## LOS ANGELES CITY COUNCILMAN GREIG SMITH

### Families Help Clean Up Chatsworth Park North for CD 12 Earth Day Celebration

Nearly 200 volunteers helped clean up Chatsworth Park North for our annual Earth Day environmental cleanup event on Saturday, April 25.

Activities included graffiti cleanup, sifting debris out of the sand box, filling in gopher holes in the playing fields, cleaning graffiti in the bathrooms, and picking up glass and debris from the natural areas.

Volunteers received free trees and re-usable canvas shopping bags. Sporting goods store REI gave away T-shirts and offered a free PEAK Leave No Trace environmental awareness program for kids. Whole Foods and Chatsworth Neighborhood Council provided delicious, healthy food for volunteers.
