Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. CONCUR with the Board of Water and Power Commissioners action on December 19, 2006, Resolution No. 007-113, authorizing the sale of 18 excess City-owned properties (a total of 27.39 acres) located in the towns of Independence, Big Pine and Laws, in Inyo County, at public auction, to fulfill a portion of a stipulation in the Inyo/Los Angeles Long-Term Water Agreement.
2. PRESENT and ADOPT the accompanying ORDINANCE approving the sale of 18 excess City-owned properties to fulfill a portion of a stipulation in the Inyo/Los Angeles Long-Term Water Agreement.

Fiscal Impact Statement: The City Administrative Officer reports that the approval of the proposed request will not impact the City General Fund. The Water Revenue Fund will receive a minimum of \$3,581,000 if all the properties are sold at the proposed auction. Funds required to advertise and conduct the auction will be drawn from the Water Revenue Fund. Since the proposed Agreement will not impact the City's General Fund, the City's Financial Policies are not applicable.

ARTS, PARKS, HEALTH AND AGING COMMITTEE REPORT relative to the designation/reallocation and swapping of Proposition 12 and Proposition 40 funds for various projects.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. APPROVE reallocations of Proposition 12 Per Capita discretionary funds totaling \$968,538 and Proposition 40 Per Capita and Roberti Z'Berg Harris discretionary funds totaling \$3,369,900 to the following projects, as noted in Attachments 1 and 2 of this Committee report: Echo Park Pool (CD 1), Tierra de la Culebra (CD 1), Griffith Park - Captain's Roost (CD 4), Griffith Park - Dante's View (CD 4), Crenshaw High School (CD 8), Fred Roberts Park (CD 9), Northridge Park Pool and Bathhouse (CD 12) and San Pedro Welcome Park (CD 15) in order to maximize the City's ability to use these funds.
2. AUTHORIZE the respective administrative entity, Community Development Department or Department of Recreation and Parks, to negotiate and execute the necessary subgrant agreements and submit the necessary applications to the State to obtain approval of the allocation of funds to these projects.
3. REQUEST that the Board of Recreation and Park Commissioners concur with the above actions.
4. AUTHORIZE the City Administrative Officer to make any technical adjustments that may be needed to implement the above recommendations.

Fiscal Impact Statement: The L.A. for Kids Steering Committee reports that approval of the allocations of State Proposition 12 and 40 funds will not have an impact on the General Fund, inasmuch as the projects are expected to be constructed within their previously established and approved budgets.

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to proposed Board of Water and Power request for authorization to execute an amendment to the agreement with McBain & Trush, Inc., for continued services of Dr. William Trush in the oversight of the Mono Basin stream monitoring program.

Recommendation for Council action:

CONCUR with the Board of Water and Power Commissioners action of November 20, 2007, Resolution No. 008-111, authorizing the execution of Amendment No. 3 to Agreement No.10393 with McBain & Trush, Inc., to increase the expenditure limit from \$1,762,542 to \$2,688,187, and extend the duration from nine years three months to fourteen years three months, to continue to employ Dr. William Trush to direct and oversee the Mono Basin stream monitoring program.

Fiscal Impact Statement: The City Administrative Officer reports that the proposed Third Amendment will consist of an additional expenditure by the Los Angeles Department of Water and Power (LADWP) of \$925,645, which will be provided from the Water Revenue Fund over a five-year period. Since the LADWP is only bound by the City Debt Management Policies, the City Financial Policies are not applicable. Approval of the proposed Amendment will have no impact on the City General Fund.

Recommendation for Council action:

AUTHORIZE the Board of Public Works to execute the First Amendment with ABB, Incorporated for the provision of hardware and software maintenance and support services for a period of one year and at a cost of \$210,671.

Future funding will come from the same source, subject to the approval of both Mayor and Council during the annual budgetary process. There is no impact on the General Fund.

PUBLIC SAFETY COMMITTEE REPORT relative to a grant award from the United States Department of Justice (DOJ), Bureau of Justice Assistance for the Los Angeles Police Department's (LAPD) Bulletproof Vest Partnership Program.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE the Chief of Police, or designee, to:
  - a. Retroactively submit an application for the ninth year of the Bulletproof Vest Partnership Program to the DOJ.
  - b. Accept the grant award of \$787,548 on behalf of the City of Los Angeles for the period of July 1, 2007 through June 30, 2008.
  - c. Submit the necessary documents to the DOJ to receive reimbursements.
2. AUTHORIZE the LAPD to:
  - a. Receive and deposit Bulletproof Vest Partnership Program grant funds into Fund 100/70, Account No. 4430.
  - b. Prepare Controller instructions for any necessary technical adjustments consistent with this action, subject to the approval of the City Administrative Officer (CAO); and, authorize the Controller to implement the instructions.

Fiscal Impact Statement: The CAO reports that the acceptance of the grant award in the amount of \$787,548 from the DOJ's Bulletproof Vest Partnership Program requires a matching contribution from the City in the same amount. This obligation is already included in the LAPD's 2007-08 Adopted Budget. No additional General Fund appropriation is required. The above recommendations comply with City financial policies inasmuch as one-time revenue will be used to support one-time costs.

**ITEM NO. (6) - MOTION ADOPTED TO APPROVE COMMITTEES' REPORT AND COMMUNICATION RECOMMENDATIONS - TO THE MAYOR FORTHWITH**

BUDGET AND FINANCE and PERSONNEL COMMITTEES' REPORT and COMMUNICATION FROM CHAIR, AD HOC COMMITTEE ON GANG VIOLENCE AND YOUTH DEVELOPMENT relative to Young Women From Adversity to Resiliency Violence Intervention Program Grant Award (YWAR).

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE the Interim Executive Director, Commission on the Status of Women (CSW), or designee, to:

- a. Accept the Los Angeles County Juvenile Justice Coordinating Council (JJCC) grant award in the amount of \$276,600 to support YWAR for the period July 1, 2007 through June 30, 2008.
  - b. Execute the Memorandum of Understanding between the CSW and the Los Angeles County Probation Department, relative to the receipt of the JJCC grant award and reporting requirements, subject to the approval of the City Attorney as to form and legality.
2. REQUEST that the CSW report back to the Mayor and Council in 60 days before another professional services contract is executed with an independent contractor for further evaluations relative to:
- a. An assessment and response to the results and conclusion of the July 2007 year-end program evaluation of Phase Two.
  - b. A cost/price analysis and determination whether all of the performance criteria have been met for the prior two phases.
3. AUTHORIZE the Controller to:

- a. Establish the following accounts in the Schiff-Cardenas Act Fund 45D and appropriate the following amounts upon receipt of the grant funds:

<u>Account</u>	<u>Title</u>	<u>Amount</u>
C120	Salaries	\$250,042
C301	Professional Services	20,000
C302	Supplies and Mileage	500
C303	CBO Contracts	100
C304	Curriculum, Materials	<u>5,958</u>
	Total	\$276,600

- b. Appropriate \$250,042 and transfer from Fund 45D to Fund 100/20, Account No. 1010 - Salaries General.
4. AUTHORIZE the transfer of any balances resulting from grant reimbursements received after July 1, 2008 for expenditures that have occurred between July 1, 2007 and June 30, 2008 into appropriate CSW accounts, upon receipt of transfer instructions from the Interim Executive Director, CSW, subject to the approval of the City Administrative Officer (CAO).
5. AUTHORIZE the Interim Executive Director, CSW, or designee, to prepare Controller instructions for any necessary technical adjustments that may be required consistent with this action, subject to the approval of the CAO; and, AUTHORIZE the Controller to implement the instructions.

Fiscal Impact Statement: The CAO reports that acceptance of this grant from JJCC would result in \$276,600 of funding to implement YWAR. The full cost to the City to administer YWAR is approximately \$695,795, which includes all direct and indirect costs. Additional costs in the amount of \$419,195 costs not paid by the grant are subsidized by the General Fund. The CAO notes that City financial policies state that the City should strictly limit financial support of grant-funded programs

to avoid commitments that continue beyond available funding. This condition is not met for YWAR. However, the Mayor's Office and Council have made a policy decision to support this program since its inception in 1999.

1. DETERMINE that the "Public Convenience or Necessity" WILL NOT BE SERVED by the proposed sale of alcohol for off-site consumption at J. L. (LAST DAY FOR COUNCIL ACTION – JANUARY 22, 2008)

**ADOPTED**

**Motion (Reyes - Rosendahl)**

**Recommendation for Council action:**

1. **DENY the application for a finding of "Public Convenience or Necessity" for the sale of alcoholic beverages for off-site consumption at 2131 North Broadway, J. L. Meat Market, in the Lincoln Heights section of the City of Los Angeles, and**
2. **FIND that the "Public Convenience or Necessity" will not be served by the proposed sale of alcohol for off-site consumption at 2131 North Broadway, J. L. Meat Market, inasmuch as the proposed site is located in a high crime area within the meaning of California's Business and Professions Code Section 23958.4(a)(1). Section 23958.4(a)(1) provides**

**"undue concentration" means... [the] premises for [a]... license are located ...in a crime reporting district that has a 20 percent greater number of reported crimes as determined from all crime reporting districts within the jurisdiction of the local law enforcement agency."**

- 3. FIND that there is "undue concentration" of existing liquor licenses for off-site consumption within the meaning of California's Business and Professions Code Section 23958.4(a)(3). Section 23958.4(a)(3) provides "undue concentration' means ...[a]s to off-sale retail license applications, the ration of off-sale retail licenses to population in the census tract or census division in which the applicant premises are located exceeds the ratio off-sale retail licenses to population in the county in which the applicant premises are located."**
- 4. FIND that the proposed site is also located in close proximity to several sensitive uses in the neighborhood.**
- 5. RECOGNIZE that the evidence in the record of the administrative proceedings which supports this Motion is as follows:**
  - A. The proposed location is situated in a high crime reporting district, and the proposed location is located on the border of four reporting crime districts. The crime statistics for Reporting District No. 412 in 2005 were a total of 589 crimes, the City average was 291 and the high crime average was 342 crimes. The Los Angeles Police Department as well as the community has expressed concerns that the sale of liquor at the proposed location will add to existing law enforcement problems and the City's existing land use tools are not effective to abate the negative impacts which result from the sale of liquor in high crime areas.**
  - B. There is undue concentration of existing liquor licenses in the area. The Department of Alcoholic Beverage Control (ABC) allows a total of seven liquor licenses in this census tract (four on-site and three off-site). However, ABC has actually issued 13 liquor licenses (seven on-site and six off-site). All seven of the on-site licenses are within 1,000 feet of the proposed site and one of the six off-site license is within 600 feet of the proposed site.**
  - C. The proposed location is also situated in close proximity to a number of sensitive uses which consist of two churches, two recreation centers, two senior service centers, an elementary school and an early education center all of which are listed below:**

The Iglesia del Nazareno Church which is located at 124 South Avenue 22 and is within 500 feet of the proposed location; Young Nak Presbyterian Church is located at 1721 North Broadway and is within 1000 feet of the proposed location; Albion Elementary School is located at 322 South Avenue 18 and is within 1000 of the proposed location; Albion Early Education Center is located at 348 South Avenue 18 and is within 1000 feet of the proposed location; the Downey Recreation Center is located at 1722 North Spring Street and is within 1000 feet of the proposed location; the Lincoln Heights Recreation Center is located at 2323 Workman Street and is within 1000 feet of the proposed location; and, the La Fontana Adult Day Care Center is located at 2309 Daly Street and is within 1000 feet of the proposed location.

6. **INSTRUCT** the City Clerk to transmit a copy of this action to the California Department of ABC as the required findings under California Business and Professions Code Section 23958.4.
