Fact-finding first

Re Van Nuys Neighborhood Council letters (Your Opinions, Sept. 11):

One wonders whom to believe involving the drastically different takes on the Van Nuys Neighborhood Council: the frustrated volunteers or grand lad Greg Nelson who needs to gloss up the progress to validate his paycheck.

Spending meeting time to schedule more meeting time seems "City Hall" enough, although I questioned Nelson's need for future discussion of 101 Corridor projects since the 101 projects do not run through Van Nuys. Let's schedule some time to do some fact-finding on that front.
