COMMUNICATION FROM THE BOARD OF RECREATION AND PARKS COMMISSIONERS relative to proposed Supplemental Agreement No. 2 to Contract No. 2936 with URS Corporation, a Nevada Corporation (URS), dba URS Corporation Americas for as-needed environmental consulting services.

Recommendations for Council action:

1. APPROVE Supplemental Agreement No. 2 to Contract No. 2936 with URS, for as needed environmental research, planning, impact assessment, regulatory compliance, and management services as described in the December 15, 2011 Board of Recreation and Parks Commissioners (Board) and attached to the Council file, to extend the term of the contract by one year, for a new total of 13 years, and increasing the contract amount by $100,000 from $900,000 to $1,000,000, while maintaining the hourly rates through 2012, subject to approval of the City Attorney as to form.

2. FIND pursuant to Charter Section 1022 and Los Angeles Administrative Code (LAAC) Section 10.15(a)(10) the Department of Recreation and Parks (RAP) does not have personnel available in its employ with sufficient time and expertise to undertake these specialized professional tasks in a timely manner, that it is more feasible and economical to secure these services by contract, and the use of competitive bidding would be undesirable, impractical or impossible.

3. FIND, in accordance with Charter Section 371(e)(2) and LAAC Section 10.15(a)(2) that competitive bidding is not practicable or advantageous as it is necessary for the RAP to be able to call on contractors to perform this work as needed on a temporary and occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as needed contractor.

4. AUTHORIZE the President and Secretary of the Board to execute Supplemental Agreement No. 2 to Contract No. 2936 with URS upon receipt of necessary approvals.

Fiscal Impact Statement: The Board reports that there is no anticipated fiscal impact to the RAP's General Fund because all compensation to the consultant is provided in the funding of each individual project that the firm works on; therefore, there will be no decrease in revenue or increase in costs to the City.

Community Impact Statement: None submitted.
