City Hall (213) 473-7011 West LA (310) 575-8461 Westchester (310) 568-8772

Dear Friends,

I invite you to participate in an important Town Hall meeting with Mayor Antonio Villaraigosa to discuss the budget challenges facing our City during this time of economic hardship.

Mayor Villaraigosa has accepted an invitation from the Westside Regional Alliance of Councils, an association of 11 Westside neighborhood/community councils, to answer the community's questions about the 2009-2010 City budget. The Mayor is unveiling his proposed budget April 20, and this meeting will be a unique opportunity for you to express your thoughts prior to his doing so.

As a member of the Budget and Finance Committee, I can assure that this year's budget process is going to be brutal. Revenues are declining and our choices are stark. We will be considering layoffs and deep cuts in City services. Which of our priorities are most important to you? More police? Resurfacing our streets? Preserving youth and senior programs?

To make sure your voice is heard, I encourage you to attend and participate in this meeting.
