MITIGATED NEGATIVE DECLARATION, PLANNING AND LAND USE MANAGEMENT COMMITTEE REPORT and ORDINANCE FIRST CONSIDERATION relative to the zone change for property at 1011-31 Serrano Avenue.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. FIND that this project will not have a significant effect on the environment, pursuant to the City's Environmental Guidelines and is in compliance with the California Environmental Quality Act; that the Mitigated Negative Declaration reflects the independent judgment of the lead agency City of Los Angeles; that the documents constituting the record of proceedings in this matter are located in Council file No. 06-1850 in the custody of the City Clerk and in the files of the Department of City Planning in the custody of the Environmental Review Section; and ADOPT the Mitigated Negative Declaration [ENV 2005-8971 MND] filed on January 30, 2006.

2. ADOPT the September 1, 2006 FINDINGS of the Director of Planning as the Findings of the Council.

3. PRESENT and ADOPT the accompanying ORDINANCE, approved by the Director of Planning, effecting the zone change from R4-1 to (T)(Q)R4-2 for the proposed construction of a six-story, not more than 58 dwelling, units across five parcels located at 1011-31 Serrano Avenue, subject to modified Conditions of Approval to: “Q” Condition No. 3. Height; “Q” Condition No. 12. Children’s Play Area; and deleted “Q” Condition No. 13 as attached to Council file No. 06-1850.

Applicant: Green Harbor, LLC

Said rezoning shall be subject to the "Q" Qualified classification zone limitations substantially as shown on the sheet(s) attached to the Committee report.

4. REMOVE the (T) Tentative classification as described in detail on the sheet(s) attached to the Committee report.

5. ADVISE the applicant of "Q" Qualified classification time limit as described in the Committee report.

6. ADVISE the applicant that, pursuant to California State Public Resources Code Section 21081.6, the City shall monitor or require evidence that mitigation conditions are implemented and maintained throughout the life of the project and the City may require any necessary fees to cover the cost of such monitoring.
7. ADVISE the applicant that, pursuant to State Fish and Game Code Section 711.4, a Fish and Game Fee and/or Certificate of Fee Exemption is now required to be submitted to the County Clerk prior to or concurrent with the Environmental Notice of Determination filing.

TRANS  PORTATION COMMITTEE REPORT and ORDINANCE FIRST CONSIDERATION relative to the application to transfer the pipeline franchise granted by Ordinance No. 174963 from the 8309 Tujunga Avenue Corporation to Penrose Landfill Gas Conversion, LLC (Penrose).

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. FIND that Penrose Landfill Gas Conversion, LLC, is in need of a pipeline franchise to install, retain, operate and maintain pipelines and adjunct communication lines as stipulated in Ordinance No. 174963.

2. PRESENT and ADOPT the accompanying ORDINANCE granting to Penrose Landfill Gas Conversion, LLC, the pipeline franchise privilege previously granted to the 8309 Tujunga Avenue Corporation by Ordinance No. 174963.

Fiscal Impact Statement: The Board of Transportation Commissioners reports that although the proposed transfer of the pipeline franchise from the 8309 Tujunga Avenue Corporation to Penrose will have no impact on the annual franchise fees collected for the affected pipeline, there are other positive financial implications for the City. When the SCAQMD’s new regulations were adopted, Covanta was prepared to shut down the 8309 Tujunga Avenue Corporation's landfill operations; however, the Bureau of Sanitation (BOS) requested Covanta to continue the recovery operations. Therefore, Covanta identified GreenGen Management, LLC (GreenGen) as an interested investor. The BOS owns the Penrose Landfill and another landfill which Covanta performs recovery operations, the Toyon Canyon Landfill.
In keeping the recovery operations intact, the City will be spared the burden of adding personnel to treat the landfill gas and operation and maintain the gas flare system. Additionally, the Toyon Canyon facility pays annual royalties to the City for its operations, which would also have been lost if operations were to cease. Finally the landfill gas recovered at those sites is used as a renewable energy source for the generation of electricity, which contributes to the Department of Water and Power’s attainment of its renewable energy goals.

**06-1805 CD 14** COMMUNICATION FROM VICE-CHAIR, INFORMATION TECHNOLOGY AND GENERAL SERVICES COMMITTEE relative to lease renewal for the Los Angeles Police Department’s (LAPD) Internal Affairs Division.
Recommendations for Council action:

1. AUTHORIZE the Department of General Services (GSD) to negotiate and execute a lease renewal for Suites 240, 310, 480, and 560 at 304 South Broadway, for the LAPD’s Internal Affairs Division (IAD), under the terms and conditions substantially as outlined in the report attached to the Council file.

2. INSTRUCT the GSD to perform a cost/benefit analysis as to the feasibility of purchasing the Bradbury Building and to report back to the Municipal Facilities Committee within 90 days.

Fiscal Impact Statement: The GSD reports that the GSD’s 6030 Leasing Account budget in Fiscal Year (FY) 2006-07 for this lease is $803,382. The new rental rate will increase the lease costs by an additional $73,384 for FY 2006-07. Funding for the additional cost is not included in the FY 2006-07 6030 Leasing Account budget. The GSD will use existing 6030 funds and will request a Financial Report adjustment prior to year-end, if necessary.

Associated parking costs are currently approximately $265,000 per year in addition to rent for the office space. Costs for parking are already included in the GSD 6030 Leasing Account budget in FY 2006-07. Once the lease for this building has been executed, the GSD Asset Management Division intends to renegotiate the parking leases to have concurrent terms with the lease for the office space.
