## **Statement Councilman Dennis P. Zine Los Angeles City Councilman, Third District**

“By naming the contiguous RA portion of Reseda, Reseda Ranch, it shows that large lots with the opportunity for animal keeping are part of the historical fabric of the San Fernando Valley and should be acknowledged. There are only a few of these areas left. It is very unique to be able to maintain a semi-rural lifestyle in the midst of a sprawling metropolis and by naming this area Reseda Ranch, we acknowledge that this is something special and should be preserved.

I fully support the residents in this endeavor and will assist them in accomplishing this effort to preserve the uniqueness of the community.”
