CD 4

Communication from the Department of Transportation relative to an amendment of boundaries and parking restrictions of Temporary Preferential Parking District No. 84 on the blocks near Cahuenga Boulevard and Broadlawn Drive.

To Transportation Committee

MOTIONS/RESOLUTIONS REFERRED BY CITY COUNCIL

06-0600

(Garcetti - Parks) that the Council action of April 5, 2006 relative to the schedule for the Council's consideration of the Mayor's Proposed Budget for 2006-07, be amended to cancel the special meeting of Monday, May 15, 2006, and the first special meeting for this purpose will take place on Tuesday, May 16, 2006, immediately upon the conclusion of that day's regular Council meeting.

To Budget & Finance Committee

06-1079
CD 7

(Padilla - Garcetti) that the Los Angeles Police Department-Valley Traffic Division be directed to coordinate a specialized Commercial Vehicle Task Force to enforce all City ordinances and sections of the California State Vehicle Code as applicable to commercial vehicular traffic, etc.; that the Environmental Affairs Department, work in conjunction with the California Air Resources Board on how it will assist this specialized task force by informing and training officers on existing ordinances, vehicular codes, etc.; and that the targeted enforcement area of this specialized task force be focused along the San Fernando Road corridor in the Pacoima community, etc.; and that all reports be presented to the Council.

To Energy & Environment Committee
To Transportation Committee

06-1080

(Parks - Greuel) that the City Council direct the Department of Transportation (LADOT) to report on the impacts to the city of the Call for Project program changes that were recently approved by the Los Angeles County Metropolitan Transportation Authority Board of Directors.

To Transportation Committee

06-1081

(Greuel - Garcetti - LaBonge) that the City Council direct the LADOT to report to the Transportation Committee on the recently-approved bond infrastructure package, specifically the impacts on the City's transportation programs and projects, any new funding opportunities and steps the Department is taking to ensure the city is in the best position to access any new funds.

To Transportation Committee

06-1082
CD 7

(Padilla - Cardenas) that the City Council request the LADOT to conduct a survey and assessment of existing and proposed vehicular traffic flow patterns on streets within the Sylmar community of the City of Los Angeles, in the area adjacent to the proposed Valley Region ES #8 (bounded by Maclay Street, Foothill Boulevard, Brand Street, and Bromont Avenue) and provide recommendations that will protect, as well as enhance, the local residential community from parking and transportation impacts resulting from the development of the new school at this particular site.
