Representative from the Los Angeles Fire Department  
Representatives from Los Angeles World Airports  
Representatives from the Westchester/Playa del Rey Neighborhood  
Council  
Representatives from H.B. Drollinger Company  
Friends and family of Brent Lovrien

**When:** 10:00 a.m.  
Saturday, October 11, 2008

**Where:** 8800 S. Sepulveda Boulevard  
Westchester, CA 90045

**What:** Councilmember Bill Rosendahl, members of the Los Angeles Fire Department, and representatives of the Westchester community will remember firefighter Brent Lovrien with dedication of a bronze plaque at the site of the explosion where he lost his life in the line of duty earlier this year.

On March 26, Lovrien responded to fire that started underground along Sepulveda Boulevard, pushing hot gas and smoke into buildings that lined the street. After warning occupants of the danger and ensuring their safety, Lovrien forced entry into a locked doorway when sparks from his power saw ignited the hot gases trapped inside resulting in a large explosion. Lovrien's body shielded other firefighters and bystanders saving them from injury and death.

Donations are being accepted for the Brent Lovrien Memorial Plaque as well as the Renovation Fund for Fire Station 95, where Lovrien worked. Donations may also be mailed to The Rotary Foundation, P.O. Box 91543, Los Angeles , CA 90009-1543.
