To Public Safety Committee

#### MOTIONS REFERRED BY CITY COUNCIL

06-2927

(Zine - Smith) that the Mayor's Office be requested to provide information regarding the grants it administers including: the amount of each grant; funding source; any matching requirements; and, breakdown of staff assigned to each grant. That the City Administrative Officer (CAO) be instructed to report back on how the grant administration process can be streamlined or consolidated for efficiency to minimize administrative and overhead costs.

To Budget & Finance Committee

06-2926

(Reyes - Perry) that the Planning Department, Department of Building and Safety, Bureau of Sanitation, and Department of Water and Power (LADWP) be instructed to report on the various uses of Grey Water and Recycled Water, and to specifically address what the barriers to the use of Grey and Recycled water are at various categories of sites, including those zoned residential, commercial and industrial; etc.

To Energy & Environment Committee

06-2931

(Huizar - Perry) that the LADWP report in 30 days on the nature and viability of hygroscopic technology which derives water from the atmosphere, or any similar water condensation technology; and the potential for using this water-producing technology in the City as an emergency water source.

To Energy & Environment Committee

06-2928

(Rosendahl - Reyes) that Council direct the Los Angeles City Housing Department (LAHD) to develop a permanent database of City-approved affordable housing units, including address, owner unit size, unit configuration, date of first occupancy permit, and date of expiration (if applicable), and to continuously update that database on an ongoing basis; etc.

To Housing, Community & Economic Development Committee

06-2925

(Huizar - LaBonge) that the City Attorney be requested to prepare and present an ordinance to permit the payment of graffiti rewards from \$1,000 up to \$5,000 depending on the severity of the particular graffiti incident. Currently graffiti rewards are limited to \$1,000.

To Public Safety Committee

06-2929

(Smith - Zine) that the CAO and the Chief Legislative Analyst (CLA) be directed to report with recommendations to provide increased leadership training for the Fire Department's command structure.

To Public Safety Committee

06-2930

(Hahn - Perry - Parks) that the CLA and CAO be instructed to report to Council on what steps would be needed to create a position of Inspector General within the Board of Fire Commissioners in order to ensure that the City's goal of eradicating discrimination and harassment is fully enacted.
