the decision to provide emergency financial assistance to families in need during the pandemic, regardless of their immigration status.

Nevertheless, the vast discretionary powers of federal immigration agents to conduct enforcement operations continue to threaten the safety of the City's immigrant communities. And federal authorities will likely continue to push the City to cooperate in immigration enforcement. At the U.S. Conference of Mayors last year, Department of Homeland Security Secretary Alejandro Mayorkas asked local jurisdictions to reconsider their positions of non-cooperation and to begin to work with U.S. Immigration and Customs Enforcement (ICE).

The City's current relationship with federal immigration agencies is shaped by Executive Directive 20 and LAPD's internal policies. While these policies limit the City's cooperation with federal immigration enforcement, neither are permanently enshrined into local municipal law. In addition, these existing policies still allow ICE officers to access City jails to interrogate people in LAPD custody, and, under certain circumstances, LAPD officers are permitted to transfer individuals to ICE custody, even when judicial warrants are not issued. Under these policies, even minor traffic violations have led to transfers into ICE custody for individuals with prior convictions.<sup>1</sup>

The City also lacks robust policies limiting direct and indirect data sharing with federal immigration authorities and private companies that work with federal immigration authorities. This lack of protections allows for significant exposure of City residents and their data to immigration agencies, undermining the City's commitment to protecting immigrants and their families from immigration enforcement.

**I THEREFORE MOVE** that the City Council request the City Attorney to prepare and present a draft ordinance within 60 days to prohibit, to the extent permissible by law, any City resources, property, or personnel from being utilized for any federal immigration enforcement or to cooperate with federal immigration authorities in the execution of their duties connected to federal immigration enforcement. The ordinance should, to the extent permissible by law, specifically prohibit, among other activities:

- Inquiring into or collecting information about an individual's immigration or citizenship status or place of birth unless required to provide a City service, for the sole purpose of assisting a person in matters relating to their immigration status, or as required for employment purposes;
- Investigating, interrogating, detaining, arresting, transferring or refusing to release persons for

immigration enforcement purposes;

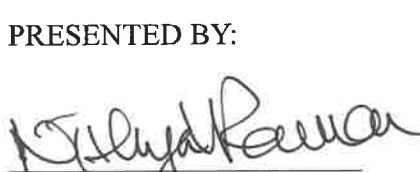

- Responding to any civil immigration warrant or request to detain, transfer, or notify federal authorities about the release of any individual for immigration purposes;
- Providing immigration authorities access to any non-public areas, including jails, without a valid search or arrest warrant issued by a federal district judge or magistrate;
- Making individuals in City custody available to federal immigration authorities for interviews for immigration enforcement purposes;
- Participating in any immigration enforcement operation or joint operation or patrol that involves, in whole or in part, immigration enforcement; and
- Providing access to City databases or to any individual's personal information or other data to federal immigration authorities, or providing access to City databases or to any individual's personal information or other data to any other entities for immigration enforcement purposes.

**I FURTHER MOVE** that the City Council direct the Chief Legislative Analyst, with the assistance of any other City departments, as needed, to report back within 60 days with recommendations for an addendum to this ordinance which would prevent the City from entering into a new, amended, or extended contracts or agreements with any person or entity that provides immigration authorities with any data broker, data-mining, or "extreme vetting" services connected to immigration enforcement, unless a waiver is granted.

**I FURTHER MOVE** that the City Council direct the Civil + Human Rights and Equity Department (CHRED), with the assistance of any other City departments, as needed, to report back within 90 days with recommendations for reviewing compliance with this ordinance on an ongoing basis, including how City departments addressed any incidents of violations of the ordinance that were brought to their attention. These recommendations should include any resources and/or staffing needed to effectuate these responsibilities.

**I FURTHER MOVE** that the City Council direct the Civil + Human Rights and Equity Department (CHRED) to work with all City departments, agencies, commissions, and offices to report back to Council on a semi-annual basis with a Compliance Monitoring Report which aggregates in writing all requests for assistance received by the City from immigration authorities, including but not limited to requests for immigration detainers, transfers, interviews, interrogations, notifications, or non-publicly available information about any individual, and how any such requests were responded to.

RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, existing law authorizes a peace officer to make an arrest pursuant to a warrant or without a warrant if the officer has probable cause to believe that the person has committed a public offense in the officer's presence; and

WHEREAS, under existing law, it is unlawful to disobey the lawful order, signal, or direction of a uniformed peace officer performing any duties pursuant to the Vehicle Code or to refuse to submit to any lawful vehicular inspection authorized by the Vehicle Code; and

WHEREAS, on December 5, 2022, Senator Bradford introduced SB 50, which stated the intent of the Legislature to enact legislation relating to limiting a peace officer's authority to initiate pretextual stops to reduce racial profiling and the harm stemming from such stops; and

WHEREAS, on February 13, 2023, SB 50 was amended to expressly prohibit a peace officer from stopping or detaining the operator of a motor vehicle or bicycle for a low-level infraction, unless a separate, independent basis for a stop exists; and

WHEREAS, traffic stops for minor, non-safety-related traffic infractions, which often are racially-biased, have the ability to rapidly escalate with deadly consequences; and

WHEREAS, the proposed legislation will especially help to protect Californians of color from unnecessary harm and ensure that law enforcement is focused on community safety by preventing and solving serious crimes; and

WHEREAS, SB 50 provides technical clarification to ensure that local jurisdictions have sufficient flexibility to explore non-law enforcement approaches to traffic safety;

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the City of Los Angeles hereby includes in the 2023-2024 State Legislative Program SUPPORT for SB 50 (Bradford) that would prohibit a peace officer from initiating a traffic stop for a low-level violation, unless there is a separate, independent reason.

Lead-based paints were used in residential homes until 1978, making any homes built before 1979 likely to have lead-based paint in the interior. According to the 2018 American Community Survey, there are 1,123,726 units built before 1979 in the City of Los Angeles that likely have lead-based paint. This equates to 75 percent of the total housing stock. When the paint peels and cracks, it makes lead paint chips and dust, which are easily ingested by children. Exposure to lead can seriously harm a child's health, including damage to the brain and nervous system, slowed growth, learning and behavioral problems, as well as hearing and speech problems. Children under age six are the most severely affected by lead.

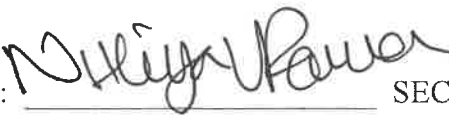

For over 20 years, the Los Angeles Housing Department (LAHD) has abated lead-based paint hazards from low-income households, remediating a total of 2,357 units through the Lead Hazard Remediation Program. LAHD is currently implementing the 12th round of HUD funding for the Lead Hazard Reduction Grant Program (LHRP).

The U.S. Department of Housing and Urban Development (HUD) HUD-Office of Lead Hazard Control Healthy & Homes released the Funding Opportunity NOFO Number, FR-6600-N-13 on January 13, 2023, CFDA number 14.905 Lead Hazard Reduction Grant Program- Update and Reissue, with the deadline to apply of May 2, 2023.

LAHD plans to apply for a maximum award of up to \$8 million for the Lead Hazard Remediation Program (LHRP). The award will be used to remediate lead hazards in housing units occupied by low-income tenants and owners. LHRP will prioritize households with children under the age of six years who either live on the property or visit frequently.

I THEREFORE MOVE that the Council AUTHORIZE the General Manager of LAHD, or designee, to apply for, accept, and execute a new grant agreement with HUD, including all certifications and other required documents.

I FURTHER MOVE that LAHD report back to the Council upon notice of the award to present the grant agreement and provide details on program design, staffing needs, Controller's instructions, and other relevant information for review and approval.

WHEREAS, the City’s Administrative Citation Enforcement (“ACE”) Ordinance allows for the expansion of the ACE Program to include additional City Departments upon City Council approval pursuant to Los Angeles Municipal Code (“LAMC”) Section 11.2.01(e) and allows for the City Attorney to make recommendations for additional regulations in the LAMC to be enforced through the ACE Program; and

WHEREAS, pursuant to LAMC Section 11.00(l) and “in addition to any other remedy or penalty provided by this Code”, the City Attorney is expressly authorized to enforce “any violation of any provision of this Code” by abatement, injunction, civil actions and penalties; and

WHEREAS, pursuant to LAMC Section 11.00(m) the City Attorney may charge violations of the LAMC as misdemeanors or infractions or may address them through the use of an Administrative Citation as an alternative to other legally available civil and criminal remedies; and

WHEREAS, the City Attorney has requested an expansion of the ACE Program to include the City Attorney;

NOW, THEREFORE, BE IT RESOLVED that, inasmuch as the City Attorney is an Enforcement Officer of the ACE Program as defined in Section 11.2.02 of the LAMC, the City Council hereby adds the City Attorney as an Enforcement Officer empowered to enforce any and all violations of any provision of the LAMC under either or both of 11.00 or 11.2.; and

BE IT FURTHER RESOLVED that the City Attorney is hereby authorized to modify the processes set forth in ACE to implement the ACE program, as appropriate, for the addition of the City Attorney, including implementing citation forms, administrative procedures, protocols, appeals to a hearing officer and designation of a citation processing company as the City Attorney determines is necessary or appropriate for Administrative Citations issued by the City Attorney. The issuance of an Administrative Citation by the City Attorney shall constitute the initial review otherwise required under LAMC Section 11.2.08(a)(1) and the Responsible Person may pay the Administrative Citation or contest an Administrative Citation issued by the City Attorney directly as set forth in Section 11.2.08(a)(2) and 11.2.09.

M O T I O N

On October 2, 2019, the Council adopted Ordinance No. 186339, to align the City’s shelter crisis regulations with the State Government Code. This applied to both emergency homeless shelters for City owned/leased properties, and charitable organizations (Municipal Code Sections 12.80 and 12.81).).

Under the provisions of the Municipal Code, during any period for which the Mayor and/or the Council have declared a shelter crisis within the meaning of Government Code Sections 8698, et seq., a shelter for the homeless may be established and operated in the Multiple Dwelling zone; Residential/Accessory Services Zone; Commercial Zone; Commercial Manufacturing Zone; and Industrial Zone without regard to the number of beds or number of persons served, if the shelter is operated by a religious institution or a non-profit, charitable organization, and the shelter is located on property owned or leased by that institution or organization.

The Municipal Code requires that providers register with the City by submitting the ‘Cold/Wet Weather Temporary Shelter Application’ and compliance with the requirements promulgated by the Fire Department. In addition, it requires written notification to the owners of properties abutting the subject property, as well as to any school located within 500 feet of the subject property, prior to operating a shelter for the homeless on the subject property, and compliance with all local, state, and federal requirements that apply to the permitted use of their property while operating a shelter for the homeless.

In the event that a property owner applies under this use, and receives approval through the Plan Check and building permitting process without a known or identified provider, it is not clear when, or if, the property owner must meet the requirements related to registering and complying with the abovementioned ‘Cold/Wet Weather Temporary Shelter Application.’ Notice of the proposed use is necessary for the success of a shelter which requires collaboration with the surrounding community.

Inasmuch as the City faces an acute shortage of winter homeless shelters through March 2023, having fewer than half the number of shelter sites and nearly two-thirds fewer shelter beds than in the winter of 2021-2022, and faces a shelter shortage even after the winter season ends, it is of utmost importance to clarify what is required of homeless shelter owners and providers.

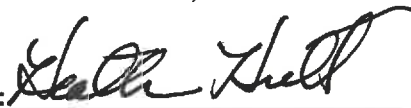

**I THEREFORE MOVE** that the Council instruct the Planning Department, the Department of Building and Safety, and the Housing Department, in consultation with the City Attorney, to prepare a report with recommendations, and any needed amendments to the Municipal Code, to clarify the notification requirements of emergency homeless shelter property owners when a homeless shelter provider has not been identified at the time the project application is filed, and is being reviewed through the Plan Check and building permitting process.

The property at 4828 Densmore Avenue in the Encino neighborhood is being developed as a residential project. The property owner is seeking a permit in order to install a gas line to the property. However, this segment of Densmore Avenue was resurfaced by the Bureau of Street Services in December 2022, and is therefore subject to the City's one-year moratorium on street cuts.

The property owner had to abandon the gas line prior to demolition of the project for safety reasons. An exception to the City's one-year street cut moratorium is therefore necessary to allow for the installation of a water meter and gas service to this property.

**I THEREFORE MOVE** that the City Council approve an exception to the City's one-year street cut moratorium on Densmore Avenue to allow for the installation of a gas line at 4828 Densmore Avenue.

**I FURTHER MOVE** that the permittee be required to properly repair and resurface the street cut area in accordance with Bureau of Engineering requirements and standards and, upon completion of the work, the repaired street cut be inspected by the Bureau of Contract Administration to maximize the longevity of the street.

RESOLUTION RULES, ELECTIONS, INTERGOVERNMENTAL RELATIONS

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations, or policies proposed to or pending before a local, state, or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, fentanyl is a synthetic opioid and a Schedule II controlled substance, the abuse of which has contributed substantially to an increase in opioid-related fatalities throughout the country; and

WHEREAS, fentanyl can take several different forms, including pills, powder, and liquid, and is often mixed with other illicit substances such as methamphetamines, cocaine, and heroin; and

WHEREAS, the potency of trace amounts of fentanyl as well as the difficulty of detecting its presence in other substances can make any exposure, whether through ingestion, inhalation, or contact through the skin, potentially lethal; and

WHEREAS, synthetic opioids were responsible for a majority of drug-related deaths in 2021 and have been the lead cause of death for persons from the age of 18 to 45, surpassing COVID-19 and suicide; and

WHEREAS, the Center for Disease Control & Prevention (CDC) estimates that synthetic opioids, primarily fentanyl, have resulted in approximately 74,000 deaths between July 2021 and June 2022; and

WHEREAS, the illicit use, sale, and distribution of fentanyl is prohibited by the federal government, and state governments have taken additional regulatory and enforcement measures to stem the proliferation of fentanyl and fentanyl-related fatalities; and

WHEREAS, currently pending before the California State Legislature is SB 44 (Umberg) which would require a written notice be provided to those convicted or who have plead guilty to the manufacture or distribution of fentanyl on the potential for criminal liability resulting from any deaths related to the offense; and

WHEREAS, the bill, also known as Alexandra’s bill, is modeled after the State’s existing driving-under-the-influence (DUI) advisory; and

WHEREAS, the proposed advisory would note the danger to human life caused by the manufacture or distribution of controlled substances, and inform persons convicted or pleading guilty to the distribution, import, or sale of fentanyl that they may be held criminally liable for any deaths resulting from the offense in question; and

WHEREAS, it is imperative that the State of California implement all regulatory options available to halt the spread of fentanyl and provide justice to those who knowingly produce or distribute the fatal substance;

NOW, THEREFORE, BE IT RESOLVED that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2023-2024 State Legislative Program SUPPORT for SB 44 (Umberg) which would require a written notice be provided to those convicted or who have plead guilty to the manufacture or distribution of fentanyl on the potential for criminal liability resulting from any deaths related to the offense.

MOTION

The City of Los Angeles in the late 1980s began the practice of establishing gang injunctions referred to as Safety Zones with the goal of deterring gang activity and violence. Injunctions aimed to control behavior such as when and where someone could be and the types of clothing a member of the community could or could not wear.

By the end of 2016, there were 46 gang injunction cases filed on behalf of the City of Los Angeles. Several cases named more than one gang in each petition to the court for the injunction.

On March, 21, 2016 the Council adopted a recommendation by the City Attorney (CF 16-0081) to accept a court settlement in the case entitled Christian Rodriguez, et al. v. City of Los Angeles, et al., United States District Court Case No. CV11-01135 DMG (JEMx) (this matter arises from incidents involving members of the Los Angeles Police Department and the Los Angeles City Attorney's Office between October 2007 and March 2013). This class action represented 6,000 Angelenos impacted by the creation and enforcement of gang injunctions with unconstitutional provisions upheld by the court. The City agreed not to enforce the unconstitutional curfew provisions as well as other provisions that have been invalidated in subsequent appellate decisions for the City's gang injunctions. The City also agreed to payments not to exceed \$7.5 million per year, for four years totaling no more than \$30,000,000 over the four-year period, 2017 to 2021 to non-profit organizations that will assist plaintiffs in the class action lawsuit.

Unfortunately, in the settlement language, the City limited the scope of services the 6,000 class members could receive and specifically tied resources to job readiness programs, apprenticeship programs, vocational counseling, and mentoring. The City centralized the services under the Los Angeles Reconnections Career Academy with the Economic and Workforce Development Department.

According to CF 16-0081-S3, our most recent program report dated January 9, 2023 by the Economic and Workforce Development Department, we are leaving more than 75% of the 6,000 class members behind. **Only 987 of the 6,000 class members (or eligible relatives) have been assisted and we have only expended \$13,301,863 of the \$30 million settlement amount.** Annual program participant numbers show an unacceptably low participation rate that could imply recruitment flaws, lack of needed service delivery and resource options, service providers not understanding the population they are serving and poor retention efforts.

On February 2, 2022 the Council adopted a third extension of the program by having the City Attorney modify the settlement agreement to extend its term for one year, until June 27, 2023 and to modify the settlement agreement to allow class members until March 27, 2023, to sign up for benefits under the settlement agreement (CF 17-0026).

The original intent of the settlement must be honored by supporting those affected by the gang injunctions through resources and services. This is the only way we can restore faith in the City after this violation of rights.

This is an opportunity we should not take lightly. This committed funding and the associated resources can assist in reducing gang violence and save lives. To effectively fulfill the settlement, we must extend the current terms and make changes to honor the 6,000 class members.

PK

The City must involve and fund partners fluent in gang intervention strategies and services that support those impacted by the gang injunctions and their families, taking the lead on identifying class members and supporting them through the process of service provision. Next, the City must implement necessary changes to the current program by expanding service delivery and resource options. Services and resources provided must include childcare, housing/ rental/ utility assistance, food, and other essential living expenses. Finally, the city must utilize the data provided by those contracted to build on the needed services and resources proven to be effective, while also ensuring provider competency through ongoing training and technical assistance.

**I THEREFORE MOVE** that the City Council authorize the City Attorney to modify the settlement agreement to:

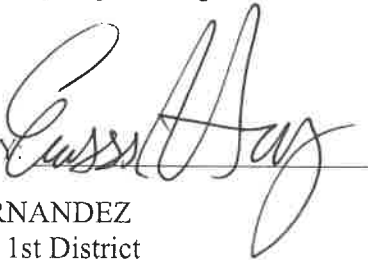

- extend its term for two years, moving the end date from June 27, 2023 to June 27, 2025 and to modify the settlement agreement to allow class members to sign up for benefits under the settlement agreement until March 27, 2025; and
- expand the benefits to include services such as childcare, housing/rental/utility assistance, food and other essential living expenses and ensure that these resources are not contingent on work or education path requirements.

**I FURTHER MOVE** that the City Council instruct the Economic and Workforce Development Department to work with Council Offices and the Mayor’s GRYD Office to report back in 15 days on trusted organizations in the community that are effectively working with gang-impacted Angelenos and a plan for the Economic and Workforce Development Department to contract with them for the purpose of identifying class members and supporting them through the eligibility and benefits process.

**I FURTHER MOVE** that the City Council instruct the Economic and Workforce Development Department to identify and report back in 15 days on the following:

- Outcome data from the existing providers and recommended expanded use of those demonstrating efficacy,
- Agencies effectively working in gang and criminal justice system impacted communities that could be additionally contracted with, and
- How the department will maintain cultural and social competency with the class members through ongoing training and technical assistance.
