TRANSPORTATION COMMITTEE REPORT relative to instituting a Car Share Pilot Program in Hollywood.

Recommendation for Council action, pursuant to Motion (Garcetti - Greuel):

DIRECT the Department of Transportation (LADOT), working with the City Attorney, to report to the Transportation Committee within 30 days on the viability of instituting a one-year Car Share Pilot Program in Hollywood to promote car-sharing as a transportation option with the report to include, but not be limited to, a discussion of the legality of designating on-street parking spaces for the exclusive use of car-sharing vehicles, either through Section 80.66.1 of the Los Angeles Municipal Code (LAMC)(Taxi Zones), using definitions established in LAMC Section 71.00 or through any other means, and the report should address the feasibility of including the following components in the Car Share Pilot Program:

a. An application and permit issuance procedure through which car-sharing organizations would obtain the use of designated car-sharing parking spaces.

b. A process through which the location for the designated car share parking spaces would be determined.
c. A proposed amount for a fee that would be paid by the car-sharing organization, not to exceed $150, based on cost-of-service for the installation of maintenance of any on-street or City-owned off-street car share space.

d. A list of data that participating car-sharing organizations would need to provide the LADOT for evaluation purposes (e.g., data on the impact of car-sharing in terms of car ownership, vehicle miles traveled, peak-hour trips, modal split, and parking).

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.
