**How Recycled Water is Helping to Secure a  
Reliable Water Supply for Los Angeles**

The public is invited to hear an overview of the LADWP and Bureau of Sanitation's Recycled Water Program and provide input on the City's master planning process to increase the use of recycled water in Los Angeles

Get answers to your questions:

-  Where does L.A. get its water?
-  What is the City doing to secure a reliable water supply?
-  What is recycled water and how is it used?
-  Why is recycled water important to everyone in the City?

Presented by Jim Yannotta  
LADWP Assistant Director of Water Resources

At the **Sepulveda Community Garden Center**  
**Tuesday May 17, 2011 at 6-8 p.m.**  
16633 Magnolia Blvd.  
Encino, CA 91436

Recycled Water Forums are being held in seven areas of the City: Harbor, Mid-City, South LA, East LA, West Valley, East Valley and Westside.
