COMMUNICATION FROM CHAIR and MEMBER, TRANSPORTATION COMMITTEE and
ORDINANCE FIRST CONSIDERATION relative to fixing the rates and charges for non-ambulatory
passenger vehicle service in the City of Los Angeles.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. FIND that, based on increases in industry costs, rate adjustments for non-ambulatory passenger vehicle services are appropriate and that the proposed schedule of rates and charges as shown in Board Order 590 is just, reasonable, non-discriminatory and non-preferential for all permitted non-ambulatory passenger vehicle services.
2. RESCIND Board Order 588 and adopt Board Order 590 establishing the rates and charges for non-ambulatory passenger vehicle services in the City of Los Angeles.

3. PRESENT and ADOPT the accompanying ORDINANCE to establish the 2008-09 rates to be charged for non-ambulatory passenger vehicle services in the City of Los Angeles.

Fiscal Impact Statement: The City Administrative Officer reports that implementation of the above recommendations do not impact the City's budget. The rates discussed are those charged to private non-ambulatory passenger vehicle service users and do not affect the fees paid to the City for vehicle permits. However, the financial impact on City residents should be minimal because the majority of non-ambulatory passenger transportation users are those covered by Medical, Medicare, the County of Los Angeles contracts and private insurance companies.

Community Impact Statement: None submitted.

ITEM NO. (2) - PUBLIC HEARING CLOSED - MOTION ADOPTED TO APPROVE COMMUNICATION RECOMMENDATIONS
