

We are Looking for a Few Good Volunteers!

This is a very exciting time for the Los Angeles Police Department. We are on the brink of opening two new police divisions in the City of Los Angeles. One of the divisions is at the West end of the San Fernando Valley. The New Topanga Police Station will be taking over a large section of the current West Valley Police Area and a small part of the Devonshire Police Area on the west end. If you currently live in West Valley Division and you live West of Corbin Avenue, you will be in the new division.

The Topanga Police Station is scheduled to begin operations on January 4, 2009, at 8:00 AM. As we approach this opening, I am hoping that members of our Community will want to become volunteers working side by side with our Officers and Civilian Employees. We can use a wide variety of talented individuals that want to give back to our communities that they live and work in. Some of the volunteer opportunities available are: Working as a member of our Volunteer Surveillance Team; Becoming a member of our Community Police Advisory Board; Assisting with our youth programs; Working with our Detectives or maybe, you have an idea that we haven't thought of yet.

I would like to invite interested community members to attend a formation meeting at our new police station to find out if you might be interested in becoming a valuable member of our team. All volunteers are required to pass a background investigation.

Please join us for a **Volunteer Formation and Information Meeting** at the New Topanga Area Police Station:
