5. Meeting Location

Motion: Given that the BABCNC territory is primarily residential and has a limited number of publicly accessible facilities with sufficient size, parking, and accessible characteristics to accommodate a meeting of more than 30 Board members, staff, guests, and members of the public, and given that an exhaustive search for such locations was undertaken to identify appropriate venues to meet within the BABCNC territory for the month of April 2023, and given that Benedict Canyon Park is owned by the City of Los Angeles and located adjacent to the BABCNC boundary at a location with high accessibility from within the BABCNC territory, has adequate parking, lighting, and accessibility for those with mobility challenges, BABCNC determines that no suitable meeting location for its Board or Planning and Land Use Committee meetings is available within its boundaries for the month of April 2023, finds it necessary to its April 2023 Board and PLU Committee meetings outside its boundaries in Benedict Canyon Park, requests that the City of Los Angeles enter all necessary agreements to use this location with TreePeople, a nonprofit organization that operates the meeting facility in Coldwater Canyon Park for meetings on April 11, 2023 and April 26, 2023 and approves the City-required application to use this meeting space (**Attachment B**).

Motion: To approve the February 2023 Monthly Expenditure Report (MER) (**Attachment C**)

7. Zoom Videoconferencing Software License

Motion: To approve an expenditure to purchase a license to use the Zoom videoconferencing software, not to exceed \$300, for use to undertake public outreach and meetings not required to be held in person.

8. Benedict Canyon Hotel

Motion: To submit a CIS in support of the motion in CF 23-0249 which was submitted by Councilmembers Yaroslavsky and Raman to ask that the Council request the Director of Planning to consider rescinding the initiation of a General Plan Amendment for the Retreat at Benedict Canyon Project, Case No. CPC-2018-1506-GPA-VZC-SP-SPP-SPR, located at 9704-9712 West Oak Pass Road, 9800, 9801-9815 West Wanda Park Drive, and 2534 North Hutton Drive, in the Bel Air-Beverly Crest Community Plan Area, inasmuch as the proposed amendment does not reflect the land use patterns, trends, uses, and environmental and safety concerns, and does not further the intent, purposes, and objectives of the General Plan, including the Community Plan, the Framework Element, and the Safety Element.

Motion: That BABCNC support the project because of the grading it is in safer condition; the square footage seems to be added in appropriate places, not making the house and footprint too much larger; that the applicant will reflect in the drawings, the measures to protect existing remaining trees during construction; and BABCNC finds that the SPR findings can be made because of the size of land, the RFA that is allowed, the pre-existing size of the home, which is an indicator of minimal increase of footprint and minimal impact, the fact that there are no native trees being removed and no fencing, and the support of adjoining land owners.

10. Ad Hoc Committee on Home Sharing and Party House Ordinances

Motion: To renew the Ad Hoc Committee on Home Sharing and Party House Ordinances for a year to continue development of community resources to address the impacts of home sharing and party houses, coordinate with City officials on enforcement of home sharing and party house ordinances, and make recommendations to the Board on actions regarding these topics.

11. No Building Permits for Bribers

Motion: To submit a CIS in support of the motion in CF 23-0249 (Government Code Section 1090 / Violations / Property Owners / Developers / Illegal Demolitions / Criminal Conduct / Civil Remedy / Entitlements / Contracts / Rescission) which was submitted by Councilmembers Harris-Dawson and Krekorian to prohibit property owners or developers from obtaining permits if they have previously induced or conspired to cause a violation of the law prohibiting public officials from acting on matters in which they have a financial interest, having engaged in illegal demolition, or otherwise engaged in criminal conduct to defraud the City or any other government entity.

12. City Attorney as an Enforcement Officer of Administrative Code Enforcement Program

Motion: To submit a CIS in support of the resolution in CF 23-0244 (Citation Enforcement (ACE) Program / City Attorney / Enforcement Officer / Los Angeles Municipal Code (LAMC) submitted by Councilmembers McOsker and Harris-Dawson to ask City Council to add the City Attorney as an Enforcement Officer empowered to enforce any and all violations of any provision of the LAMC under either or both of 11.00 or 11.2.; and that the City Attorney be authorized to modify the processes set forth in ACE to implement the ACE program, as appropriate, for the addition of the City Attorney, including implementing citation forms, administrative procedures, protocols, appeals to a hearing officer and designation of a citation processing company as the City Attorney determines is necessary or appropriate for Administrative Citations issued by the City Attorney. The issuance of an Administrative Citation by the City Attorney shall constitute the initial review otherwise required under LAMC Section 11.2.08(a)(1) and the Responsible Person may pay the Administrative Citation or contest an Administrative Citation issued by the City Attorney directly as set forth in Section 11.2.08(a)(2) and 11.2.09.

13. Request for Audit of Sidewalk and Transit Amenities Program (STAP)

Motion: The BABCNC, a member of the Westside Regional Alliance of Councils, is concerned about the current status and management of the Sidewalk and Transit Amenities Program under the new contractor Tranzito-Vector and requests an audit of the program by the City Controller and Chief Administration Officer's (CAO) office of the revenues and expenditures for this new program. (Relevant Council File: Council File No. 20-1536-S4)

14. Request Regarding RSO Housing Replacements

Motion: BABCNC requests that the Los Angeles Housing Department presume that 100% of RSO units slated for demolition per the Ellis Act are inhabited by low-income households, and 100% of the replacement units shall be rented at the corresponding low-income rent. If the Housing Department or the developer wish to lower that standard and require that fewer replacement units are affordable, then they must do the outreach and secure estoppels from the tenant households that demonstrate their income exceeds the low-income requirements (instead of putting the burden on low-income households to prove that they are low-income tenants). We further request that the Housing Department formulate and implement alternative income verification methods for current tenants who are elderly, disabled or undocumented to be able to qualify for their right of return.
