OPPORTUNITIES FOR THE PUBLIC TO ADDRESS THE BOARD

Before reaching those portions of the agenda where Board action is requested, members of the public will be given an opportunity to address the Board on items of interest within the subject matter jurisdiction of the Board (general public comment). Members of the public will be given an opportunity to address the Board on any item on the regular agenda prior to or during the Board's

consideration of that item. The same opportunity will be given in open session regarding the closed session agenda prior to commencement of the closed session. Agendas for special meetings will permit the public to address particular agenda items even where the agenda does not include general public comment.

The requirement of public comment on individual items shall not apply if the opportunity for public comment on the item previously had been provided by a Board committee (consisting entirely of Board members at which a quorum was present) to all interested members of the public when it considered the item and the item had not changed substantially since the committee hearing. The Board agenda shall state whether such earlier opportunity for public comment had been duly provided. If the Board President determines that an item has changed substantially since the committee hearing, public comment on the item shall be allowed. (These public comment procedures are in addition to any other hearing requirement specifically imposed by law.)

Each speaker is allowed to speak up to two minutes per agenda item, with a five-minute cumulative total to speak on all agenda items. The Presiding Officer shall, however, exercise discretion to determine whether such period of time should be reduced or extended based upon such factors as the length of the agenda or substance of the agenda items, the number of public comment speaker cards submitted, the need for the Board to conclude its business as expeditiously as is practicable, and whether the Board is at risk of losing a quorum, among other factors.

BOARD MEETINGS

Board meetings are conducted in accordance with the Ralph M. Brown Act, California Government Code Section 54950 *et seq.* Resources: The Brown Act: Open Meetings for Local Legislative Bodies (Cal. Atty. Gen. 2003) available online at www.oag.ca.gov/open-meetings; Open & Public IV: A Guide to the Ralph M. Brown Act (League of Cal. Cities 2d ed. 2010) available online at www.cacities.org search for "Open Meeting IV".

Board meetings are conducted in accordance with the Rules of the Board of Water and Power Commissioners available online at <https://www.ladwp.com/who-we-are/board-commissioners>.

Board meetings are presided over by the Board President or, in his or her absence, as provided in Board Rule No. 5.

The Board upon request will provide reasonable accommodation to the disabled to ensure equal access to its meetings. To ensure availability, such request should be made as soon as reasonably practical by contacting the Commission Office at (213) 367-1356 during business hours.

MEETING AGENDAS

The agenda for meetings contains a brief general description of the items to be considered. The Board may consider an item not on the agenda only in limited circumstances consistent with the Brown Act. The agenda is posted in the front window to the left (as viewed from the street) of the main entrance of the JFB Building, in the JFB lobby before entering Security area, JFB Level A lobby

before entering Security area, and outside JFB Room 1555-H at least 72 hours before regular meetings and at least 24 hours before special meetings. The agenda is also available online at www.ladwp.com/board. The description of any item displayed on the agenda may be changed subsequent to the electronic posting of the agenda or by Board action at the meeting, but only if consistent with the Brown Act.

ACCESS BY THE PUBLIC TO DOCUMENTS DISTRIBUTED TO BOARD MEMBERS

Members of the public may inspect documents (other than legally confidential documents) relating to open session items on the agenda distributed to at least a majority of Board members in advance of the meeting or at the meeting. Many of the documents distributed in advance of the meeting will be available online through a link included in the item description on the agenda. Some large documents or documents received too late to link to an agenda item may not be viewable in this manner. Documents (other than confidential documents) distributed during the meeting -- if prepared by the Department, another City department or office, or a Board member -- will be made available for inspection during the meeting. Documents may be viewed in the Commission Office (JFB Room 1555) prior to or after the meeting. Copies may be obtained in accordance with regular procedures for copying Department records.

THE ORDER OF BUSINESS

The order of business for regular meetings typically follows the sequence described below. The Board, however, sometimes considers matters out of order as the Board President may direct. The order of business for special meetings will be determined by the agenda. Thus, some special meeting agendas may follow the organizational format of regular meetings, while other meeting agendas may be limited to but one or several items.

1. *Preliminary Matters*: The Board President will begin the meeting with opening remarks.
2. *General Public Comments*: An opportunity for the public to address the Board on items of interest to the public that are within the subject matter jurisdiction of the Board or on the Agenda for approval. The Board will hear from members of the public who have requested to speak on an item for which a speaker card has been submitted. Thereafter, the General Manager may give a report.
3. *Consideration of Items Recommended for Approval*: The Board will consider items recommended for approval. Items which a Commissioner has requested pulled for discussion will generally be considered after the Management Reports and Filed Items.
4. *Management Reports*: Reports from management and other documents are presented to the Board for information or possible discussion. No action is requested in regard to these items.
5. *Items for Approval*: The Board President will announce the items to be considered by the Board.

6. *Filed Items*: Filed items from management and other documents are presented to the Board for informational purposes and/or possible discussion. No action is requested in regard to these items.

7. *Closed Session Agenda*: Before going into closed session, the Board will hear from members of the public on any closed session item. Thereafter, the Board will make any announcements required by law before retiring to closed session. Closed sessions are allowed only for particular subject matters permitted by the Brown Act. The Board agenda will state any provisions of the Brown Act permitting the closed session. After the closed session, the Board will publicly report any action taken in closed session and the vote or abstention thereon of every member present in accordance with California Government Code Section 54957.1.

BOARD ACTIONS

The vote of at least three members is required for Board action. With some exceptions, Board actions are not final when taken because, under Los Angeles City Charter Section 245, the City Council may assert jurisdiction for possible veto of actions of boards and commissions of City government. Board actions thus become final as provided by Charter Section 245.
