

Los Angeles Department of Transportation: “Watch the Road” Yard Signs Available

The Los Angeles Department of Transportation’s “Watch the Road” program is an Emmy Award winning public education and safety awareness program that is designed to reduce bad behaviors of roadway users, such as drivers, bicyclists, and pedestrians. The goal is to reduce crashes, which in turn decreases fatalities, injuries, and congestion.

The “Watch the Road” program is again offering outdoor lawn signs in Council District Offices. The signs promote neighborhood road safety and have been a very popular item in the campaign to educate the public about safety awareness. To learn more about this program, visit www.WatchTheRoad.org.

Council District 3 will make the yard signs available to the community as long as supplies last in our District Office.

The District Office is located at 19040 Vanowen Street, Reseda, CA 91335.
