2005-06 PROPOSED CITY BUDGET AVAILABLE ONLINE

It's big. It's important. It's the mayor's proposed city budget for the 2005-06 fiscal year. And it's all yours on the city's website. You can find it, and the special Neighborhood Councils Budget Summary, by [clicking here](#). Or you can go to the city's home page at www.lacity.org and clicking on the mayor's home page. It includes a continuation of the \$50,000 per year for each Neighborhood Council.

It's fantastic reading. You won't be able to put it down. Come to think of it, you might not even be able to pick it up.

“NEIGHBORHOOD COUNCIL MOTIONS” ISSUE DELAYED IN COMMITTEE.

In the last newsletter, we mentioned the letter from the City Clerk that would ask the City Council how it feels about allowing City Council files to be created after a Neighborhood Council has taken an official position on a citywide initiative. The Education and Neighborhoods Committee was unable to discuss the matter on Tuesday because of the length of some previous items. Look for it on the committee's May 3rd agenda. It is Council File #05-0575, and it can be found on our home page.
