ROSENDAHL HOSTS DEBATE ON MEASURE B *Solar Energy Proposition Goes to Voters on March 3rd*

WHEN: Tuesday, February 17 7:00 pm – 9:00 pm **WHERE:** Daniel Webster Middle School
11330 Graham Place
Los Angeles, CA 90064

The auditorium is located at the corner of Graham Place and Sawtelle Boulevard
Parking available on street and in the school lot near the corner of Ivy Place and Sawtelle Boulevard

In preparation for the March 3rd municipal election, Bill Rosendahl will host a public town hall meeting on Measure B, a proposal to increase LADWP's portfolio of local solar power facilities by 400MW over the next 5 years.

LADWP General Manager and CEO H. David Nahai will begin the evening with an informational presentation about the Solar LA plan. The plan includes increased in-basin solar facilities (Measure B), expanded customer solar incentive programs, and new large-scale solar projects in the desert.

Following this presentation, Rosendahl will moderate a town hall debate between representatives of both sides of Measure B.
