# TAKING CARE OF THE TENTH

## INVESTING IN OUR YOUTH

Throughout his public service career, Councilman Wesson has always considered investing in our young people – and protecting that investment – as a priority. A good education, a cleaner environment, a healthy body and sound mind, a safe place to live and play, a stable job with a livable wage – the Councilman believes that each young person deserves these and more.

When he was elected to represent the 10<sup>th</sup> Council District, Councilman Wesson recognized the need to provide our young people with positive and safe alternative lifestyles, and set out to accomplish that. He started with his advocacy for the creation of Project

positive pursuits, Project SAVE and Councilman Wesson have sponsored sports leagues that feature gang intervention teams playing against neighboring communities and communities from across the city. Last year it was a flag football tournament in the summer, followed by a *Late-Night Hoops* tournament in the fall, a basketball tournament now used as a model in other parts of the city. While requiring teams to play against potential rivals is a risky proposition, the tournaments provide the participants with an alternative outlet and an opportunity to see other young people in a positive context.

Last year Councilman Wesson and Project SAVE also launched their first “Camping and Fishing with Herb Wesson” adventure. CAMP WESSON 1 was set up at the Jim Gilliam Recreation Center and hosted

*Councilman Wesson with last year's lucky campers*

SAVE in CD10 to help steer our at-risk young people to a life away from crime and gangs.

Over the past two years, Project SAVE – a program of Community Build, Inc. – and Councilman Wesson have worked hard not only to provide safe alternatives for youth but also to foster an environment for our young people to flourish. Project SAVE provides “Safe Passage” programs at four schools in CD10, job training and apprenticeships through the Urban League and PV Jobs, and conflict resolution and anger management counseling.

In a daring attempt to engage gang intervention program participants from various parts of the city in

60 boys and girls from Baldwin Village. (For full coverage, see *Eye on the Tenth, Vol. 2, Issue 3*). In addition to an overnight camping experience, the participants ventured out to the Pacific Ocean for a deep-sea fishing adventure. The deep-sea fishing experience was a first for the kids, and it showed when about half of them fell victim to sea sickness. Nonetheless, the experience proved to be one of the most memorable in their lives.

So what's in store for CD10's young residents this summer? Take a look.

### A CO-ED SOFTBALL LEAGUE

*"Strike Three!"*

Following up on their successful sports leagues last year, Councilman Wesson and Project SAVE are once again teaming up to host an intra-city gang intervention programs tournament, this time a co-ed softball league.

The league opened on June 12, 2008 and will run until September 20, 2008 at the Rancho Cienega Sports Complex. Participating in the league are approximately 140 young men and women from gang intervention programs from various parts of the city including 2<sup>nd</sup> Call, Baldwin Village, Project SAVE, Sidewalk University, Unity One, Unity Three, Venice 2000, Violence Reduction Project and the Watts Gang Task Force.

As has been his practice with the previous leagues, Councilman Wesson will bring the winner of the championship game to the City Council to be honored.

*Councilmember Wesson and Park Superintendent Ron Berkowitz tour the location for "Camping & Fishing 2"*

*"One more strike and we win."*

### CAMP WESSON 2

This year Councilman Wesson and Project SAVE are planning an even bigger and better "Camping and Fishing with Herb Wesson" adventure. Instead of an overnight stay at the Jim Gilliam Recreation Center, this year's program will be a three-day camping event with CAMP WESSON 2 staged at the city's Hansen Dam Aquatic Center, located in the San Fernando Valley.

Over 100 at-risk boys and girls are expected to participate in this free event this August. The campers will once again go fishing, though no boat ride is involved as the fishing will take place at a lake. Speaker Karen Bass, who represents CD 10 in the State Assembly, has graciously agreed to fund the stocking of the lake with fish so that the campers will get a good shot at making a catch. *Thank you, Speaker Bass!*

*Hansen Dam lifeguard Gilbert Alvarez discusses safety precautions with the Councilmember*

In addition to the fishing, the staff has been planning other exciting activities including swimming, arts and crafts, games, nature walks and star gazing. Of course, no camping experience is complete without *smores*.

In preparation of the camping trip, Councilman Wesson, CD10 staff and Project SAVE have visited Hansen Dam and talked to Recreation and Parks personnel to ensure that the campers will have a memorable experience.

**MOVIES IN THE PARK**

Also this summer, Councilman Wesson is launching a program that Councilman Greig Smith (CD12) has been running in his San Fernando Valley district for the past three years. In CD10 the program is called *Movies in the Park* and entails free showings of family movies at four CD10 parks.

The movie showing schedule this year: *The Never Ending Story*, July 26 at Reynier Park; *The Goonies*, August 2 at Rancho Cienega Park; *Monsters, Inc.*, August 8 at Queen Anne Recreation Center; and *Shrek 2* on September 13 at Seoul International Park. (For more details, please turn to page 15).

There will be free hot dogs, popcorn, Raisinettes and drinks at the movies. In addition, there will be a free raffle with prizes including bicycles, gas cards, backpacks, movie passes and other goodies.

Councilman Wesson thanks his partners who are helping to bring this movie series to the residents of CD 10: the LAPD, Department of Recreation and Parks, LA DWP, Mid-City Neighborhood Council, P.I.C.O. Neighborhood Council, South Robertson

Neighborhood Council, United Neighborhoods Neighborhood Council, West Adams Neighborhood Council, Wilshire Koreatown Neighborhood Council, Picfair Village Neighborhood Association, Reynier Village Neighborhood Association, 101 Foundation Enterprises, M Park Movies, Korean American Chamber of Commerce, Center Bank, the CIM Group, Dreamworks SKG, Grumpy Old Men, Radio Korea, Trilogy Financial Services and Channel 35.

The CD10 crew also thanks Councilman Smith and the CD12 staff for graciously providing information on the logistics of the movie showings and for patiently answering questions.

Councilman Wesson invites everybody to come to one or all of the screenings as he believes that these movie screenings are important opportunities to meet our neighbors and friends in a relaxed atmosphere, as well as provide a safe entertainment alternative for our kids. So please bring your blankets and lawn chairs and *we'll see you at the movies!*

*The Councilmember invited residents of Reynier Park to join him at "Movies in the Park"*

## CITY EMPLOYEES' APPRECIATION LUNCHEON

*The Councilmember greeted, thanked, served and entertained the City employees who have provided invaluable services to CD10. Team Wesson (below) was on hand to show their appreciation to the City employees.*

Summer would not be complete without Councilmember Wesson's Annual City Appreciation Luncheon. Continuing his tradition of thanking and showing his appreciation to the City departments and employees who continually provide excellent support and quality services to his constituents, Councilmember Wesson invited them to a luncheon at his district office on Western Avenue.

Various City departments were represented including LAPD, LAFD, GSD, Public Works, City Attorney's office, Building and Safety, Housing, Sanitation, Street Services, Recreation and Parks, Transportation, CLA, CAO, LA/CRA and many more!

"Today, we take care of you," proclaimed the Councilmember as he and his "Team Wesson" staff served food, drinks and desserts to the city employees. The menu, a representation of the diversity of cultures found in CD10, consisted of fried chicken and cat-

fish, collard greens, macaroni and cheese, yams, enchiladas, beans, Spanish and fried rice, Korean barbecue and sushi.

## COMMUNITY BEAUTIFICATION: LA WORKS

*The Councilmember congratulates LA Works Board Co-Chairs, Bob Johnson & Donna Bojarsky*

Councilmember Wesson recently joined *L.A. Works* for a beautification project at Hillcrest Drive Elementary School in Baldwin Village. *L.A. Works* organized the event which attracted over 1,000 volunteers who spent the day painting and planting new greenery at the campus.

*L.A. Works* is a nonprofit, volunteer organization that creates and implements hands-on community service projects throughout the greater Los Angeles area with the support of a myriad of local businesses and corporations. Founded in 1991, *L.A. Works* addresses three important community needs:

- Promoting volunteer participation in community
- Providing community service organizations access to volunteer labor and other resources
- Educating and encourage people to engage in the broader social issues affecting the greater Los Angeles Community.

Each year they organize over 12,000 volunteers who perform 60,000 hours of service each year. *L.A. Works* has made significant, visible and lasting contributions to Los Angeles County. *L.A. Works* has:

*LA Works volunteers repainting Hillcrest Drive Elementary School*

- Contributed over one million volunteer hours of service to Los Angeles
- Spent over 80,000 hours reading books to children and at-risk youth, 65,000 hours tutoring and 50,000 hours providing activities for the elderly
- Served over 10,000 meals to the homeless, and
- Painted hundred of murals at schools and non-profits.

If you would like to learn more about *L.A. Works* or participate in their activities please visit their website at [www.laworks.com](http://www.laworks.com)

*The Councilmember thanks the volunteers for giving back to the community*

## EMPOWERING OUR PARENTS: LA HIGH'S PARENT CENTER

*"The Parent Center empowers our parents with the skills to assist their children and allows them an opportunity to become involved in their children's daily lives."*

*Councilmember Wesson*

On June 21, 2008, Councilmember Wesson joined with Los Angeles High School (LAHS) principal and staff for the ribbon-cutting of its new Parent Center. The new facility will be staffed by three parent community representatives, offering English, Spanish, and Korean assistance to parents.

The Parent Center was created to address the needs of the parents; to encourage parental involvement in the lives of their children and the activities offered at LAHS. The Parent Center will offer workshops, including how to recognize a student's potential involvement in gang activities; how to take control; and recognize the leverage they have as parents.

*The Councilmember, parents and staff unveil the new Parents' Center at L.A. High*

The Parent Center will provide a friendly and helpful environment for parents to actively engage in the lives of their students.

## INSPIRING OUR YOUTH: ALEXANDER DONALD

*The Councilmember and Alexander Donald point to Alex's future goal, a diploma from Lincoln University*

Councilmember Wesson met with Alexander Donald, a recent Dorsey High School graduate. In August, Alexander will be attending the Councilmember's alma mater Lincoln University in the State of Pennsylvania.

The Councilmember shared some of his experiences while at Lincoln and the importance of staying focused while away at school. Councilmember Wesson also shared how cold Lincoln winters can be, and how

a university speech given by then—Congressman Ron Dellums (now Mayor of Oakland, CA) set him on the public service path. The Councilmember has a signed photograph (above) from this encounter in his City Hall Office.

The Councilmember encouraged Alexander to continue in his educational goals and wished him well on all his future endeavors.

## AT YOUR SERVICE

### MAYOR'S DAY OF SERVICE '08

*The Councilmember greets and thanks the volunteers*

On July 19, the Mayor's Day of Service, Councilmember Wesson welcomed more than 700 volunteers congregated at Seoul International Park. The volunteers gathered to do their part to make Koreatown a cleaner

and more wonderful place to live! Councilmember Wesson sends a heartfelt thanks to the following organizations that helped make this possible:

KYCC - Koreatown Youth & Community Center, PAVA - Pacific American Volunteer Association, CRA/LA, Hanmi Bank, LACC - Los Angeles Conservation Corps, 1-800-Got-Junk, Berendo Baptist Church, Boy Scouts of America Troup 777, Grupo Folklorico Huaxyacac, Guatemalan Bakery, Hobart Blvd. Elementary, Jarritos, JayOne Foods, Korean American Chamber of Commerce of L.A., Korean American Museum, Korean American Photographers Association, La Guegeletza, Min Sok Chun Catering, Paramount Pictures, Seoul Int'l Rec. Center, Unification of Disabled Latin Americans, Wilshire Center Business Improvement Corp., Wilshire Center Koreatown Neighborhood Council and Young Nak Church

## ILLEGAL FOOD VENDING SWEEP

In June, LAPD's Wilshire Division officers, along with personnel from the City's Department of Transportation and Sanitation Bureau, County Department of Public Health inspectors and CD10 staff hit the streets again to conduct an illegal food vending sweep within CD10. Food vending on city streets and sidewalks are prohibited under the City of Los Angeles Municipal Code, unless the food is sold from a licensed truck (which are subject to a different set of restrictions).

The June illegal food vending sweep was the first of its kind conducted at night in Wilshire Division and CD10. Vendors were surprised when resources were brought to the community when least expected. The County Health Department impounded eight food-related serving stations that did not meet health and safety standards operating at night.

## HERB HONORS...

### SOUTHEAST SYMPHONY 60th ANNIVERSARY

Councilmember Wesson was joined by Councilmember Jan Perry and Councilmember Bernard Parks in congratulating the Southeast Symphony on the occasion of their 60<sup>th</sup> Anniversary. Representing the symphony was Sandra Wheeler, President of the Board of Directors and Board Members Richard Procello and Evelyn Freeman.

The orchestra continues to be an active part of the cultural life of the African American community, providing free concerts each year. They recently celebrated their 60<sup>th</sup> Anniversary with a concert before a capacity audience at the Walt Disney Concert Hall.

*City Councilmembers congratulate the Southeast Symphony*

### EARTH DAY 2008

CD10's 2008 Earth Day Honoree was Mrs. Dolores Reece, a third generation native Californian. She is retired from the Social Security Administration after 30 years of service and decided to give back to her community by going 'Green'.

Dolores joined the Tree People Citizen Forester and, together with her block club, Neighbors United, began raising awareness and funds to plant more trees. She also started a 4-hour workshop on tree planting and maintenance to 26 community volunteers. Since then Dolores has been responsible for the planting of more than 134 trees and 127 shrubs throughout CD10. Many thanks to Dolores Reece, Tree People, Neighbors United and the numerous volunteers who have worked tirelessly to keep CD 10 'Green'.

*Councilmember Wesson, CD10's Earth Day honoree, Dolores Reece (c.) and her daughter*

### LATE-NIGHT HOOPS OFFICERS

Councilmember Wesson honored LAPD Capt. James Craig, Lt. Peter Whittingham and the Southwest Division LAPD officers who participated in his "Late Night Hoops" program at the Los Angeles City Council for their participation and support of this effort to provide positive alternatives for our young people.

The Councilmember thanked the officers for their continued efforts to create a unified and safer community within CD10.

*Councilmembers Wesson and Parks thank the LAPD for their commitment to the community*

## OUT & ABOUT

### PRIDE 2008

The 38th annual LA PRIDE Parade gathered over 400,000 people this year to Santa Monica Blvd. in West Hollywood. The Los Angeles City Councilmembers Herb Wesson, Jack Weiss, Tom LaBonge, Wendy Greuel, Dennis Zine, and Bernard Parks joined the LA PRIDE Man of the Year and their colleague, Bill Rosendahl, in celebration of the CA State Supreme Court decision legalizing gay marriage. There were over 125 parade entries including floats, bands, performances, marching community advocacy groups, smiling seniors, proud parents, gay and lesbian teachers and honored guests.

Produced by Christopher Street West (a non-profit organization), the annual three-day LA PRIDE is one of the largest Pride Celebrations in the United States for the gay, lesbian, bisexual, and transgender community.

This year, a "Silent Celebration" took place along the LA PRIDE parade route, everyone took part in a moment of silence to honor those who are no longer with us. At 12:00 noon, the parade stopped and the crowd fell silent to remember the individuals who

*Councilmember Wesson and his colleagues congratulate PRIDE '08 Man of the Year, Bill Rosendahl*

bravely fought for the rights of the LGBT community, the hundreds of thousands we have lost to HIV/AIDS, breast cancer, and prostate, testicular or colon cancer, and ALL of our loved ones who have passed on.

## SoRo COMMUNITY FESTIVAL

*SoRo president, Vikki Karan, welcomes Councilmembers Wesson & Parks*

Councilmembers Wesson and Parks met constituents, visitors and friends at the 11th Annual SoRo Community Festival on June 1. The SoRo Community Festival was held on S. Robertson Blvd. between Beverlywood and Cattaraugus. The Festival included activities for kids, food, a live music stage and lots of exciting artist and vendor booths.

The SoRo Community Festival is put on by the South Robertson Neighborhoods Council and SoRo, Inc.; is funded in part by a grant from the L.A. Cultural Affairs Dept.; and sponsored by Councilmembers Wesson and Jack Weiss. There were approximately 6,000 visitors to the annual event this year.

## WALKABLE CD10 NEIGHBORHOODS RECOGNIZED IN SURVEY

*Walk Score* has recognized the Mid-City West neighborhood as the "most walkable neighborhood in Los Angeles," meaning that most errands can be accomplish on foot, with many people being able to get around without a car. Other CD10 neighborhoods that scored well included Mid-Wilshire, Palms, Mid-City, Jefferson Park, Leimert Park, and

Crenshaw. *Walk Score* promotes walkable communities which result in better health; reduce greenhouse gas; encourage more transportation options; increase face-to-face contact with our neighbors; and provide local businesses with the foot-traffic they need to succeed. Congratulations to all!

## WILSHIRE GREEN PARK

On May 10, Councilmember Wesson joined Councilmembers LaBonge and Perry, Supervisor Zev Yaroslavsky and State Assembly Member Mike Feuer to celebrate 20 years of Wilshire Green Park.

Wilshire Green Park is located behind 5750 Wilshire Boulevard. This park was the first of its kind to be a dedicated public park maintained by a private developer, JH Snyder Co. When developing this building Mr. Snyder realized the need for open space in the community and worked with stakeholders to dedicate space for public enjoyment.

Through this wonderful celebration of park space at 5750 Wilshire Blvd., the residents of this great City of Los Angeles have been blessed by 20 years of a wonderful friend and neighbor, the Wilshire Green Park.

## WELCOME TO THE NEIGHBORHOOD

*The Councilman meets his new neighbors and thanks them for providing a delicious spread*

Neighbors of Wellington Square gathered at the home of John and Dorothy Grayson to officially welcome Councilmember Wesson and his family to the neighborhood. The affair was co-hosted by Bob and Dr. Roslyn Blake on a beautiful Saturday afternoon.

Plenty of delicious food and great company made for a wonderful event. Councilmember Wesson was very excited to discover that Mr. Grayson is also an avid golfer. The Councilmember and his wife, Fabian, thanked the Graysons, the Blakes and their Wellington Square neighbors for the warm welcome. The Wessons are thrilled to be part of the Wellington Square community.

## NORTH CENTRAL SANITATION YARD VISIT

On July 21st at 6 a.m., Councilmember Wesson visited the North Central Sanitation Yard to thank the entire North Central District Team and the Bureau of Sanitation for their hard work and dedicated service to CD10 Northeast area constituents. They are responsible for our weekly trash and recycling bins pick up.

The Councilmember had an opportunity to recognize the life work of Refuse Collection Truck Operator Anthony Perez who retired after 30 years of dedicated city service. In recognition of his service to the Bureau of Sanitation and the residents of L.A., he was presented with his 30 year service pin and a Certificate of Appreciation from the Councilmember.

*The Councilmember thanked the sanitation crew for their early morning efforts*

## WELCOMING THE NEW STATE ASSEMBLY SPEAKER

*Former State Assembly Speakers welcome the newly-elected Speaker, Karen Bass*

As a former Speaker of the California State Assembly and the second African American to hold the position, Councilmember Wesson joined members of the Legislature, the Governor, other Speakers and proud Angelenos in the swearing-in of Speaker Karen Bass, the new Speaker of the Assembly and the first African American woman to hold the position. Only 67 Assemblymembers have ever held the position of Speaker in California's history, including (pictured from left) Cruz Bustamante (62nd), Antonio Villaraigosa (63rd), Willie L. Brown, Jr. (58th), Fabian Núñez (66th), Wesson (65th) and Bass (67th).

## THE WESSON SMOOTHIE

Peggy Hill invited the Councilmember to her Newberry Hill Frozen Yogurt Gallery, located at 5001 W. Pico Blvd., to unveil the newest addition to her menu, Wesson's Smooth Carrot Smoothie. The Councilmember thanked Ms. Hill for the honor and thoroughly enjoyed his namesake smoothie.
