Communication from the Board of Airport Commissioners relative to Board Order No. AO-5040 which authorizes a five-year Replacement Lease between the City of Los Angeles and Virgin Atlantic Airways, Ltd., covering a leasehold located in Cargo Building "A" at 5758 West Century Boulevard at Los Angeles International Airport.

To Trade, Commerce & Tourism Committee

MOTIONS AND RESOLUTIONS REFERRED BY CITY COUNCIL

06-3230

(Greuel - Rosendahl) that the Bureau of Sanitation and Airport Department be instructed to report on what is being done to promote recycling at Los Angeles Airports, and to include in their report information on any recycling programs in which airlines currently participate and an assessment of the feasibility of a pilot program designed to increase recycling programs in which airlines currently participate and an assessment of the feasibility of a pilot program designed to increase recycling participation by individuals and concession vendors in airport terminals.

To Energy & Environment Committee

07-0002-S6

(Perry - Parks) with the concurrence of the Mayor, the City of Los Angeles hereby include in its 2007-08 Legislative Program, support for legislation which would preserve Allensworth as a historical state park and an important piece of California's Black history; and urge the Tulare County Board of Supervisors to find another site for the dairy operation.

To Intergovernmental Relations Committee

07-0002-S7

(Reyes - Rosendahl) with the concurrence of the Mayor, the City of Los Angeles hereby include in its 2007-08 State Legislative Program sponsorship and support of legislation that would amend the California Vehicle Code to assign responsibility of any collision between vehicles and bicyclists to the motorist.

To Intergovernmental Relations Committee

06-3231

(Reyes - Rosendahl) that the Council direct the Department of City Planning and the Department of Transportation (LADOT) to report on the feasibility of developing a policy and/or ordinance that would call for the consideration of bicyclist and pedestrians in the planning, design and construction and reconstruction of all transportation projects.

To Planning & Land Use Management Committee

06-3232

CD 6

(Cárdenas - Smith) that the Planning Department with the assistance of the City Attorney, City Engineer, LADOT, Department of Public Works and the Department of Airports be directed to report in 30 days with recommendations to create a policy and a mechanism to permit the removal of "T" conditions at Van Nuys Airport (CPC 86-788, Subarea 240) to allow individual lease holders at Van Nuys Airport to move forward with their improvement projects.

To Planning & Land Use Management Committee

06-3233

CD 10

(Wesson - Parks) that the Council direct the Planning Department, in coordination with the LADOT, and the Bureau of Engineering, to prepare and present the necessary documents and plan amendments to the "Streets and Highways Designation Map" of the Transportation Element of the General Plan and to the Wilshire Community Plan, to re-designate and downgrade a segment of Edgewood Place between La Brea Avenue and Highland Avenue from its current street classification of Secondary Highway to a collector street, to preserve the residential character of this portion of Edgewood Place; etc.

To Planning & Land Use Management Committee
To Transportation Committee

06-3234

(Perry - Parks) that the Council instruct the Department of Building and Safety, and the Los Angeles Fire Department to immediately report on its enforcement of fire and building and safety codes for all major Downtown development projects.

To Planning & Land Use Management Committee
To Housing, Community & Economic Development Committee

06-3235

CD 5

(Weiss - Greuel) that the Council authorize acceptance of the gift of \$75,000 from the developer of the project located at 4702 Fulton; such amount will be expended for community benefits within close proximity to the project; and will ideally include landscaping with trees along the freeway and along the public right-of-way, subject to review by Council District 5, applicant, Neighborhood Council and local homeowner association. The applicant further agrees to the dedication for the wider street, if in the future the City wishes to undertake the street widening project; etc.
