regarding the action against the Spring and Sixth Street Railroad Company. November 5, 1874. Page 811-812. Special Committee recommends that the petition of the Spring and Sixth Street extend their track to the upper depot be granted. 1874. Page 813-814. Special Committee recommends granting, with a modification, a franchise for (another) street railroad on 1874. Page 815-816. Board of Public Works notes that the franchise for the Spring and Sixth Street Railroad does not specify where a switch is to be placed. The Board also referred to the matter of the grade on Olive Street and the building of a private sewer on Commercial November 1874. Page 817-818. Special Committee recommends that the Spring and Sixth Street Railroad be made to comply with the terms of the franchise. January 1875. Page 819-822. Petition of the Spring and Sixth Street Railroad to dismiss the suit against it and to give it more time to comply with the terms of the franchise. March 11, 1875. Page 823-824. Petition of the Spring and Sixth Street Railroad for ninety more days to complete the last 400 feet of track. March 31, 1874. Page 825-828. Petition of the Spring and Sixth Street Railroad to change its track alignment between Temple and Commercial Street. March 18, 1875. Page 829-830. Remarks of John M. Baldwin, City Surveyor, on the grade of the Spring and Sixth Street Railroad. February 3, 1875. Page 831-834. Petition of the Spring and Sixth Street Railroad for a modification of their route so as to bring passengers closer to the Southern Pacific depot. May 6, 1875. Page 835-839. Petition of L. L. Rucker and others protesting changes in the franchise of the Spring and Sixth Street Railroad that allow the latter to expand its tracks on to San Fernando Street. 1875. Page 840-846. Petition of the Spring and Sixth Street Railroad asking that their franchise be extended to include San Fernando Street. July 1, 1875. Page 847-850. The Special Committee of the Common Council recommends that the petition of the Spring and Sixth Street Railroad to expand their franchise be granted. 1875. Page 851-852. The Board of Public Works endorses the findings of the Special Committee. May 13, 1875. Page 853-854. Petition of the Spring and Sixth Street Railroad, S. C. Hubbell, President, asks to reroute its track from the western side of San Fernando Street to the eastern side of said street to avoid being too close to the Southern Pacific tracks. November 11, 1875. Page 855-856.

Petition from John G. Downey and others for a street railroad along Main Street with branches on other streets. November 23, 1871. Page 857-858. Petition of David V. Waldron for a thirty year franchise for a street railroad along Main Street to the southern boundry of the city. June 26, 1873. Page 859-862. Petition of same by same except that the line would run along Commercial Street and connect with Main Street. 1873. Page 862-863. Petition of David V. Waldron asking for a modification of his franchise from a single track to a double track street railroad. 1874. Page 864-868. Notice from Waldron that he was ready to commence (building?, operating?) his street railroad along Main Street. December 24, 1873. No page numbers (one leaf). Special Committee recommends that Waldron first lay a single track street railroad, but that he be allowed no more than five years to relay it as a double track. 1874. Page 869-870. Another Special Committee recommends that Waldron's petition be granted provided he abandon his right to lay a second track. January 22, 1874. Page 871-872. Special Committee reports that Waldron's street railroad franchise has been forfeited for not being begun within the time specified in the ordinance. 1874. Page 873-874.

Petition of John W. Baldwin to lay a street railroad from the Plaza, along Main Street to Figueroa via Pico, Washington, or Main, terminating at the Southern Agricultural Fair Grounds. Septeember 1874, Page 875-876.

Petition of John G. Downey, O. W. Childs, and John W. Baldwin asking that the grade on Main Street be established before they build their street railtoad. November 24, 1874. Page 877-880. Special Committee recommends approval of above petition with the proviso that the railroad be started within three month, and completed within twelve months, after the ordinance is approved. 1874. Page 881-882. Progress report from the Main Street and Agricultural Park Railroad to Mayor Beaudry. January 29, 1875. Page 883-886. Another progress report by the same railroad. March 31, 1875. Page 887-888. Petition of John G. Downey and others to construct the above railroad. May 20, 1874. Page 889-892. Special Committee recommends that the petition be granted. May 28, 1875. Page 893-894.

Petition of R. M. Widney for a franchise to build a street railroad along San Pedro Street to East Los Angeles. February 25, 1875. Page 895-898. Board of Public Works recommends that the franchise be granted except that the route be changed and that railroad be built to the natural grade subject to being changed to the established grade when the city establishes it. March 4, 1875. Page 899-900.

Petition of John S. Griffin for a franchise to build a street railroad from the Southern Pacific Depot, cross the river to East Los Angeles, and terminate at the Southern Pacific shops. An appended note from the Southern Pacific Railroad Company asking that the franchise be granted. November 11, 1875. Page 901-904. Special Committee has no objection to granting the the franchise. Undated. Page 905-908. Petition from H. M. Johnson and other local residents asking that the petition be granted. Page 909-912. Progress report from the East Los Angeles and San Pedro Street Railroad Company which also asks that the city complete any planned grading of the streets on the route before the railroad lays its tracks. 1875. Page 913-914. A list from R. M. Widney of the width of streets on the route of the railroad. 1875. Page 915-916. A letter from R. M. Widney, President, East Los Angeles and San Pedro Street Railroad, that they will construct a "prismoidal" railroad of 30" gauge instead of 42". June 24, 1875. Page 917-920. Letter from the East Los Angeles and San Pedro Street Railroad to the Common Council claiming that the latter had no power to revoke the franchise in a summary or arbitrary manner. July 8, 1875. Page 921-922.

Special Committee on Street Railroads recommends that a petition from A. W. Judson and others for a street railroad franchise be granted. June 10, 1875. Page 923-924. The petition from William Workman and A. W. Judson.

December 10, 1872. Page 945-946.
 Report of the Special Committee (P. Beaudry and others). Undated. Page 947-950. Letter from W. B. Hyde accepting deeds to certain properties on behalf of the Southern Pacific Railroad and asking that an ordinance be ammended so as to exactly describe a certain piece of property. December 21, 1872. Page 951-954. Letter from W. B. Hyde to the City stating that the railroad is ready to take possession of it's right of way through the city as soon as certain ordinances are passed and certain corrections are made regarding the Los Angeles and San Pedro Railroad. July 3, 1873. Page 955-956. Special Committee (Beaudry, Workman and Dockweiler) recommend issuing bonds to pay for lands purchased for the Southern Pacific Railroad. October 30, 1873. Page 957-958. Receipt certifying that E. E. Hewitt, Special Agent, Southern Pacific Railroad, received of A. W. Potts, Los Angeles County Clerk, \$44,000 in twenty year, 7% bonds dated from January 21, 1874. February 6, 1874. Page 959-962. Committee recommends that the City, rather than the land owner, directly issue a deed to the Southern Pacific Railroad. 1874. Page 963-964. Letter from E. E. Hewitt asking for the shares of Los Angeles and San Pedro Railroad held by the City of Los Angeles. August 6, 1874. Page 965-966. Letter from Special Agent Hewitt asking that the City perfect the title to the fifty acres of land conveyed to and accepted by the Southern Pacific. March 12, 1874. Page 967-970. Resolution of the Board of Directors of the Los Angeles Chamber of Commerce that the City allow the depot of the Southern Pacific Railroad to be kept in it's present location. December 8, 1874. Page 971-974. Petition signed by 81 persons protesting attempts to keep the Southern Pacific depot in the old location. 1874. Page 975-981. Committee (Workman) recommends that the removal of the Southern Pacific freight and passenger depot to the location donated to the railroad by the City be delayed until after the connection of the City with San Francisco. 1874. Page 982-983. Petition by many persons that the Southern Pacific be relieved of the obligation to remove it's from the present location at the corner of New Commercial Street and Alameda until the railroad is completed. October 21, 1874. Page 984-986. Special Committee (Louis Wolfskill, J. P. Campbell, Ramon Sotelo) recommends that the petitions to delay relocation of the Southern Pacific depot be denied. December 31, 1874. Page 987-992. Petition of many persons (three pages of signatures) asking the Council to reconsider it's motion to delay the movement of the railroad depot. 1875. Page 993-996. Council Committee recommends that the relocation of the depot, as per the contract, not be delayed. The contract should be upheld. October 20, 1875. Page 997-1000.
 Petition of Perry Wadsworth and many others asking that the depot of the L.A. & T.R. Railroad be located closer to the center of town so as to better serve the business district. July 31, 1875. Page 1001-1004.
 Petition of Alexander Weill offering to donate Block O, R or V of the Aliso Tract to the Los Angeles and Independence Railroad for use as a depot. August 26, 1875. Page 1005-1008. A Special Committee of the Common Council reports that the depot of the Los Angeles and Independence Railroad will be located on San Pedro Street and that the right of way for the railroad on said street be granted. August 20, 1875. Page 1015-1016 (Page 1009-1014 missing). Special Committee recommends adopting the Aliso Street site for the depot of the Los Angeles and Independence Railroad because it is closer to the business district. September 2, 1875. Page 1017-1020.
 Board of Public Works report of it's January 14, 1873, meeting regarding the opening of the new street from Alameda to Morgan Lane; the streightening and establishing the lines of San Pedro Street; the bridge on Pico Street; the bridge on Ninth Street; and nusances on Main, Spring, and other streets. Page 1021-1024.
 Report of the Special Committee on the amount of bonds needed to be issued to pay for the depot and workshop grounds. November 6, 1873. Page 1025-1026. Another petition to keep the Southern Pacific Railroad depot it it's location at Alameda and Commercial Streets. E. E. Hewitt of the Railroad says petiton not against the wishes of the Railroad. October 14, 1875. Page 1027-1030.
 Protest of Rosa McCoy against the extension of Olive Street through her property without compensation. February 3, 1875. Page 1031-1032. Board of Public Works makes no recommendation on the claim of Rosa McCoy. February 11, 1875. Page 1033-1034.
 Documents (in Spanish) for election of the alcalde and sidico, February 2, 1847. Included is a list of elegable voters, their ages, occupations, and ability to read. Page 1035-1103.
