#### MOTIONS/RESOLUTIONS REFERRED BY CITY COUNCIL

[06-0249-S1](#)

(Greuel - LaBonge) directing the DOT to report on the implementation of the recommendations identified in the February 2, 2006 Controller's Special Revenue Fund Audit of the DOT, as outlined in detail in said Motion; etc.

To Audits & Governmental Efficiency Committee

[06-0279](#)

(Rosendahl - Smith) that the CAO report within 90 days on the Department of Water and Power's management of its real estate holdings, specifically looking at existing leases, past sales and unrealized opportunities for leases and potential sales; etc.

To Energy & the Environment Committee

[06-0100-S3](#)  
CD 10

(Wesson - Zine) instructing the Community Development Department to review the Korean American Federation of Los Angeles Senior Center Project for Community Development Block Grant eligibility; etc.

To Housing, Community & Economic Development Committee

[06-0002-S19](#)

(Reyes - Huizar - Garcetti) with the concurrence of the Mayor, that the City include in its 2005-2006 Federal Legislative Program, opposition to H.R. 4437 (Sensenbrenner), the Border Protection, Antiterrorism, and Illegal Immigration Control Act of 2005, which would give the Secretary of Homeland Security authorities to tighten border security and enforce immigration laws.

To Intergovernmental Relations Committee

[06-0002-S20](#)

(Rosendahl - Garcetti) with the concurrence of the Mayor, that the City include in its 2006 Federal Legislative Program, support for reauthorization of the Ryan White CARE Act, and urges the Congress to pass CARE Act Legislation as outlined in detailed in said Resolution; etc.

To Intergovernmental Relations Committee

[06-0280](#)

(Rosendahl - Reyes) instructing the Planning Department, in consultation with the City Attorney, to prepare and present an ordinance that would require developers to defend and indemnify the City against any litigation arising out of the City's approval of a subdivision as a requirement for receiving approval for the subdivision, and which would be incorporated into the project's Conditions of Approval, similar to the policy requirement of the County of Los Angeles' Department of Regional Planning, which is codified in County Code §22.04.090; etc.

To Planning and Land Use Management Committee

[06-0281](#)

(Rosendahl - Reyes) requesting the City Attorney, with advice from the Department of City Planning, to prepare and present an ordinance that would require developers to make the City a party to any confidential or non-disclosure agreements that it executes with companies retained to prepare documents required under the California Environmental Quality Act and to acknowledge in that agreement that documents given to the City will be subject to disclosure under the California Public Records Act.

To Planning and Land Use Management Committee

[06-0282](#)

(Garcetti - Reyes) that the Department of City Planning, in consultation with the DOT, the Department of Public Works, and the City's Pedestrian Advisory Committee, be directed to develop a "walkability checklist" that can be applied to appropriately sized land use projects as part of Site Plan Review or another applicable review process, determine the project size threshold for this process, and develop recommendations within 90 days for Council adoption.

To Planning and Land Use Management Committee

[06-0272-S1](#)

(Weiss - Rosendahl for Parks - Garcetti) that the City Council supports the efforts for the LAPD and LAFD to prepare and respond to terrorist attacks and other disasters by immediately convening hearings on the Mayor's proposed Homeland Security and Disaster Preparedness Plan (attached to said Motion); etc.

To Public Safety Committee  
To Personnel Committee  
To Budget and Finance Committee

[04-1281-S2](#)

(Smith - Greuel) directing the DOT to report on the overall status of the City's Speed Hump Program, including, but not limited to, data on the success of speed humps in slowing traffic and improving pedestrian and vehicular safety in local neighborhoods; updates on any improvements to the petition process; the expected number of speed humps to be completed this fiscal year; anticipated annual expenditures; existing resource allocation; the current project prioritization process; and current community outreach efforts.
