Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. FIND that the Project and the City Loan meets National Objective, Eligible Activities and Public Benefit of the Code of Federal Regulations (CFR); and the Project is necessary and appropriate to accomplish the City's economic development objectives.

2. AUTHORIZE the General Manager, CDD, or designee, to:

   a. Negotiate and execute a Promissory Note in favor of the U. S. Department of Housing and Urban Development (HUD) and the related documents (HUD Documents) for the borrowing of up to $19,250,000 by the City pursuant to Section 108 Loan Guarantee program from HUD, in order to provide financial assistance for the development of the Project, subject to the approval of the City Attorney as to form and legality.

   b. Negotiate and execute amendments of the HUD Documents that may be necessary, relative to the intent of the CDD report dated May 12, 2010, subject to the approval of the City Attorney as to form and legality.

   c. Negotiate and execute a City Loan Agreement and related documents (City Loan Documents) for advancing City loan of up to $19,250,000 (City Loan) to the Borrower, for the reasonable and eligible development costs of the Project, subject to the approval of the City Attorney as to form and legality.
d. Request for annual budgetary appropriation of Site Specific Tax Revenues (SSTR) from the Project as provided in the CDD report dated May 12, 2010, consisting of the City's share of sales tax, City's Business Tax and Utility Taxes, for a maximum of 49 percent of total in the course of the City Loan, and apply the SSTR towards debt service and repayment of the City Loan.

e. Negotiate and execute Pledge and Assignment Agreement with the Community Redevelopment Agency (CRA) of the City of Los Angeles, for the pledge of a 100 percent of net Site Specific Tax Increment Revenues (SSTI) from the Project, as provided in the CDD report dated May 12, 2010, and apply towards debt service and repayment of the City Loan, subject to the approval of the City Attorney as to form and legality.

f. Negotiate and execute agreements that will subordinate the City Loan to a construction or a permanent loan, and also other amendment(s) to the City Loan Documents relative to the intent of the CDD report dated May 12, 2010, subject to the approval of the City Attorney as to form and legality.

g. Prepare Controller's instructions, with the concurrence of the City Administrative Officer (CAO), including any future technical adjustments relative to the intent of the CDD report dated May 12, 2010, and authorize the Controller to implement these instructions.

3. Fiscal Impact Statement: The CDD reports that the actions recommended have no impact on the current General Fund of the City. The Project that is subject to financial assistance of the City Loan is projected to cause increases in the future General Fund of the City. A portion of the future increases in the General Fund of the City is recommended to assist the funding gap of the Project; by total of up to 49 percent of the SSTR generated from the Project to pay for the debt service and repayment of the City Loan, until the City Loan is repaid. In the course of the City Loan, 51 percent of the SSTR from the Project will result in the increase in the General Fund of the City.
