We feel the following guidelines should be added to the draft ordinance for ED1 as follows. The Greater Wilshire Neighborhood Council will file a CIS, directed to City Council and Committees, on the ED 1 Ordinance (CF 23-0623), listing its position as “For if Amended,” and listing the guidelines sent by United Neighbors to the PLUM Committee, with a particular focus on the importance of the following required amendments: 1) to limit the number of waivers and off-menu incentives to a total of 6; 2) to require rear 15’ setbacks to allow for trees to grow and stormwater to be captured; 3) to prevent post-development conversion of nonresidential spaces to market rate units; 4) to protect R1, HPOZs, and identified historic districts in their entirety; 5) to ensure that substandard streets/high-fire zones do not qualify for ED 1 fast track approval; 6) to require that ED 1 projects meet minimum Tier 2 TOC qualifications; and 7) to require that all projects which do not meet these requirements under ED 1, including the above proposed amendments, go through discretionary approval.”
