ENERGY AND ENVIRONMENT COMMITTEE REPORT and ORDINANCE FIRST CONSIDERATION relative to the Board of Water and Power Commissioners (Board) request for authorization to exchange properties between the City and Leslie L. Berens III and Barbara J. Berens.

Recommendations for Council action, SUBJECT TO APPROVAL OF THE MAYOR:

1. CONCUR with the Board action on December 19, 2006, Resolution 007-112, authorizing an exchange of properties and escrow instructions between the City and Leslie L. Berens III and Barbara J. Berens, with the City granting a life estate to the Berens in exchange for the property the City will acquire from the Berens.
2. PRESENT and ADOPT the accompanying ORDINANCE dated March 1, 2007, authorizing the exchange of a life estate for fee ownership in certain properties located in the County of Inyo, California.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that the approval of the proposed Agreement will not impact the City's General Fund. There will be a monetary saving of \$50,000 in the form of a credit against a fine levied by the California Regional Water Quality Control Board. The Department of Water and Power (LADWP) will be obligated to pay the Berens or their estate a maximum of \$50,000 if they surrender the property or pass away before the projected 35-year term of the Life Estate. The difference between the value of the 40 acre parcel received (\$120,000) and the lost rental income to LADWP (\$104,000) results in an increase in the land portfolio of the LADWP Water Revenue Fund.
