

Relay For Life of Woodland Hills

April 9-10, 2011

PIERCE COLLEGE

Relay For Life is a 24-hour, festive, family-friendly, team event where communities come together to raise awareness and funds for the fight against cancer. Relay For Life is about celebrating cancer survivors, remembering those who have lost their battle, and fighting back against a disease that takes far too much from us.

Join a Team!

Lace up your tennis shoes, pack your tent and sleeping bag, and get a group of friends, family, co-workers, schools, churches or

clubs together as a **Relay** team. Join us for 24 hours of fun, inspiration, and excitement! Think music, food, contests, kids, balloons, and plenty of fun, memories, and camaraderie. You can walk; you can jog; if you can get someone to pull you in a wagon, go for it! Whatever it takes to keep you and your team members circling the track relay-style for 24 hours...because there is no finish line until we find a cure for cancer.

Please join us! Register or Call Today:

Camp Out for a Cure!

A festive atmosphere sets the tone at "Relay Tent City." We "Relay" for 24 hours from 9 a.m. to 9 a.m.

because, for cancer patients, cancer never sleeps. Team members set up camp, make new friends, catch up with old ones, enjoy entertainment, play games, and get some shut-eye between laps. So bring your sleeping bag and spend the night, you won't want to miss a minute of the action!

Light a Life with Luminaria!

Make a small donation to dedicate luminaria in memory or in honor of loved ones you know who have battled cancer. The luminaria are decorated with their names and placed around the track at sunset just before the very moving Luminaria Ceremony. Each glowing bag represents a cherished life. They glow all through the night to light the way for walkers and to keep those lives lit in our hearts.

Celebrate Survivors!

If you are a cancer survivor, or if you know one, you won't want to miss the Opening Ceremony celebrating Survivors. Survivors are honored with a special gift and kick off the event by walking the first lap together while everyone else cheers them on from the sidelines. We honor survivors for their

brave strength and pay homage to their family and friends who loved and cared for them during their battle. This is one of the most inspirational parts of

How Can You Help?

1. Form your team today!
2. Proudly walk in our kick-off Survivor Lap.
3. Sign up to volunteer the day of the event.
4. Dedicate a luminaria.
5. Become a corporate sponsor.

On the Right Track! The American Cancer Society's goal is to eliminate cancer and improve the quality of life for cancer patients going through treatment. We provide services and support groups for patients and their families. We fund more cancer research than any other private organization in the country. We have funded 42 Nobel Prize winning researchers who have helped save countless lives. We are rated in the Top 10 best managed non-profit organizations in the U.S. **Relay For Life is the biggest non-profit fundraising event in the world! JOIN US!**

AMERICAN CANCER SOCIETY RELAY FOR LIFE

Celebrate.

Remember.

Fight Back.
