 - c. **Motion (Ravi Sankaran):** The DRNC approves a reimbursement of \$980.37 for emergency food purchases for Del Rey Day since his City-issued credit card was not functioning.
 - d. **Motion (Green Committee/Alexander Bell):** The DRNC Green Committee supports [CF 25-1046](#) in which the Los Angeles City Council expresses its opposition to the EPA's proposal to rescind the 2009 Endangerment Finding and to remove Greenhouse Gas regulations for light-, medium-, and heavy-duty vehicles. The resolution also asks the LA City Administrative Officer to express the city's position to the EPA.

Rescinding the EPA's 2009 Endangerment Finding would have wide-ranging impacts both locally in Del Rey and widely throughout the country. Without the endangerment finding, the U.S. would have fewer tools to curb GHG emissions especially from vehicles, leaving Americans more exposed to climate damages and also poor local air quality, which could mean more cases of asthma, heart disease, higher food prices from climate-stressed crops, and economic losses as U.S. companies fall behind in global clean-tech markets.
