(Housing, Community and Economic Development Committee report to be submitted in Council. If public hearing is not held in Committee, an opportunity for public comment will be provided.)
ADOPTED, AS AMENDED

CATEGORICAL EXEMPTION, HOUSING, COMMUNITY AND ECONOMIC DEVELOPMENT COMMITTEE REPORT and RESOLUTION relative to funding for public improvements and landscaping improvements on Victory Boulevard.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. FIND that the proposed construction of public improvements and landscaping improvements on Victory Boulevard (Project) is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15301(c) and 15304(b) of the Community Redevelopment Agency (CRA) CEQA Guidelines.

2. ADOPT the accompanying RESOLUTION (Attachment B of the CRA report dated December 2, 2010) under the California Health and Safety Code Section 33445 finding that: a) the use of CRA Laurel Canyon Commercial Corridor funds not to exceed $150,000 to pay for the construction of public improvements and landscape improvements on City-owned sidewalks on Victory Boulevard in the Laurel Canyon Commercial Corridor Redevelopment Project Area (Project Area) will benefit the Project Area by eliminating blight within the Project Area; b) the proposed expenditure is the only reasonably available means of financing these services for Laurel Canyon Commercial Corridor; and c) the construction of public improvements is consistent with the Five-Year Implementation Plan adopted by the CRA Board of Commissioners for the Project Area.

3. INCREASE the Project amount not to exceed $2,172,100 to cover the entire Laurel Canyon Project Area and not limited exclusively to Victory Boulevard for public improvements of sidewalks, tree wells, landscaping, street improvements, medians, lighting, crosswalks, signage, and street furniture. Additional funding will be provided as follows: $1.64 million from the Valley Plaza Project, $382,100 in Assembly Bill 1290 (AB 1290) funds, and $150,000 for Victory Boulevard improvements.

4. AUTHORIZE the CRA Chief Executive Officer, or designee, to amend the CRA 2010-11 Budget and Work Program for the Laurel Canyon Commercial Corridor Redevelopment Project Area to transfer $150,000 of AB 1290 funds from the Economic Development (LC2990) budgeted line category to the Public Improvement (LC3100) budgeted line category for public improvements and landscaping improvements on Victory Boulevard.

5. AUTHORIZE the Controller to transfer Laurel Canyon Commercial Corridor funds in an amount not to exceed $150,000 to either the Department of Public Works, Bureau of Street Services (BOSS) or the Department of General Services (GSD), through either the existing cooperation agreement between the CRA and BOSS (Contract No. 503526) or GSD (Contract No. 503391), to construct sidewalk and landscaping improvements on Victory Boulevard in the Project Area (Upon Council approval, the CRA will discuss the Project with BOSS and GSD to determine which City department has the capacity to construct the improvements under the respective cooperation agreement at the time that the CRA is ready to proceed).
6. AUTHORIZE the GSD General Manager, or the Bureau of Street Services Director, or
designees, to prepare Controller instructions for any necessary technical adjustments
consistent with the City Administrative Officer (CAO) report dated January 18, 2011,
subject to the approval of the CAO and authorize the Controller to implement the
instructions.

**Fiscal Impact Statement:** The CAO reports that there is no impact on the General Fund at
this time. Approval of the recommendations will result in the expenditure of $150,000 of AB
1290 funds from the Laurel Canyon Commercial Corridor Redevelopment Project Area for the
public and landscape improvements on Victory Boulevard. While one-time AB 1290 funds
are provided for the improvements, no funding source is identified for ongoing tree
maintenance after the initial two-year period. Funding for the Department of Urban Forestry
work program at the Department of Public Works, Bureau of Street Services will be subject to
future appropriations by the Mayor and Council. As such, the recommendations are in
compliance with the City's Financial Policies in that a one-time expenditure of a General
Fund department is an adjunct to a one-time source of funds. The City's Financial Policies
are not applicable to the CRA. The CRA is bound only by the disclosure provisions of the
City’s Debt Management Policies. The recommendations are in compliance with the CRA
Financial Policies in that they are consistent with the Budget and Work Program for the
