

RAM LA 2009

Dates: August 11-18, 2009
Location: The Forum
3900 W. Manchester Blvd.
Inglewood, CA 90305

FOR PATIENTS

How to Receive Treatment: All of our services are free and are provided by volunteers. The doctor is free; the dentist is free; the eye doctor is free. Please arrive early, bring a snack, and be prepared to wait. Your wait may be long; chairs will be provided for your comfort.

Services: DENTAL: Cleanings, fillings, extractions, and root canals. Everyone receives a free dental exam. Pediatric dentistry is available.

VISION: Vision exam and free prescription glasses made onsite.
(NOTE: May not be able to make glasses for everyone.) Cataract surgery.

MEDICAL & WOMEN'S HEALTH: Mammograms and Pap smears; pediatric exams; adult physicals & medical consults (including diabetes and hypertension); chiropractors; acupuncture; blood lab work; chest X-rays; medication assistance; and many other medical specialties available.

Services are provided by Remote Area Medical for the uninsured, underinsured, unemployed, and those who cannot afford to pay. Services are provided by volunteer doctors, nurses, dentists, dental hygienists, dental assistants, ophthalmologists, optometrists, opticians, and other trained health professionals from the State of California.
