COMMUNICATION FROM THE CITY ADMINISTRATIVE OFFICER (CAO) relative to Amendment No. 14 to a contract with Hess & Associates, Inc. (Hess) to increase funding and extend the term by an additional two years for continued support of the Payroll System Replacement (PaySR) Project.

Recommendation for Council action:

AUTHORIZE the General Manager of the Information Technology Agency (ITA) to execute Amendment No. 14 to Contract No. 105458 with Hess to increase funding by an amount of \$1,683,000 for a total contract amount not to exceed \$9,194,500 and extend the term by an additional two years to July 31, 2013 for continued support of the PaySR Project, subject to the approval of the City Attorney.

Fiscal Impact Statement: The CAO reports that the proposed amendment would add \$1,683,000 for a contract total not to exceed \$9,194,500. The funding complies with the City Financial Policies in that this amount is provided from ongoing revenue included in ITA's 2011-12 Adopted Budget for the first year of the amendment. This contract further complies with the Financial Policies because it limits the City's financial obligation to the amount appropriated by the Mayor and Council for this purpose. Since funds for this contract amendment are budgeted in ITA's 2011-12 Contractual Services Account, there is no additional impact on the General Fund resulting from the execution of Amendment No. 14 to Contract No. 105458.

Community Impact Statement: None submitted.
