To Transportation Committee
To Information Technology and General Services Committee

MOTIONS/RESOLUTION REFERRED BY CITY COUNCIL

(Perry - LaBonge) that the Department of Recreation and Parks report on Quimby Fees including the locations of where the Department collected Quimby fees in CD 9, and related matters.

To Arts, Parks, Health and Aging Committee

(Alarcón-Garcetti - Cárdenas) that the CLA and the CAO report within 30 days regarding the impact of previous Council actions in restricting investment and contracting with businesses that do business with Myanmar.

To Budget and Finance Committee

(Zine - LaBonge) that the Bureau of Sanitation, with the assistance of the Environmental Affairs Department, CLA, CAO, and other relevant departments, as required, report on the feasibility of establishing a Citywide policy that would ban the use of Styrofoam in all City departments, venues, and events, and prepare recommendations to accomplish that end.

To Energy and Environment Committee

(Perry - Zine) that the City Attorney be requested to provide a report in 30 days on whether there are any prohibitions in the Civil Service system against delegating to the LADWP the ability to recruit, examine, select, and hire employees for LADWP jobs, and related matters.

To Personnel Committee
(Zine - Cárdenas) that the Animal Services Department report on the types of microchip equipment it uses, which frequencies can be read by the equipment, the success rate of microchips in reuniting pets and owners, and a comparison of how other animal control agencies are using the technology, and related matters.

To Public Safety Committee

(Hahn - Cárdenas) that the Los Angeles Police Department (LAPD), and the General Services and Library Departments report on the possibility of including any City libraries located in close proximity to the 20 middle and high schools selected for increased police enforcement through the anti-crime effort planned for certain gang reduction zones.

To Public Safety Committee
To Arts, Parks, Health and Aging Committee

(Perry-Garcetti - Rosendahl) that the Department of Public Works report on its decision to stop supplying palm fronds to Jewish families for Sukkot, including specifically, if the reason for this decision was budgetary, viral, other, or a combination.

To Public Works Committee

(Zine - Cárdenas) with the concurrence of the Mayor, that the City of Los Angeles hereby include in its 2007-08 State Legislative Program, support of state legislation that would require all animals shelters, humane societies, and animal control departments in California to use microchips and microchip readers with a universal frequency.

To Rules and Government Committee

(Perry - Greuel) that the LADOT and the LAPD report with recommendations for immediate, short term improvements, which can and should be made at the intersection of Vernon and Wall in order to improve safety, and what other improvements are being considered for the long term.

To Transportation Committee

(Greuel-Garcetti - Parks) that the LADOT report on the details related to the capture, storage and use of traffic information obtained through the City’s Automated Traffic Surveillance and Control system, and related matters.

To Transportation Committee
