With the approval of the recommended transfer of \$80 million from the Reserve Fund to the General Fund, the Reserve Fund balance is estimated at \$126.7 million (consisting of \$120.9 million in the Emergency Reserve Account and \$5.7 million in the Contingency Reserve Account). The Reserve Fund balance at the year-end is estimated to be \$39.3 million, assuming the receipt of anticipated receipts and judgment obligation bond proceeds and the subsequent transfer of funds from the Reserve to the General Fund to cover the remaining \$142.4 million deficit.

Transfers, appropriations and other adjustments totaling approximately \$168.0 million are recommended in Sections 2 and 3 of the CAO's Fourth FSR, which includes a \$22 million proposed transfer from the Unappropriated Balance, Reserve for Economic Uncertainties to the Police Department sworn salary account.
