

Ad Hoc Committee on the L.A. River: Meeting Information

Sunday, November 15th - LA River Center & Gardens River Walk

Friends of the LA River would like to show you the beautiful LA River Center & Gardens, and then walk over the bridge to the River Path right where the Glendale Narrows end, and the River is paved. You will hear about the River Center displays, with historic photos and a comprehensive narrative. Then the walk will head over to where you will see many Stilts, Mallards, and other birds eating in the shallow water just south of the natural bottom section of River. The walk will continue north, to Duck Park, where you will hopefully see some bigger birds, Great Blue Herons and Snowy Egrets being the most common. The River is changing seasons, and soon most of the green will be replaced by the browns and greys of winter.

River Walks are on the third Sunday of each month, and FoLAR requests a \$10 suggested donation for folks who aren't yet members of FoLAR. To become a member, visit <http://www.folar.org/>. The walk begins at 3:30 pm during the winter. Walks last for an hour and a half and are led by a FoLAR staff or board member. Come ask your River questions and get introduced to a new section of River each month!

Sunday, November 15, 2009, meet at 3:30 pm at the LA River Center & Gardens, 570 W Ave 26, Los Angeles, 90065.

Updated Website
