

FREE MATERIALS - FREE LISTINGS - FREE MEMBERSHIP

LACoMAX is a free service provided by the County of Los Angeles Department of Public Works, Environmental Programs Division. The primary goal of LACoMAX is to conserve landfill space by helping businesses, organizations, and institutions find alternatives to the disposal of valuable materials which are presently discarded as waste.

Users of this on-line materials exchange service can browse or post listings of a wide variety of available and wanted materials. Listings include common items such as furniture, electronics, and household goods as well as more uncommon items like unused paint and construction equipment. The listings also contain contact information, allowing you to make direct contact with the listing party. All exchanges are coordinated between the two interested parties.

Use this on-line service to find something you need, to make something available you, or to spot an entrepreneurial opportunity in someone else's discards.

Please visit www.LACoMAX.com to sign up and post or search for items. And, for any of your environmental questions, please visit www.CleanLA.com.

Post goods. Find goods. Feel good.
