Recommendations for Council action, as initiated by Motion (Hahn - Greuel), SUBJECT TO THE APPROVAL OF THE MAYOR:

1. APPROVE the DRP and LADOTs' joint request for the DRP to implement a temporary landscape maintenance program for the LADOT's 73 public parking lots and garages, and four parking enforcement office facilities as detailed in the February 28, 2007 joint DRP/LADOT report and attached to the Council file.
2. AUTHORIZE the inter-fund transfer of \$86,949 from the Special Parking Revenue Fund (SPRF) No. 363/94 to the DRP Fund 302/88 to provide funding for the DRP to provide the landscape maintenance for four parking enforcement office facilities through the end of FY 2006-07.
3. REQUEST the City Attorney to prepare and present an ordinance, pursuant to Charter Section 213, transferring the powers, duties and functions of landscape maintenance services for the parking lots and facilities from the department currently responsible under the Los Angeles Administrative Code to the DRP with the operative date subject to appropriation of funds, and including a sunset clause to repeal said Ordinance as of July 1, 2007.

Fiscal Impact Statement: The DRP and LADOT report that there is an impact to the General Fund. The LADOT will use \$8,828 from its Contractual Services Organization Fund to cover the costs for landscape services for four parking enforcement office facilities because such costs are not eligible for coverage from the SPRF.

In addition, the LADOT will use \$86,949 from the SPRF (Maintenance Repair and Utilities for Off-Street Parking) to cover costs for landscape services for 73 public parking facilities.

Finally, in FY 2007-08 and in subsequent fiscal years as needed, the LADOT will budget funds from LADOT Fund 100/94 and the SPRF to cover these costs for the landscape services to the 73 parking lots and four field office facilities.
